## Bring the World to your Child By Hosting a Foreign Exchange Student

*By Vicki Odom*

If you've read the newspaper lately, you know that the world can be a scary place: wars, economic crisis, revolutions, climate change, border disputes, refugees, and protests. So, how do we teach our children about the world, and the variety of people in it, when most of the examples we read about in the press are so negative?

One life changing way to broaden your child's world view is to volunteer to host a high school foreign exchange student. Foreign exchange programs have been around for almost 100 years, and their mission has always been the same – to educate people about different cultures through person-to-person exchange. What better message to pass on to your children?

There are quite a few misconceptions about foreign exchange programs – especially around who can host. The biggest misconception is that you must have high school aged children when you host a high school exchange student. Nothing could be further from the truth.

"We welcome host families of all shapes and sizes – families with young children, families with no children, empty nesters whose children have left home, single parents and non-traditional families," says Heather Wells, Senior Regional Director for Ayusa, a non-profit promoting global learning and leadership through foreign exchange and study abroad opportunities for high school students. "The key requirements for a host family are to provide a safe and nurturing home environment, genuinely love children, and have a desire to learn more about a different culture."

Families with young children find that hosting an exchange student provides their children with an especially unique educational experience in the form of an international big brother or sister. Without even realizing it, children learn about different types of people and different cultural traditions.

Volunteer host families provide foreign exchange students a nurturing environment, three meals a day and a bedroom (either private or shared with a host sibling of the same gender). Each host family and student is supported by a professionally trained community representative who works with the family and student for the entire program. All interested host families must pass a criminal background check and a home visit by an exchange organization.

Foreign exchange students come from all over the world. Ayusa matches host families with students from more than 60 different countries including Argentina, China, Ecuador, Egypt, France, Germany, Japan, Lebanon, Norway, Pakistan, Sweden, Thailand, Tunisia and Turkey. All high school foreign exchange students are fully insured, bring their own spending money, and are proficient in English – and all high school exchange programs are regulated by the U.S. Department of State.

Interested host families are required to fill out an application, pass a background check and interview with a local exchange program representative in their homes. Once accepted to a program, host families can view profiles of students to find the right match for their family.

Ayusa is currently accepting applications for families to host an exchange student for the 2014-2015 school year. For more information about hosting a high school foreign exchange student, please contact Ayusa at 1.888.552.9872 or by visiting the website at:

[www.ayusa.org](http://www.ayusa.org)

## WORTHAM VILLAGES BOARD MEETINGS

Wortham Villages Board meetings are open to all homeowner's. Monthly board meetings are generally held the third Wednesday of each month from 11:30 am to 1:00 pm at the offices of Crest Management (17171 Park Row, Suite 310, Houston, Texas 77084), but may be changed for various reasons, including due to scheduling conflicts. For an accurate notification of board meetings, dates and times please visit Crest Management's website [www.crest-management.com](http://www.crest-management.com), then click on communities, then scroll down to Wortham Villages and click on it. There is box for you to put your email address that will notify you when the board is going to meet. The board does meet on a regular basis, although do cancel occasionally if the board cannot obtain a quorum. If you are interested in attending a board meeting, we do ask that you contact Crest Management beforehand so time can be scheduled and set aside during the meeting to address your comments or request.

## Greater Houston Pool Management, Inc.

### COMMUNITY NEWSLETTER SPRING 2014

The Greater Houston Pool Management, Inc. Team would like to welcome you to the 2014 swim season. We sincerely look forward to serving you and your guests throughout this summer!

GHPMI was founded on three guiding principles: safety, customer service and cleanliness. With safety as our # 1 priority, we spend a great deal of our time and resources making sure that every GHPMI employee that enters your swimming facility has the appropriate tools and training to be proactive in their efforts to avoid problems and effective during an emergency situation.

We also feel that it is important that when any community member visits the swimming pool for an outing they are greeted by a smiling, friendly and professional lifeguard staff. The overall cleanliness of your facility is just as important to our team. Clear and properly-maintained pool water, pleasant-smelling bathrooms that are cleaned and stocked daily, and a debris-free pool deck are what you should expect when visiting your facility. Please take the time to introduce yourself to your lifeguard team this summer! We truly enjoy getting to know the members we so proudly serve.

Our whole team is working hard to hire and train Lifeguards and Pool Managers, ordering pool chemicals and supplies and hiring the support staff that will enable your facilities to run well during the summer. This is an excellent opportunity for all the young adults who live in the Wortham Villages community! We are always looking for hard working individuals within the community to fulfill our summer staff needs. We are also actively hiring swim instructors that are looking to have a positive, exciting and skill-building job this summer. They learn important skills such as job responsibility, risk management, customer service and key leadership skills. Opportunities are also available to any adult (especially teachers!) that may also be looking for a rewarding summer job. Applications for employment can be found on our employment website, [www.BeALifeguard.com](http://www.BeALifeguard.com).

The GHPMI Programs Department is excited to offer your

community programs that will help enhance your family's summer experience. GHPMI provides a variety of programs, such as: group and private learn to swim classes, Guard Start, water aerobics, pool parties and more. For a detailed list of what is available at your facility please visit us at [www.takeaswimlesson.com](http://www.takeaswimlesson.com) for classes, and [www.haveapoolparty.com](http://www.haveapoolparty.com) for pool parties. If something is not currently offered at your facility, please let us know of your interest. We make every effort to accommodate all requests. We want your visit to the pool to be a safe and positive experience.

We pride ourselves in maintaining excellent communication between our team and the community members. Year-in and year-out, we receive many compliments on our proactive approach. We believe you will agree that GHPMI goes to great lengths to see to it that we stay ahead of all potential situations. We are pleased to provide an

on-call person, 24 hours a day, 7 days a week, and 365 days a year, that can take care of any emergency that may arise.

Residents may also contact us through our website, [www.greaterhoustonpool.com](http://www.greaterhoustonpool.com), to take advantage of a variety of services including anonymous contact forms, details about their child's summer job, on-line registration for community CPR or First Aid classes, Babysitting courses, as well as company news and highlights.

Finally, please allow us to start the swim season off on a positive note by offering some valuable safety reminders. With your support we are confident that the 2014 swim season will be a safe and fun experience for all.

- Parents must closely supervise their children at all times. Remember, it only takes seconds for a child to drown.

- Remember that there are several different types of people who like to use the pool throughout the summer. Whether young or old, recreational or competitive, everyone wants to

*(Continued on Page 7)*

# Wortham Villages

## Community Newsletter (Continued from Page 6)

have a good time.

- The safety of the children in the baby pool is the parents/guardians responsibility. The lifeguards will always enforce the pool rules throughout the facility, but children who cannot swim must have an adult within arms reach at all times. The same rule applies even if the child is wearing a floatation device.

- Define a safe zone for your children where they can always touch the bottom. One of the most common saves a lifeguard must make is when a swimmer strays to an area that is too deep for them to stand.

- Do not dive in areas marked "NO DIVING". Nearly 90 percent of all spinal injuries occur in the shallow end of the pool.

- Keep children from playing with or around the main drain. The main drain suction can be very powerful.

- Breath-holding games can be very dangerous

and may cause cardiac arrhythmia or seizures. Games like who can hold their breath the longest, and swimming the longest distance underwater should be avoided at all times.

- Access rules to the facility will be strictly enforced and is the responsibility of each member to understand and follow the rules as set forth by your Association. It is a very awkward and uncomfortable situation for everyone when a lifeguard must ask a member to go back home to get the appropriate access tag.

If you should ever have a question about the pool rules, just ask a lifeguard or manager. It is better to be safe than sorry! We look forward to a safe, fun-filled summer in 2014. Until then we will be maintaining your facilities though the winter months and working hard preparing to serve your beautiful community for many years to come.

Have a safe and enjoyable summer!

Need to use the baseball or soccer field in the detention pond? Need the pavilion for a party? Make a reservation so you can be sure it's available! The calendar is online at <http://my.calendars.net/worthamvillages>

## Neighborhood Watch Corner

On May 12, there was a break-in at a house on Magnolia Leaf. A couple walking noticed something odd and called 911 and took down the license number of the car. The two men fled, but not without damage to the house and at least one missing TV. The burglar alarm on the house was set. Please, if you see something that does not look right, do what the passersby did and call 911.

We are fortunate in having sidewalks throughout the neighborhood. Occasionally sidewalks are blocked by cars parked there. Please be mindful of pedestrians and kids and park cars off the sidewalks.

**We need more block captains;** some streets have none, and all streets can use more. Please encourage your neighbors to join the watch program. It is a good way to find out what is going on your area, and a good way to meet your neighbors. Duties are minimal, attend a few meetings, help out with National Night Out and pass on information to your neighbors, either in person or via email.

Herman and Shawn

**Harris County Sheriff's non-emergency number**

## Wortham Villages Recreational Facilities Corner

*By Rick Anderson*

As you know, we held our annual Pool Opening Party on Saturday (5/3). We had a good turnout on a beautiful day and handed out some great door prizes. We want to thank all of those businesses who participated and contributed. This event is sponsored by the Wortham Villages Board of Directors and planned/staffed by the members of our Recreational Facilities Committee and some great volunteers. I want to say a special thanks to our committee members and volunteers who helped make this a great event; Bea and Joe Dryden, Michele and Bob Pazitney, Cissy and Darrell Heafner, Cindy Byrne, Jason Kody and Sheldon Barr. We would also like to thank Greater Houston Pool Management for their assistance and door prizes as well.

The Wortham Villages Board/recreational Facilities Committee Members handed out pool tags at the clubhouse in late April. If you were not able to pick up tags at these times, you will need to contact Crest Management and they will provide the tags for a small fee. Only those homeowners in good standing (annual fees paid) will be able to receive tags.

The Recreational Facilities Committee role in the community is to identify any repairs/upgrades needed for our facilities. Some of the work done by this committee in the past has been the renovations to the pool area and the clubhouse, new playground equipment at the pool area, gazebo install and tennis courts and retention pond playground and fields equipment repairs/replacement. We also are always looking for new ways to improve our facilities. If anyone is interested in joining our committee, please contact me at rick\_anderson@efiglobal.com or 281-890-4878.

*Have a great summer swim season!*

## WATER BILLS

Please update your address information on your water bills. The P.O. Box 500 in Katy is not checked except every couple of weeks. Please do use it. It appears people just have not updated their information.

## HOME IMPROVEMENT REMINDER

Remember, ALL exterior changes and improvements made to your home or yard [including your fence and roof] require ARC approval first. Please do not base your home improvement decision on the fact that someone else in the neighborhood has the same improvement. The safest way to ensure compliance is to obtain ARC approval prior to all exterior modifications. Please contact Crest Management to obtain an ARC application or a copy of the community guidelines.
