*We realize you have a choice so we appreciate the opportunity to earn your business. Building clients for life while giving back to the community in order to make a difference!*

*The month of May is filled with several special days and events beginning on May 10th with Mother's Day. Many of us have a special mom in our lives. Mom's come in many forms such as biological moms, step moms, mother in laws, people that are just like moms, all with the same thing in common, they care. Moms are the ones that are always there to cheer us on throughout our lives. They are the wind beneath our wings, helping us soar to new heights, picking us up when we are down or cheering us along on the home stretch. Many mothers are strong prayer warriors always asking for the Lord's will to be done in our lives. On May 10th, deliver a hand written note to that special lady with a special memory you have of her, it will make her day!*

*May 25 is another very important date, Memorial Day. It's a special time when we remember those that paid the ultimate price for defending freedom both in our country and abroad. Those that we honor on Memorial Day gave their lives to protect our freedom. My son is a Veteran of the US Army and did a tour of duty in Iraq. I am thankful that he made it home, but I am reminded of several of his army buddies that did not return. On this special day, my heart goes out to those that have lost love ones in the military over the years. May the memories of your loved one help you through this special day. A sincere Thank You to all military families.*

*Many graduations take place throughout May. There will be kindergarten graduation, high school graduation, college graduations and others in between. Each one is a special milestone. As you finish a milestone and head into the next one, cherish the moment of your accomplishment. May each of you have continued success as you embark on a new journey after graduation.*

*May is a month that buzzes with activity as people move into their new homes. Buyer activity remains strong, while inventory remains low. If you have been considering selling, now is a great time to get your home on the market. Give me a call today to schedule a time to visit in person about putting together a plan of action for your home and future.*

*Whether looking for a new home for mom, a bigger place for the growing family, downsizing now that the kids have graduated and moved on, lakefront property for your new boat, a townhouse or patio home for those on the go, or a backyard oasis with sparkling pool/spa and outdoor entertaining area, let's find the dream home for you.*

*From first time home buyer programs to VA loans for veterans and military personnel ready to settle down and call our area home, to jumbo loan products for high net worth buyers, our mortgage partners have the right program for you.*

*Call or text Rebekah today, 832-814-6120 to get the ball rolling on your home ownership plans. Don't forget to ask about the Free Local Move offer, as some restrictions apply.*

*Thank you for trusting me to be your Realtor.*

Volunteers are what makes this community run effectively! We have several committees in which you can volunteer, along with many opportunities to help. Our resident Board members and Neighborhood Voting Representatives all donate their time to Eagle Springs as well.

Your child can earn community service hours for volunteering at community events! We have jobs for students as young as middle school.

Adults are needed for events like Casino Night! If you volunteer, you are admitted to the event and can enjoy the food and drinks for free.

Do you want to volunteer? Email committees directly, come to a meeting, or email [Activities@InsideEagleSprings.com](mailto:Activities@InsideEagleSprings.com) if you want to serve your community!

## The Onsite Office has Officially Moved!

As you may or may not have already discovered, the Onsite Office now has new digs in the Eagle Springs Clubhouse at 12520 Will Clayton Parkway. The office has a separate entrance – a door to the left of the main double doors – to accommodate residents. This now allows the new Eagle Springs Clubhouse to be rented at any time, not just around the times the office is opened.

The Onsite Office still has the same hours and phone number. If you need additional information, please email [Help@InsideEagleSprings.com](mailto:Help@InsideEagleSprings.com)

## New Rental Rates and Policies for the Clubhouses

The Eagle Springs Clubhouse is now available and ready to rent! The new clubhouse features 2 meeting rooms and a full kitchen for residents to use.

The rates for the Eagle Springs Clubhouse are \$75 an hour with a four hour minimum on weekends. The rates at the Valley Springs Clubhouse have been reduced to \$60 an hour with a four hour minimum on weekends, with a meeting room rate of \$30 an hour. Both facilities require an attendant fee. Information can be found on [InsideEagleSprings.com](http://InsideEagleSprings.com) under the "Clubhouse Info and Reservations" fly out on the left hand side of the page. Step-by-step instructions are posted on how to reserve a clubhouse. We cannot accept reservations over the phone.

Beer and wine are also now allowed at the clubhouse, with stipulations. A law enforcement officer is required for events after 6 pm, and no liquor is allowed. More information can be found on the website.

If you have any questions regarding the facilities, feel free to email [Help@InsideEagleSprings.com](mailto:Help@InsideEagleSprings.com)

## Fields Undergoing Renovations

You may have noticed our soccer fields fenced off and wondered what is going on. Ridgewood Landscaping is currently grading and reseeding the soccer fields, along with some other light renovations to bring our soccer fields back to life.

What is critical now is that people remain off the fields. If you see someone inside the fence, please call the constables non-emergency line (on page 2 of this newsletter), as they are trespassing. Also, once the fields are opened again, it's important that we take care of them. This includes staying off of them when they are wet from rain, particularly if cleats are being worn.

Are you interested in learning more about what the Sports Field Committee does here in your neighborhood? Email [Sports.Committee@InsideEagleSprings.com](mailto:Sports.Committee@InsideEagleSprings.com) to see how you can help!

# KITCHEN MAKEOVERS IN MAY

Could your kitchen use an update? You can transform your dull, seemingly dated kitchen into a stylish, modern centerpiece of your home with a few DIY projects that you could tackle in a weekend:

**Recolor Your Scheme** - Freshen up your colors. Adding a new coat of paint or taking some risk with bold, striking wallpaper can miraculously transform any room. Don't forget the 60-30-10 rule!

**Contain The Clutter** - Add functional storage to help contain the kitchen mess that can make your space feel cramped and cluttered. You can find some inexpensive solutions to improve how you store food as well as pots and pans online.

**Update Your Cabinetry** - You might be amazed at the difference knobs and handles can make to your kitchen cabinetry. With a drill and knob placement tool from your local hardware store you can ensure every knob and handle is perfectly placed in minutes.

**Still Struggling with Ideas?** - Check out one of my favorite FREE apps; "houzz". It is filled with fantastic ideas, pictures, and instructions to remake any part of your home.
