GIRL SCOUTS OF SAN JACINTO COUNCIL

COPPER CREEK MEADOWS COMMUNITY

The Annual Girl Scout Cookie sale is in full swing! In person order taking began on January 10. Cookie Booth sales will begin on February 20 and run through March 29. You can check out the "Cookies" section on the Girl Scouts of San Jacinto Council website, www.gssjc.org.

Using the website, you can check the locations of nearby cookie booths, and also find out lots of other information about the cookies (did you know Girl Scout Cookies are kosher?)

The Girl Scout Cookie program represents the largest girl-led business in the world. By participating in the program Girl Scouts of all ages learn 5 important skills –goal setting, decision making, money management, people skills and business ethics. These are all important for future success. We appreciate the support of our families, friends and neighbors! We also thank all the businesses that allow us to hold cookie booths

This year's cookie lineup includes "Trio", which has chocolate chips nestled in a gluten-free peanut butter oatmeal cookie. Our Council was a test market for this cookie last year. Other cookies are: Thin Mints (one of the bestselling cookies in the United States), Cranberry Citrus Crisps, Thanks-A-Lot, Lemonades, Shortbread, Peanut Butter Patties, Caramel deLites, and Peanut Butter Sandwiches.

Proceeds from Girl Scout Cookie sales fund programs, camps and services locally, and individual troop activities. Money earned from the annual Girl Scout Cookie Sale helps to maintain our Council camps, and finance programs like sailing, horseback riding, archery and backpacking. You might be surprised to know some of the things that \$4.00 helps to provide!

Copper Creek Meadows is planning activities for the spring. A roller skating party and Thinking Day event are on the schedule for

The American Cancer Society is pleased to announce that the Relay For Life of Cy-Fair has placed in the top 20 Relays in the southern territory in the fight against cancer, thanks to the amazing success of last year's event. The 2014 Relay For Life of Cy-Fair brought in more than \$138,700. and drew record participation of over 2,000 people! Total funds raised by Relay For Life-Cy-Fair is now approaching \$1.25 million dollars in ten years!

"Congratulations to the many volunteers, committee members, and teams whose tireless efforts each and every year since 2005 have resulted such an accomplishment. The valued participation of cancer survivors and caregivers make the American Cancer Society Relay For Life unique and appealing to the entire community, most of whom have been touched by cancer in some way," said Relay For Life of Cy-Fair Chair Sulema Tamez.

Relay For Life remains the American Cancer Society's highest-grossing fundraising event in the fight against cancer. Monies raised support the American Cancer Society's mission to help people stay well, get well, find cures and fight back through cancer research, as well as the free programs and services provided directly to cancer patients and their families.

The Relay For Life of Cy-Fair is seeking sign-ups for both business and personal teams for the April 17-18, 2015 event. The event committee is also seeking volunteers, cancer survivors and caregivers to participate. If you are interested in signing up or learning more about how you can help the American Cancer Society finish the fight against cancer, please visit: www.relayforlife.org/cyfairtx.

About the American Cancer Society

The American Cancer Society is a global grassroots force of more than three million volunteers saving lives and fighting for every birthday threatened by every cancer in every community. As the largest voluntary health organization, the Society's efforts have contributed to a 20 percent decline in cancer death rates in the U.S. since 1991, and a 50 percent drop in smoking rates. Thanks to our progress, nearly 14 million Americans who have had cancer and countless more who have avoided it will celebrate more birthdays this year. As we marked our 100th birthday in 2013, we're determined to finish the fight against cancer. We're finding cures as the nation's largest private, not-for-profit investor in cancer research, ensuring people facing cancer have the help they need and continuing the fight for access to quality health care, lifesaving screenings, clean air, and more. For more information, to get help, or to join the fight, call us anytime, day or night, at 1-800-227-2345 or visit cancer.org.
