## Silverlake HOA Board member loss

The members of the Silverlake Homeowner's Association Board of Directors would like to express their deepest condolences to the family and friends of Mark Clark who passed away on March 6, 2015 after a brave battle with cancer. It is with a heavy heart that we convey this message to the membership. Mark had served as a Director since 2008 and represented neighborhood 5. He was an outstanding volunteer and servant as a Board member, keeping an ever present finger on the pulse of our community. He leaves his loving family, wife Deonna and children Abigail and Charlie. He will be sorely missed by all and his humor and enthusiasm will forever be lost from our meetings and activities.

### ARTICLE INFO

The Silverlake News is mailed monthly to all Silverlake HOA residents. Residents, community groups, schools, etc., are welcome to submit information. Personal news is also welcome. All submissions will be reviewed for content and approved by the Board of Directors and Newsletter Committee Chair. The deadline for submission is the 8th of the month before publication.

## VANDALISM

Sadly, there have again been issues with vandalism in the community. Most recently, the new signs placed at the playground and pool, outlining the rules, has been defaced. Our intent is to identify the persons responsible and to prosecute. Vandalism is a crime punishable by jail, monetary fines or both. There is a potential for vandalism to cost several thousands of dollars to the homeowners when it is not prevented and/or stopped. Your Board of Directors is asking for your help in keeping a watchful eye out for malicious or suspicious behavior that may be destroying or defacing our property and amenities. Report your findings to any of the Board members or the Brazoria County Sheriff's Office at 281-331-9000.

## REFLECTIONS ART CONTEST

You may remember us announcing our Silvercrest winners in the Reflections Art Contest earlier in the year. We are very excited that the photography of Jaden Owens, a first grader at Silvercrest Elementary, has been chosen by the Pearland Council PTA to represent us at the State Level. Congratulations Jaden! Good luck at the State Reflections Art Contest!

## BREAST CANCER

### Importance of Early Detection

*By: Concentra Urgent Care*

Breast cancer is the most common cancer among women in the United States, and is the second leading cause of cancer deaths. Screening is vital because early stages of the disease are easier to treat. The American Cancer Society recommends women:

- Obtain yearly mammography screenings, beginning at age 40
- Obtain yearly clinical breast exams
- Check your breasts regularly for lumps
- Discuss their breast cancer risk with their physician

Breast cancer risk increases as we age. Other factors that increase a woman's risk for breast cancer include:

- Having started menstrual periods at a young age
- Having a first child after age 30
- Use of hormone replacement therapy
- Having a family history of breast cancer

Men are also at risk for rare cases of breast cancer. All persons familiar with the normal look and feel of their breasts should promptly report any unexpected changes to their physicians. The American Cancer Society recommends both women and men consult their doctor if they notice any of the following:

- A new, hard lump or thickening in any part of the breast
- Change in breast size or shape
- Dimpling or puckering of the skin
- Swelling, redness, or warmth that does not go away
- Recurrent pain in a particular part of the breast
- Pulling in of the nipple
- Nipple discharge that starts suddenly in only one breast
- An itchy, sore, or scaly area on one nipple

*For more information about breast cancer and early detection, contact your health care provider, your Concentra health specialist, visit the American Cancer Society Web Site at: [www.cancer.org](http://www.cancer.org), or visit the National Breast Cancer Awareness Month Web site at: <http://nbcam.org/>*
