We are grateful for the ground-swellling support through attendance, sponsors and our partnership with the Cy-Fair

Houston Chamber of Commerce. Assisting Cy-Fair charity Reach Unlimited through fundraising and awareness continues to be gratifying," Founder & Co-Producer Constance McDerby said.

## ABOUT THE AMERICAN CANCER SOCIETY

The American Cancer Society is a global grassroots force of more than three million volunteers saving lives and fighting for every birthday threatened by every cancer in every community. As the largest voluntary health organization, the Society's efforts have contributed to a 20 percent decline in cancer death rates in the U.S. since 1991, and a 50 percent drop in smoking rates. Thanks to our progress, nearly 14 million Americans who have had cancer and countless more who have avoided it will celebrate more birthdays this year. As we mark our 100th birthday in 2013, we're determined to finish the fight against cancer. We're finding cures as the nation's largest private, not-for-profit investor in cancer research, ensuring people facing cancer have the help they need and continuing the fight for access to quality health care, lifesaving screenings, clean air, and more. For more information, to get help, or to join the fight, call us anytime, day or night, at 1-800-227-2345 or visit [cancer.org](http://cancer.org).

# FUN, FAIR, POSITIVE SOCCER

## Let the Kids Play!

In 1986, a group of parents in Katy felt there had to be a better way to provide every youth soccer player a positive experience. They saw the main problem as parents who put too much pressure on the kids to perform. They developed a system so the kids could play and enjoy the sport without demands from adults. They modified the rules and designed a process of 5-aside rules, equal play with a unique equal substitution system, balanced teams, and parent training to ensure that it would be fair. It would be truly "Made for Kids".

Thus Fun-Fair-Positive Soccer (FFPS) was founded in the spring of 1986, by Jack Hendrie and several parents, to establish a positive environment for youth soccer players. The first season of the Katy youth soccer league registered 150 players. In 1995, Jack decided to expand beyond Katy. FFPS has added 21 additional programs in the last 24 years totaling over 16,000 players, with 25,000 players expected by 2016. FFPS is sure to have a youth soccer community near you. Just enter your zip code on the website at [www.FFPS.org](http://www.FFPS.org) and find it on the map.
