CYPRESS UNITED METHODIST CHURCH SAYS FAREWELL DR. JEROME BRIMMAGE, SENIOR PASTOR

Dr. Jerome Brimmage has just been appointed to serve at Lufkin UMC in Lufkin, TX in July 2015. Dr. Brimmage has served Cypress UMC for seven years and his last day to preach will be on Sunday, June 7, 2015 at 8:15, 9:30 and 11:00 a.m. worship services.

With the leadership of Dr. Brimmage, the church has been a part of two exciting partnerships with their adopted Cy-Fair ISD schools, Adam and Millsap Elementary. From the very beginning of his ministry he has always sought to reach out to the hurting. "I have a passion to seek and save the lost. I believe the church is the hope of the world and the church has the opportunity in this day and time to make a difference in people's lives," says Dr. Brimmage. His ministry will be greatly missed in the community of Cypress.

There will be a "Farewell Luncheon" for Dr. Brimmage and his family at Cypress United Methodist Church, on Sunday, June 7, 2015 at 12:00 p.m. in their Ministry Activity Center.

Independence Day PARADE

The parade details are coming together wonderfully for our Independence Day parade that will be held at 9 a.m. on Saturday, July 4th. Just a reminder than anyone can join in on the fun!

PLEASE NOTE THERE IS A NEW ROUTE THIS YEAR beginning at Ault ES and ending at Salyards MS: Line-up on Maple Village Drive in front of Ault ES, left onto Chappell Knoll, then follow the circle onto Fairfield Park Drive, left onto Fairfield Green and ending at Salyards MS.

Parade floats may begin lining up at 8:30 on Fairfield Green in front of Keith ES. This new route is directly related to safety by getting our parade traffic off of Mason.

The order of the parade will be:

- None other than our very own Fairfield Volunteer Fire Department leading,
- Boy Scout Troop #533 presenting our colors,
- Grand Marshall,
- Floats that include Fairfield organizations, businesses, and residents,
- Motorized vehicles that include golf carts and four-wheelers (line-up in parking lot closest to Vintage Falls Drive),
- Bicycles, scooters, and skateboards (line-up in parking lot closest to Vintage Falls Drive), and
- Pedestrian traffic (line-up in parking lot closest to Vintage Falls Drive).

Please note it is imperative for everyone to stay in the order above. In years' past, four-wheelers, motor scooters, and bicyclists have ridden ahead causing a safety issue for parade participants as well as spectators (think small children running to retrieve candy). We ask that everyone help with keeping all participants in line so no one gets hurt on this wonderful day of celebration. Also, no water guns, please.

What we still need?

- A Grand Marshall - we would love to feature an active duty female this year!
- YOU! The more the merrier! You can just be a group of neighbors that want to get together and have some fun on the 4th to make a float but we also need our neighbors to watch all of the fun.
- Let's paint Fairfield red, white and blue by wearing your patriotic gear and putting your American flags out!
- Please be considerate and help us pick up any trash from the festivities.

Fairfield's Fifty Plus Fun-Loving Group

The Fairfield Seniors

The Seniors of Fairfield are an active, fifty plus, fun-loving group of couples and singles who enjoy fellowship, monthly trips, and various activities together. If you or your spouse is fifty or older, a newcomer to Fairfield Village or have lived here in Fairfield for some time but have never attended one of our functions, you are cordially invited. Come and be a part of our fun-loving group. We're sure you will enjoy it.

OUR HISTORY: Over these past ten plus years we've taken over a hundred trips. The Fairfield Gazette's web site has back issues available from September, 2004. In order to go back to our beginning, we must thank Kelly Peel of Peel Inc. for locating all our articles from their archives and sending them to us. We now have every article submitted, which enabled us to put together Our History and a complete listing of all our trips. Just go to Our History in our weekly email to read about our beginning and all the trips we've taken. You can get the complete listing at... <http://home.comcast.net/~seniorgroup/History.htm>

OUR JUNE BUS TRIP PLANS ARE FOR:

Wednesday, June 10 a trip to Channel 11's Great Day Houston Show. The Fairfield 50 Plus Fun-Loving Group will need to be early birds this month to catch the bus, at 6:30 a.m., for our June 10, 2015 trip. We will be part of the live studio audience for Channel 11's KHOU Great Day Houston Show, hosted by Deborah Duncun. The show airs at 9:00 a.m. and is filled with surprise guests, and promises to be fun. The show often has giveaways and prizes for their live guest audience too! Please note, no photography allowed during the live show.

After the show we will stop for a meal at the House of Pies, where you can order breakfast or lunch, and buy one of their famous pies to take home. Please note House of Pies only take cash or credit cards, no personal checks.

The cost of this trip is \$2.00 plus the cost of your meal at the House of Pies.

To get your name on the list for this great trip, just call Pam Lewis at 281-746-7430 or email her: pam.j.lewis@att.net.

Checks are to be made out to: Fairfield 50 Plus. Checks can be given to: Pam Lewis, Deb DeJarnette, or Maureen Huelsman. They can also be mailed to Pam Lewis at 21202 Catherine Anne Court, Cypress, Texas 77433.

Please Note: We will depart from the Fairfield Baptist Church's southeast parking area, by the fence bordering the storage business. There is a convenient entrance off Cypresswood Drive. We depart promptly at 6:30 a.m. Please be there by 6:15 a.m.

OUR JULY BUS TRIP PLANS ARE FOR:

Friday, July 31st for our annual ball game trip.

Yes, this is our tenth annual trip to see the Houston Astros. They'll be playing the Arizona Diamondbacks on Friday July 31st. The Astros won the opener on Monday April 5th and many are saying that this is the Astros' year.

The tickets are \$31.00 dollars this year, but we can have seats in our same section as last year, with easy entrance and exit to the doors and to the bus. We'll have Section 152 with seats in rows 10 and 11. All

the tickets cost more this year with the cheapest seats at Minute Maid costing \$20.00.

July 31st is Biggio Hall of Fame Weekend – With Free Biggio Bobbleheads.

Also Friday Nights Come With Fireworks – This Year's Musical Theme: Divas.

The cost of this trip is \$31.00 plus the cost of your meal at Cleburne Cafeteria; it is where we've had dinner when we go to the ballgames. Remember, Cleburne's does not take credit cards, just cash or checks.

To get your name on the list for this great trip, just call Kay Wheeler at 281-890-1934 or email her: kwheeler01110@sbcglobal.net.

OUR JUNE ACTIVITIES PLANS:

Thursday, June 11. It's at the Lakeside Trails Club House and starts at 6:30 p.m. However, plan on being there early. Doors open around 6:00 p.m. for socializing and fellowship. Then plan on staying and join many of our members that stay to play games or socializing after the meal and to finish up the desserts.

Tuesday, June 16: Game Night at the Cooks' House.

It starts around 6:30 p.m. Just bring a snack and a healthy appetite. This is always a fun evening with great fellowship. The directions are in the Activity page on our website and will also be in our June, 14 weekly e-newsletter.

Thursday, June 25: Game Night at Lakeside Trails Club House.

It starts around 6:30 p.m., and we have plenty of room at the club house. We would like to see you there to enjoy an evening of games and fellowship with us. Just bring a little snack and plan on having lots of fun. There are some card games, some games that the members bring and, of course, dominoes.

For additional information on activities other than trips:

Call Mary Lou Cook @ 281-304-8359.

TENNIS TIPS

By USPTA/PTR Master Professional
Fernando Velasco

CAPTION 1

CAPTION 2

CAPTION 3

“Tennis for Children 9-10 years old and under – Green Ball”

This series of Tennis Tips are focused on how to involve children of all ages learning to play tennis and offering tips to the parents on how to assist at home. In the last issue I offered advice for children 9-10 years old and under playing with the softer orange ball and on a 60' foot court. This issue, will focus on children 9 and 10 years old and under playing with the green soft ball and on a 78' foot regular size court.

Caption 1: Tennis Racket and balls: The children should be using rackets ranging in length from 25" to 27" long along with the green ball. These longer, lighter rackets and bouncier balls will make it easier for the child to control the swing and the point of contact with the ball. The appropriate racket to use will depend on the height of the child. Balls will bounce from 47" to 53", which is within the comfort zone for most children of that age.

Caption 2: Tennis Court: For those players ready to cover the regular size court, they will now be playing on a 78' x 36' tennis court. Lines are now painted regular white making it much easier to see the ball landing, especially while the opponents are serving. Players need to be physically ready to cover the entire court.

Caption 3: Make Tennis Your Kid's New Pick-Up Game: Just like any other sport or skill, repetition is the key to learning. Once basic skills are learned the child will:

- Receive Mind and Body Workout

- Develop Confidence and Character
- Encourage Self-Control and Discipline
- Improve Fitness and Focus
- Offer Both Individual and Team Play
- Encourage Cross-Training and Low Rate of Injury
- Teach Problem Solving and Sportsmanship

Children at this age are already playing points and are given tips on how to hit groundstrokes, volleys and serves with control. The USTA provides tournaments and leagues for children 10 and under using the green ball on the 78' courts. Matches are normally 4 game sets and they are encouraged to play round robins and/or consolation rounds.

Tips to parents:

- Take your child to a tennis court and encourage them to drop the ball and hit it on their own.
- Afterwards, feed the green balls from your own service line to them standing on the opposite service line. Feed the ball softly and with control. Make them move very slowly and with body control.
- Have them stand on their base line and feed balls next to them. Later move to the service line and once successful, move to the opposite side of the net.

Look in the next Newsletter for: "Tips for children 11 years old and older – Yellow Ball". For more information about our programs and club information, you can visit us at www.greyyrocktennis.com or call us at 512-301-8685.

Key Club: What is it?

Jordan Miller, Editor of Cypress Woods Key Club

Community Service. Making friends. Building character. Traveling. Leadership building. Giving back. Scholarships. Leaving your mark. That's what Key Club is; a place where everyone is welcome- whether it be freshmen, sophomores, or upperclassmen. Key Club helps students to leave their mark at Cy Woods, and have fun while doing it.

The 'Key' in Key Club is what generally mystifies possible members. "What is that club? Do you make keys or something?" No, Key Clubbers don't spend their time each semester making keys. They spend their time volunteering, donating, and giving back to their communities. They also spend their time doing service projects like making bracelets for children's hospitals, weaving blankets for animal shelters, and even creating coloring books for kids in homeless shelters. Also, this past year, Key Clubs from Texas and Oklahoma saved thousands of mothers and children by raising money for the Eliminate project: an organization that uses the money that clubs fundraise to give mothers and babies around the world a vaccination against Neonatal tetanus, a disease which could prove fatal to both mother and child if not treated properly. Though Clubbers spend

most of their time devoted to service, the Cy Woods Key Club does interact with their members in a different way: Socials. Socials are a meeting that takes place after school, and anyone is welcome. Usually, these socials take place with another club such as Cy Ranch or Cy Fair. This month's social is taking place at TxR Paintball, where two clubs will face off in a game of paintball.

In High School, most teenagers find their niche in an organization, and whether it is football, art, or culinary club, teens make friends in these organizations and possibly end up in leadership positions once they have a few years of high school under their belt. The important thing is, once a teen finds something they like, they stick with it and usually leave their mark through that interest. If teens show an interest in community service and center their after-hours time to volunteering, they could be granted possible scholarships by the Tex-O-Key (Texas Oklahoma Key Club) District.

Teens that leave their mark with volunteering and serving their community make the most out of their high school experience, by making an impact that will last for years.

Creating Your Own ABWA Experience by using WINing technology

Luncheon Details

Thursday, June 25

Networking 11 a.m.; Luncheon begins at 11:30 a.m.

Sterling Country Club, 16500 Houston National Blvd., Houston, TX 77095

Costs \$25 with advanced reservations; \$30 for guests

The June 25 Cy-Fair Express Network Luncheon will be a career-focused educational opportunity with special guest Gaylyn DeVine, 2013-2014 American Business Women's Association (ABWA) National Secretary/Treasurer.

DeVine joined ABWA as a charter member of the South East Express Network in November 2004. Since

joining, she has served in a variety of positions encouraging women of all ages to overcome the voices in their head that keep them from

reaching their full potential. She serves as a role model and mentor to women across the country helping them set goals and achieve both personal and professional success through ABWA leadership opportunities.

DeVine will demonstrate how using ABWA's Women's Instructional Network (WIN) website can empower members to create their personal ABWA experience. THE BENEFITS OF HOSTING SPAN BORDERS

Traveling the world and experiencing new cultures is something many dream of but few are able to do. Hosting an Ayusa exchange student provides the opportunity to experience the world while bringing other benefits to their family and local community.

For schools, opening their doors to an exchange student provides their students the opportunity to experience new cultures and expand their understanding of the global society. Not only will students be able to expand their circle of friends, they will be able to reference different perspectives of world events. The new perspectives that both local and exchange students gain through the exchange experience are invaluable for the ever-expanding global community.

Ayusa exchange students are eager to learn and participate in school and community programs. They take their role as ambassadors for their country seriously. Ayusa students are not simply bystanders to their program year; they are active participants looking to make a difference in their host school and community.

Aysua exchange students are strong academic performers, well-rounded, and open-minded. Prospective students go through an extensive interview process in their home countries and are evaluated for maturity, strength of goals, leadership skills, and academic

background. Ayusa honors all school enrollment standards, academic requirements and student placement criteria specified in school or district policies.

Host families also reap the benefits of opening their home by sharing their America. When they share with their exchange student, they are also able to see America with fresh eyes through the student. Families often learn new things about the U.S. and have different perspectives after hosting. The experiences and memories that are shared during the program last a lifetime and span international borders.

For more information about hosting a high school foreign exchange student, please contact your local representative Vicki Odom at 832.455.7881 or vodom@ayusa.org or Ayusa at 1.888.552.9872 or by visiting the website at www.ayusa.org.

About Ayusa

Ayusa is a non-profit educational organization that promotes global learning and leadership through foreign exchange and leadership program programs for high school students from around the world. Ayusa offers unique, richly personal cross-cultural experiences for students, volunteer host families, schools, and local communities.

FOUR-LINED PLANT BUGS

Four-lined plant bugs are brightly colored. Nymphs (immatures) are red while older nymphs start to have wing pads with yellow and black stripes. Adults have fully developed wings that are yellow and black striped. Adults look similar to, and may be mistaken for, striped cucumber beetles.

These insects have piercing-sucking mouthparts which they use to suck out plant juices. The plant bugs suck out chlorophyll and leave a "window" between the upper and lower epidermis of the leaf. Damage appears as white, dark or translucent spots of foliage and is sometimes mistaken for fungal damage. Feeding may also cause curling and browning. Fortunately, damage is mostly cosmetic, but if you are trying to eat the foliage of the damaged plant it may become a problem.

The insects feed on a wide variety of hosts, including fruits and vegetables, annuals and perennials and woody plants. When disturbed, the insects are fairly good at hiding. They either crawl to the underside of the leaves or drop to the ground to hide among foliage.

If you feel the need to manage these insects, try insecticidal soap. If that doesn't work, you can try azadirachtin (neem- concentrate, not oil; it's getting too hot to use oil formulations) or pyrethrins. If that doesn't work then try a residual contact product.
