Fit and Fun: Health Tips for You and Your Children

Getting fit and staying fit can be a fun process. That's true for individuals, and it's especially true for families.

Fitness is an important topic, especially when your daily routine involves a lot of sitting, whether at work, at school, or at home in front of a computer or TV screen.

The habits that we learn as children are often the habits we carry into adulthood. As parents, we can help our children build healthy habits and find new, fun ways to motivate ourselves and our children to get active.

Below are some ideas for getting off the couch and having some fun while getting fit:

- Take an active vacation: It's tempting every day to think of your vacation as a time to sit and relax. But isn't that what your body does everyday? Instead, you can plan a trip that includes hiking, biking, skiing, and other activities that the whole family can do together.
- Visit a local park: It doesn't have to take a whole day, but you could spend a few hours playing at a park. Take a ball (football or soccer), a Frisbee, or a hacky sack, and play. You can invite some friends to join you, too. And remember: It's not just about the kids moving around – it's your time, too!
- Hold a block party: Call your neighbors, and block off the closest cul-de-sac for a get together that includes fun and active games. From freeze tag and relay races to hide-and-seek and kickball, there are hundreds of activities to choose from that are fun for everyone.
- Go for a hike: Find a local area where you and your family can go and hike for a few miles. Spend time outdoors, and enjoy what nature has to offer while you all get fit!

For more ideas about fun activities, visit the American Alliance for Health, Physical Education, Recreation, and Dance's Web site at: www.aahperd.com.

The Goal: Be instrumental in encouraging children to develop the good habit of moving through space, nurturing their physical power, and getting fit.

For more information about healthy activities, contact your health care provider or your Concentra health specialist. For more information on the importance of fitness for children, visit the Centers for Disease Control and Prevention's Web site at:

17th Annual Salute to the Stars Gala

It's almost time to applaud Cy-Fair's educators at the 17th Annual Salute to the Stars Gala. The black-tie, celebratory event to be held on October 16, 2014, at Cy-Fair ISD's Richard E. Berry Center will honor 86 Spotlight teachers, one from each of the district's campuses. Dinner, entertainment, live auction and a raffle will be featured as community and business leaders and elected and school officials give thanks to those who give so much to the students in the Cy-Fair district.

Each year in April, Cy-Fair ISD recognizes one teacher from each of its campuses who represents a unique balance of skill, art and heart in teaching students in his or her subject area or program. "Spotlight teachers and their guest as well as the principal and his or her guest occupy spots at the school's table," said Lauri Baker, event co-chair. "The remaining four seats are for those who sponsor the table. Table sponsorships start at \$1,250; however, there are other sponsor opportunities available as well."

Not only is the event a celebration of the district's top-notch teachers, but it's also a way to showcase the talent of students. "Students will perform a drum line performance, those who have won scholarships from the Cy-Fair Educational Foundation will serve as guest speakers and culinary arts students will serve dinner to guests," said Baker. "Involving our students in the event is a perfect way to remember why we are all here."

All proceeds raised at the event go to the Cy-Fair Educational Foundation which provides college scholarships for district students as well as staff development grants to CFISD. Last year the event raised over \$152,000 for staff development grants and student scholarships, bringing the grand total to over \$1.8 million raised since 1998.

This year's underwriter will be Cypress Fairbanks Medical Center Hospital. Also sponsoring in 2014 will be the Cy-Fair Federal Credit Union as the Red Carpet Premiere Sponsor, Bay- IBI Group Architects as the Superintendent Table Sponsor and Houston Methodist Willowbrook Hospital as the Teacher Appreciation Sponsor.

Baker, who has been involved with organizing the event for ten years, has worked in the school district for 30 years and also serves on the Cy-Fair Educational Foundation Board. "I love working with such a passionate group of dedicated people who put on this great event," she said. "It's really a fun night and people are excited to see each other but also so committed to raise money for the Foundation. The community relationship in our district and the compassion of the Cy-Fair Educational Foundation, that does so much for both students and teachers, is unique and rewarding to be a part of," she said.
