## Pet of the Month

Karen is a Shih Tzu mix girl. She is approx 1 years old (10 lbs) and up to date on shots. She was found as a stray and brought to us in terrible shape. Her fur was extremely matted and we shaved her down and she feels so much better! She will be a beautiful long-haired dog once her hair starts to grow back. She is a sweet, happy & friendly girl! Call or email us to find out more information on how to adopt her.

## A FOCUS ON PHYSICAL ACTIVITY Pathway to Improved Health

*By Concentra Urgent Care*

Being physically active is one of the most important steps you can take to maintain or improve your health. When combined with eating a healthy diet, regular exercise can substantially reduce your risk of chronic disease, prevent weight gain, and improve your overall level of physical and emotional fitness.

### HOW MUCH PHYSICAL ACTIVITY DO I NEED?

The U.S. Department of Health & Human Services (HHS) has recently published several recommendations related to exercise:

1. Any physical activity is better than no physical activity
- Includes people with disabilities
- Far outweighs the possibility of risk of injury or illness
2. Most health benefits occur with at least 150 minutes a week
- Both aerobic and muscle-strengthening are beneficial
3. For most people, additional benefits occur when
- You increase the intensity of your physical activity
- You increase the frequency of your physical activity
- You increase the duration of your physical activity

### SHOULD OLDER ADULTS EXERCISE, TOO?

The same HHS guidelines apply, but older adults need to make sure that their fitness level and any chronic conditions allow them to safely perform physical activity. For example, if an older adult is at risk of falling, he should do exercises that maintain or improve his balance.

### WHAT IF I HAVE A CHRONIC MEDICAL CONDITION?

If you have a chronic medical condition, you should be under the care of a health care provider. It is important to consult your physician about the type and amount of physical activity appropriate for you.

### HOW DO I GET STARTED?

The health benefits of physical activity far outweigh the risks and some activity is better than none. Persons who have not been diagnosed with a chronic condition (such as diabetes, heart disease, or osteoarthritis) and do not have symptoms (e.g., chest pain or pressure, dizziness, or joint pain) do not need to consult with a health care provider prior to starting an exercise program.

## The Benefits of Hosting Span Borders

Traveling the world and experiencing new cultures is something many dream of but few are able to do. Hosting an Ayusa exchange student provides the opportunity to experience the world while bringing other benefits to their family and local community.

For schools, opening their doors to an exchange student provides their students the opportunity to experience new cultures and expand their understanding of the global society. Not only will students be able to expand their circle of friends, they will be able to reference different perspectives of world events. The new perspectives that both local and exchange students gain through the exchange experience are invaluable for the ever-expanding global community.

Ayusa exchange students are eager to learn and participate in school and community programs. They take their role as ambassadors for their country seriously. Ayusa students are not simply bystanders to their program year; they are active participants looking to make a difference in their host school and community.

Ayusa exchange students are strong academic performers, well-rounded, and open-minded. Prospective students go through an extensive interview process in their home countries and are evaluated for maturity, strength of goals, leadership skills, and academic background. Ayusa honors all school enrollment standards, academic

requirements and student placement criteria specified in school or district policies.

Host families also reap the benefits of opening their home by sharing their America. When they share with their exchange student, they are also able to see America with fresh eyes through the student. Families often learn new things about the U.S. and have different perspectives after hosting. The experiences and memories that are shared during the program last a lifetime and span international borders.

For more information about hosting a high school foreign exchange student, please contact your local representative Vicki Odom at 832.455.7881 or [HYPERLINK "mailto:vodom@ayusa.org" vodom@ayusa.org](mailto:vodom@ayusa.org) or Ayusa at 1.888.552.9872 or by visiting the website at [www.ayusa.org](http://www.ayusa.org).

### ABOUT AYUSA

Ayusa is a non-profit educational organization that promotes global learning and leadership through foreign exchange and leadership program programs for high school students from around the world. Ayusa offers unique, richly personal cross-cultural experiences for students, volunteer host families, schools, and local communities.

## Cypress United Methodist Church Says Farewell To Dr. Jerome Brimmage, Senior Pastor

Dr. Jerome Brimmage has just been appointed to serve at Lufkin UMC in Lufkin, TX in July 2015. Dr. Brimmage has served Cypress UMC for seven years and his last day to preach will be on Sunday, June 7, 2015 at 8:15, 9:30 and 11:00 a.m. worship services.

With the leadership of Dr. Brimmage, the church has been a part of two exciting partnerships with their adopted Cy-Fair ISD schools, Adam and Millsap Elementary. From the very beginning of his ministry he has always sought to reach out to the hurting. "I have a passion to seek and save the lost. I believe the church is the hope of the world and the church has the opportunity in this day and time to make a difference in people's lives," says Dr. Brimmage. His ministry will be greatly missed in the community of Cypress.

There will be a "Farewell Luncheon" for Dr. Brimmage and his family at Cypress United Methodist Church, on Sunday, June 7, 2015 at 12:00 p.m. in their Ministry Activity Center.
