ANOTHER SUCCESSFUL SANTA'S TOY DRIVE

The annual Children's Christmas Party and Santa's Toy Drive was held on Friday, December 12th. Santa Claus made an appearance to ask our boys and girls what they wanted for Christmas and to pick up the many gifts donated by our families to less fortunate children. A BIG Thank you to the many residents who so generously donated to this most worthy cause.

The weather was just perfect for the hay rides around the neighborhood to look at the wonderful Christmas lights. Back at our Beautiful New clubhouse, children had their photo taken with

Santa and enjoyed cookies, drinks, coloring, and crafts. The adults also enjoyed the cookies and beverages as well as good company! A fun time was had by all.

Many thanks to the tireless team of volunteers who arranged and set up the event, organized the hayride, took photos of the children with Santa and cleaned up afterward. Our Volunteers were Georgia Shotwell -Lester, Phyllis Baker, Bob Baker, Carol Peters, Diane Kingery, Nadin Fallah, Nicholas Zetka, James Zetka, Travis Zetka and a special thanks to Dick Kingery.

TREE PROJECT UPDATE

As discussed in the Annual Meeting, we have begun work on a plan for the removal and replacement of the 300 pear trees in our subdivision. We anticipate this will be a 3-4 year program. We first completed a full survey of the property including the identification of all trees to be removed and approximate locations and quantities for new installations. We then met with a consultant on the most cost effective approach to remove and replace this quantity of trees. He recommended we remove the trees in groups to minimize the mobilization charges. He further recommended that we purchase trees by the truckload enabling us to get much better pricing than buying individually. Based on his rough cost estimates we decided to approach the project under the following plan:

1. Identify the first group of trees to be removed. These trees are in poor shape and can be removed with minimal negative impact to

the overall appearance of the property. This survey was completed on December 8, 2014 and will involve the removal of 66 trees.

We will seek bids on this tree removal and anticipate this work will be completed by March 1.

2. Identify a landscape architect to develop alternatives to the pear trees where we want to install new trees. We also want specific new designs for the following areas – Eldridge Entrance, Pelican Point, Harbor Ridge, Ginger Ponds at Tanner Road, and the areas where there is half circle wrought iron fence. We are currently interviewing architects.

3. Establish the year by year plan for replacement of trees and landscape revisions.

4. Bid the 2015 installations.

We have formed a resident committee to aid in this project. If you would like to participate, please send your contact information to Elise Campagna at elise.campagna@fsresidential.com.

LOE BOOK CLUB

Our members have picked out some fascinating reading for 2015. Our group is growing. Consider joining us on the 4th Monday of each month at 7:30 P.M. We take turns hosting the meeting and sometimes change the date or book, so please contact celeste.fritz@gmail.com to get the details for each meeting.

January 26 - Vampires in the Lemon Grove by Karen Russell. Named a Best Book of the Year by: *The Boston Globe*, *O The Oprah Magazine*, *Huffington Post*, *The A.V. Club*, *A Washington Post* Notable Book, *An NPR* Great Read of 2013.

From the author of the novel *Swamplandia!*—a finalist for the Pulitzer Prize—comes a magical and uniquely daring collection of stories that showcases the author's gifts at their inimitable best.

NOTE: This will be the Houston Inprint series book lecture in January, so those interested may want to attend that.

February 23 - Orphan Train by Christina Baker Kline. Between 1854 and 1929, so-called orphan trains ran regularly from the cities of the East Coast to the farmlands of the Midwest, carrying thousands of abandoned children whose fates would be determined by luck and chance. This is the story of one such child.

March 23 - *The Searchers: The Making of an American Legend* by Glenn Frankel. In 1836 in East Texas, nine-year-old Cynthia Ann Parker was kidnapped by Comanches. She was raised by the tribe and eventually became the wife of a warrior. Twenty-four years after her capture, she was reclaimed by the U.S. cavalry and Texas Rangers and restored to her white family, to die in misery and obscurity. Cynthia Ann's story has been told and re-told over generations to become a foundational American tale.

NOTE: This will be the Holly Hall book review in March, so those interested may want to attend that.

April 27 - *And the Mountains Echoed* by Khalid Hosseini. Khaled Hosseini gifts us with a poignant story of love, loss, and recovery across several families and over several generations. Like an intricately woven tapestry, *And the Mountains Echoed* pulls us into the lives of disparate children, men, and women in Afghanistan, France, Greece, and California, showing us how the choices they and other make resonate over decades.

So many books, so little time!.....

TENNIS TIPS

By USPTA/PTR Master Professional
Fernando Velasco

The Modern Game: “The Forehand Return Serve Drop Shot”

In previous newsletters, I offered tips on how to execute the basic strokes for players who are just beginning to play tennis or who want to resume playing.

I am now offering suggestions on how to play the “modern” game mostly geared towards players who are happy with hitting the ball over the net and controlling the point with consistency. These players may already be playing for leagues or in tournaments and are looking for more “weapons” on the court.

In this issue, I will offer instructions on how to execute “The Return Serve Drop Shot.” This shot is used when an opponent is expecting a deep service return and the player “surprises” the opponent with a short angle drop shot. It can be used in both singles and doubles play.

In the illustrations, Fernando Velasco, Director of Tennis and teacher at of the Grey Rock Tennis Club, shows the proper technique to execute this stroke. Velasco is presently ranked #1 in Singles and Doubles in the USTA Men’s 70 Division in Texas, and #13 in Singles

and #8 and #10 in Doubles in the US.

Step 1: The Back Swing: When Fernando sees the opportunity, he makes a quick turn of his upper body and takes the racket high and back. The head of the racket is now at shoulder height, his shoulders are turned, and his eyes are focused on the incoming ball.

Step 2: The Point of Contact: The success of the drop shot is to “cup” under the ball with the strings. The grip is relaxed and ready to push the ball forward and under the ball as he makes contact with it. His left shoulder is almost opening and his weight is moving through the shot.

Step 3: The Follow Through: In order to get maximum underspin, Fernando is keeping the right hand extended as long as possible. His weight is going forward. The left hand is left leaning forward for better balance.

As the shot goes over the net, and it was successful, Fernando will run towards the net, expecting his opponent to either lift the ball short, or try to drop shot his drop shot.
