ABWA Cy-Fair Express Network (CYFEN) Inducts New Executive Board

Luncheon Details - Thursday, July 23, 2015

Networking 11 a.m.; Luncheon begins at 11:30 a.m.

Sterling Country Club, 16500 Houston National Blvd., Houston, TX 77095

Costs \$25 with advanced reservations; \$30 at the door

Houston, Texas (June 8, 2015) American Business Women's Association (ABWA) District 2 Vice President Francis Nicholson is slated to induct the new 2015-2016 Executive Board of the Cy-Fair Express Network (CYFEN) at the upcoming luncheon and networking July 23.

Nicholson is no stranger to the internal workings of a board, having been the Oklahoma City's Tu'Ya Chapter president for two years, vice president for two years and secretary for one year. She was selected as the chapter's Woman of the Year and was a Top Ten Nominee in 2012 and 2013. Nicholson led the Tu'Ya Chapter to Best Practices for two consecutive years while president. Her goal is to help chapters and Express Networks become more familiar with Best Practices and understand how it will benefit their leagues. She also makes it her personal mission to help other women step outside of their comfort zones by moving from the back of the room, to the front of the room, to become stronger and more confident in their personal and professional lives.

New inductees to the 2015-16 CYFEN Board include: President – Nicole Travis, Texas Realty Select; President-Elect/Vice President - Kristen Severson, Cool Hands Air Conditioning; VP of Communications – Michelle Becker, Shots for Holly; VP of Finance – Sonja Rucker-Hines, Amegy Bank of Texas; VP of Marketing – Shannon Winans, Redirect Magazine; VP of Membership – Ynske Joppe, Wildtree; VP of Programs – Donna McCarty, Misfit Designs; VP of Technology – Lynda O'Donnell, Texas Community Referral Network; VP of Outreach – Melissa Ward, Premier Designs; and Past President – Jessica Smith, Iberia Bank

"The Executive Board is just a small part of the overall membership of CYFEN; it is all of the members who make CYFEN a place to learn, grow and network," said Travis, outgoing President-Elect/Vice President.

"We are dedicated to making CYFEN a focal point in the Cy-Fair community that all professional women will want to be a part of. . . . Our goal is to create an atmosphere where members and potential members feel welcome and want to invite colleagues and friends."

She believes one of her favorite quotes by Robert Kerrigan, "The way of the world is meeting people through other people," truly exemplifies being a CYFEN member.

This month's CYFEN meeting begins with networking at 11 a.m.

followed with a prompt 11:30 a.m. start of the program. Luncheons are held at the Sterling Country Club, 16500 Houston National Blvd.

Cicadas are fairly large insects but can vary in size with some growing over 1 ½ inches. Color may also vary depending upon species, but many are brown or green. All cicadas have bulging eyes and, on adults, wings that are held roof-like over the body. The wings are semi-transparent with thick wing veins. The majority of their life cycle is spent underground.

Cicadas have 2-5 year life cycles and appear in Texas in mid to late summer. Females insert egg clusters into branches of trees using their saw-like ovipositor

(egg laying structure). Eggs hatch after about 6 weeks and small nymphs drop to the ground where they burrow into the soil. Nymphs feed on sap of tree roots with their piercing-sucking mouthparts. After becoming fully developed, nymphs emerge from the ground at night and climb onto nearby objects such as tree trunk, plants, fences, etc. Adult cicadas emerge from the last nymphal stage leaving behind the exuviae (cast skin). Adults can live 5-6 weeks.

Male cicadas are well known for their “song”. They rest on a tree and produce a whining sound to attract females. The sound is produced by two vibrating membranes on the side of the abdomen. Females do not “sing”. Adults feed on juices from tender twigs, but usually do not cause lasting harm to the plant from feeding.

Hosting An Exchange Student

Did you ever wonder what hosting a foreign exchange student is about? Well here it is in a nutshell....

Hosting an exchange student is a great way to learn about another country and culture without leaving your home town. It provides a cultural exchange experience for the entire family while providing a student from another country with a slice of American life.

Hosting an exchange student is like adding an international branch to your family tree. Many host families develop lifelong friendships with their exchange students and keep in regular touch with them. Some even visit them in their home countries, or invite them back for weddings and graduations.

Hosting an exchange student provides your family, your high school and your community with a direct window into another country and culture, providing an opportunity for life-long learning.

Families of all shapes and sizes can host an international exchange student. We've had host families with young children, no children, high school aged children – as well as empty nesters and single parent households.

Ayusa is a non-profit based in San Francisco that promotes global learning and leadership through foreign exchange and study abroad programs for high school students from around the world.

For more information about hosting a high school foreign exchange student, please contact your local representative Vicki Odom at 832.455.7881 or vodom@ayusa.org or Ayusa at 1.888.552.9872 or by visiting the website at www.ayusa.org.
