The June 25 Cy-Fair Express Network Luncheon will be a career- focused educational opportunity with special guest Gaylyn DeVine, 2013-2014 American Business Women's Association (ABWA) National Secretary/Treasurer.

DeVine joined ABWA as a charter member of the South East Express Network in November 2004. Since joining, she has served in a variety of positions encouraging women of all ages to overcome the voices in their head that keep them from reaching their full potential. She serves as a role model and mentor to women across the country helping them set goals and achieve both personal and professional success through ABWA leadership opportunities.

DeVine will demonstrate how using ABWA's Women's Instructional Network (WIN) website can empower members to create their personal ABWA experience. With tutorials, networking, team board interactions, and a safe place to store all of the Leagues important documents, every member should be accessing the power of WIN.

This month's CYFEN meeting begins with networking at 11 a.m. followed with a prompt 11:30 a.m. start of the program. Luncheons are held at the Sterling Country Club,

16500 Houston National Blvd. Cost is \$25 for members with reservation and \$30 for guests.

A FOCUS ON PHYSICAL ACTIVITY Pathway to Improved Health

By Concentra Urgent Care

Being physically active is one of the most important steps you can take to maintain or improve your health. When combined with eating a healthy diet, regular exercise can substantially reduce your risk of chronic disease, prevent weight gain, and improve your overall level of physical and emotional fitness.

HOW MUCH PHYSICAL ACTIVITY DO I NEED?

The U.S. Department of Health & Human Services (HHS) has recently published several recommendations related to exercise:

1. Any physical activity is better than no physical activity
- Includes people with disabilities
 - Far outweighs the possibility of risk of injury or illness
2. Most health benefits occur with at least 150 minutes a week
- Both aerobic and muscle-strengthening are beneficial
3. For most people, additional benefits occur when
- You increase the intensity of your physical activity
 - You increase the frequency of your physical activity
 - You increase the duration of your physical activity

SHOULD OLDER ADULTS EXERCISE, TOO?

The same HHS guidelines apply, but older adults need to make sure that their fitness level and any chronic conditions allow them to safely perform physical activity. For example, if an older adult is at risk of falling, he should do exercises that maintain or improve his balance.

WHAT IF I HAVE A CHRONIC MEDICAL CONDITION?

If you have a chronic medical condition, you should be under the care of a health care provider. It is important to consult your physician about the type and amount of physical activity appropriate for you.

HOW DO I GET STARTED?

The health benefits of physical activity far outweigh the risks and some activity is better than none. Persons who have not been diagnosed with a chronic condition (such as diabetes, heart disease, or osteoarthritis) and do not have symptoms (e.g., chest pain or pressure, dizziness, or joint pain) do not need to consult with a health care provider prior to starting an exercise program.

The Benefits of Hosting Span Borders

Traveling the world and experiencing new cultures is something many dream of but few are able to do. Hosting an Ayusa exchange student provides the opportunity to experience the world while bringing other benefits to their family and local community.

For schools, opening their doors to an exchange student provides their students the opportunity to experience new cultures and expand their understanding of the global society. Not only will students be able to expand their circle of friends, they will be able to reference different perspectives of world events. The new perspectives that both local and exchange students gain through the exchange experience are invaluable for the ever-expanding global community.

Ayusa exchange students are eager to learn and participate in school and community programs. They take their role as ambassadors for their country seriously. Ayusa students are not simply bystanders to their program year; they are active participants looking to make a difference in their host school and community.

Ayusa exchange students are strong academic performers, well-rounded, and open-minded. Prospective students go through an extensive interview process in their home countries and are evaluated for maturity, strength of goals, leadership skills, and academic background. Ayusa honors all school enrollment standards, academic

requirements and student placement criteria specified in school or district policies.

Host families also reap the benefits of opening their home by sharing their America. When they share with their exchange student, they are also able to see America with fresh eyes through the student. Families often learn new things about the U.S. and have different perspectives after hosting. The experiences and memories that are shared during the program last a lifetime and span international borders.

For more information about hosting a high school foreign exchange student, please contact your local representative Vicki Odom at 832.455.7881 or [HYPERLINK "mailto:vodom@ayusa.org" vodom@ayusa.org](mailto:vodom@ayusa.org) or Ayusa at 1.888.552.9872 or by visiting the website at www.ayusa.org.

ABOUT AYUSA

Ayusa is a non-profit educational organization that promotes global learning and leadership through foreign exchange and leadership program programs for high school students from around the world. Ayusa offers unique, richly personal cross-cultural experiences for students, volunteer host families, schools, and local communities.

Key Club: What is it?

By Jordan Miller, Editor of Cypress Woods Key Club

Community Service. Making friends. Building character. Traveling. Leadership building. Giving back. Scholarships. Leaving your mark. That's what Key Club is; a place where everyone is welcome- whether it be freshmen, sophomores, or upperclassmen. Key Club helps students to leave their mark at Cy Woods, and have fun while doing it.

The 'Key' in Key Club is what generally mystifies possible members. "What is that club? Do you make keys or something?" No, Key Clubbers don't spend their time each semester making keys. They spend their time volunteering, donating, and giving back to their communities. They also spend their time doing service projects like making bracelets for children's hospitals, weaving blankets for animal shelters, and even creating coloring books for kids in homeless shelters. Also, this past year, Key Clubs from Texas and Oklahoma saved thousands of mothers and children by raising money for the Eliminate project: an organization that uses the money that clubs fundraise to give mothers and babies around the world a vaccination against Neonatal tetanus, a disease which could prove fatal to both mother and child if not treated properly.

Though Clubbers spend most of their time devoted to service, the Cy Woods Key Club does interact with their members in a different way: Socials. Socials are a meeting that takes place after school, and anyone is welcome. Usually, these socials take place with another club such as Cy Ranch or Cy Fair. This month's social is taking place at TxR Paintball, where two clubs will face off in a game of paintball.

In High School, most teenagers find their niche in an organization, and whether it is football, art, or culinary club, teens make friends in these organizations and possibly end up in leadership positions once they have a few years of high school under their belt. The important thing is, once a teen finds something they like, they stick with it and usually leave their mark through that interest. If teens show an interest in community service and center their after-hours time to volunteering, they could be granted possible scholarships by the Tex-O-Key (Texas Oklahoma Key Club) District.

Teens that leave their mark with volunteering and serving their community make the most out of their high school experience, by making an impact that will last for years.

Keep the Fun in Summer

At Neighbors, we know that sun and fun can turn into sunburn and injury if you're not careful. Slipping by the pool, overshooting the slide, canoeing without sunscreen, or an unexpected wasp sting can sour any good day. Luckily, Neighbors is there to treat you 24/7 with little to no wait time. Our Board Certified physicians will get you back to enjoying summer fun.
