Our Goal

The goal of this event is to raise money for the HOPE Project in Kigali, Rwanda. The HOPE Project is led by Ten Talents International, and stands for Housing, Opportunity, Purpose, and Education. Orphaned boys and girls in Kigali, Rwanda are in need of a safe home where they can have the opportunity to go to school, receive medical care, and have basic needs met. Property has already been purchased and work has begun to build a girls' home and boys' home to give these children a safe place to live and learn. This project will be completed in three phases and this year we are supporting Phase 1.

One Community, One Purpose

We invite area churches and orphan/adoption ministries to join with us as we share with our community opportunities to get involved with caring for the orphan. Join us race day as a runner, volunteer, and/or share your Orphan Care ministry booth on campus. For more info please visit: runningforgreaterthings.com

FIFTH ANNUAL CYPRESS HOOPS INVITATIONAL

The Cy-Fair Educational Foundation is gearing up for their highly anticipated Cypress Hoops Invitational Tournament to be held for the fifth year December 11 through 13, 2014. Twenty-four high school varsity level teams, including those from Cy-Fair ISD and outside the district, will compete over the three-day event at various high schools with the championship games held at the Berry Center. This year's tournament is underwritten by North Cypress Medical Center Hospital.

"Teams from the Dallas area and the San Antonio area will be traveling to Houston for the event," said Teresa Hull, event co-chair. "This is so exciting because it means that word has gotten out about the high level of organization and quality of our tournament. This will help us continue to build state recognition and gives us great potential to grow," she said.

New this year will be family fun activities including face painting, balloon animals and much more. Northwest Dodge will once again be sponsoring a chance to win a car during the championship game on December 13, 2014 at the Berry Center.

The tournament was started by community member Eric Burg and modeled after an extremely successful tournament held in Pasadena. Burg, who played basketball in Cy-Fair ISD, wanted a way to showcase the talent and facilities in Cy-Fair ISD and the tournament grew from there.

In a nail bitter championship game between Galena Park North Shore and Plano West last year, North Shore pulled ahead and won the tournament. "These games are so fun to watch," said Teresa. "We are hoping to attract many spectators to cheer for the kids since ticket prices are so reasonable (just \$2.00 for students and \$3.00 for adults or a family fun pass for \$8). We want a lot seats in the seats!" she said.

Last year the tournament raised \$18,750.02. All proceeds raised through entry fees, t-shirt sales, game tickets and sponsorships will be used for innovative staff development programs for district teachers and instructional leaders and for scholarships for deserving high school seniors. For more information about ways to participate, contact Marie Holmes at 281-807-3591 or marie@thecfef.org.

TENNIS TIPS

By USPTA/PTR Master Professional
Fernando Velasco

The Modern Game: The Backhand Approach Shot

In previous newsletters, I offered tips on how to execute the basic strokes for players who are just beginning to play tennis or who want to resume playing.

I am now offering suggestions on how to play the “modern” game mostly geared towards players who are happy with hitting the ball over the net and controlling the point with consistency. These players may be already playing for leagues or in tournaments and are looking for more “weapons” on the court.

In this issue, I will offer instructions on how to execute the Top Backhand Approach Shot. This shot is used when an opponent hits a soft shot that has bounced high over the net. The player will take advantage and will charge to the net, thus hitting with top spin high over the net and hit with power. When the ball hits the court, it will take a big hop, forcing the opponent to fall back close to the fence, or to hit the ball on the rise. This shot can be used as a “winner” or as an “approach shot.”

In the illustrations, Kaylen Combs, one of the top players of the Grey Rock Tennis Academy, shows the proper technique to execute this stroke. Kaylen is coached by the Director of the Tennis Academy, Darin Pleasant, who is showing her the proper point of contact on step 2. Kaylen plays with her left hand.

Step 1: The Back Swing: When Kaylen sees the opportunity, she makes a quick turn of her upper body and takes the racket high and back. The head of the racket is now at shoulder height, her shoulders are turned, the right hand gripping the racket and her left hand relaxed. Her weight is on the front foot as her momentum carries her forward to attack the ball. Her right wrist

is “laid back” to allow maximum point of contact.

Step 2: The Point of Contact: The success of a top spin shot is keeping the ball on the strings going from low to high in a 30 degree angle and accelerating the racket head around the outside of the ball. Kaylen started the swing high and “looped” it to allow the head of the racket to drop down. She will be brushing around the outside of the ball as she makes contact with it. Her left shoulder is almost opening and her weight has is moving through the shot.

Step 3: The Follow Through: In order to get maximum control and power, Kaylen is keeping her right arm extended through the shot. She has “snapped” her right wrist and has the head of the racket facing down. Her weight is going forward.

Step 4: The Finish: Kaylen’s upper body acceleration forced the head of the racket to “wrap around” her left ear, thus creating the most power and topspin on the ball. Her legs are already in position to move forward the net for a volley. Her right foot should naturally move forward due to her momentum and racket speed. From her looks, she apparently hit a very wide cross court approach shot for a defensive return.

Step 5: The Volley Winner: Once Kaylen hit, she moved to the net for a “winner”. By the smile on her face, her backhand approach shot was successful and she won the point with a backhand volley.
