The American Cancer Society Relay For Life of Cy-Fair among fastest growing Relays in the USA!

The American Cancer Society is pleased to announce that the Relay For Life of Cy-Fair has been recognized as among the fastest growing Relays in participation! Relay For Life – Cy-Fair for 2014 placed in the top 4 in attendance growth in the entire USA!

Sincere thanks to all the many volunteers, committee members, and teams whose tireless efforts have resulted in the incredible growth of our event. The valued participation of cancer survivors and caregivers make the American Cancer Society Relay For Life unique and appealing to the entire community, most of whom have been touched by cancer in some way,” said Relay For Life of Cy-Fair Chair Sulema Tamez.

Relay For Life remains the American Cancer Society’s highest-grossing fundraising event in the fight against cancer. Monies raised support the American Cancer Society’s mission to help people stay well, get well, find cures and fight back through cancer research, as well as the free programs and services provided directly to cancer patients and their families.

The Relay For Life of Cy-Fair is seeking sign-ups for both business and personal teams for the April 17-18, 2015 event. The event committee is also seeking volunteers, cancer survivors and caregivers to participate. If you are interested in signing up

or learning more about how you can help the American Cancer Society finish the fight against cancer, please visit: www.relayforlife.org/cyfairtx.

ABOUT THE AMERICAN CANCER SOCIETY

The American Cancer Society is a global grassroots force of more than three million volunteers saving lives and fighting for every birthday threatened by every cancer in every community. As the largest voluntary health organization, the Society’s efforts have contributed to a 20 percent decline in cancer death rates in the U.S. since 1991, and a 50 percent drop in smoking rates. Thanks to our progress, nearly 14 million Americans who have had cancer and countless more who have avoided it will celebrate more birthdays this year. As we mark our 100th birthday in 2013, we’re determined to finish the fight against cancer. We’re finding cures as the nation’s largest private, not-for-profit investor in cancer research, ensuring people facing cancer have the help they need and continuing the fight for access to quality health care, lifesaving screenings, clean air, and more. For more information, to get help, or to join the fight, call us anytime, day or night, at 1-800-227-2345 or visit cancer.org.

KIWANIS CLUB OF CY-FAIR HOUSTON

YOU are cordially invited to attend an introductory meeting of the Kiwanis Club of Cy-Fair Houston at the Hearthstone Country Club.

Time: Lunch is served at 12:15pm; adjournment at 1:15pm.

Dates: We will meet on March 3, 10, and 17. Join us for lunch, followed by a short, informative program. We welcome your visit and invite you to consider membership in this service oriented organization.

Why join Kiwanis? Kiwanis is an international service organization focused on changing the world one child and one community at a time. The Cy-Fair Kiwanis Club of Houston seeks to serve this community through sponsoring Key Clubs for high school students, Builders Clubs for middle school students, and Aktion clubs for adults with disabilities. Also, we sponsor Boy Scout and Girl Scout troops. We provide support to various other organizations in the community that serve children and families. Enjoy the pleasure of being a part of this service.

What is Kiwanis? Service is at the heart of every Kiwanis club, no matter where in the world it's located. Members stage nearly 150,000 service projects and raise nearly US\$100 million every year for communities, families and projects. In addition, Kiwanis members actively participate in many service projects in their home communities.

Kiwanis members don't just do service—they have fun. Members make new friends by being part of a club where they attend meetings and participate in social events. Kiwanis clubs also provide excellent networking opportunities for professionals. Members meet new people from all over their region and the world through service projects, fundraising and attendance at district and international conventions.

FUN, FAIR, POSITIVE SOCCER

Let the Kids Play!

In 1986, a group of parents in Katy felt there had to be a better way to provide every youth soccer player a positive experience. They saw the main problem as parents who put too much pressure on the kids to perform. They developed a system so the kids could play and enjoy the sport without demands from adults. They modified the rules and designed a process of 5-aside rules, equal play with a unique equal substitution system, balanced teams, and parent training to ensure that it would be fair. It would be truly "Made for Kids".

Thus Fun-Fair-Positive Soccer (FFPS) was founded in the spring of 1986, by Jack Hendrie and several parents, to establish a positive environment for youth soccer players. The first season of the Katy youth soccer league registered 150 players. In 1995, Jack decided to expand beyond Katy. FFPS has added 21 additional programs in the last 24 years totaling over 16,000 players, with 25,000 players expected by 2016. FFPS is sure to have a youth soccer community near you. Just enter your zip code on the website at www.FFPS.org and find it on the map.
