HURRICANE PREPAREDNESS *for Your Pets*

Don't forget to include your pets in your hurricane preparedness and evacuation plan. Storms can be scary for your animals, especially if they are moved out of their usual familiar environment.

Be sure to have their crate or carrying case ready along with extra bedding and toys. Bring along at least four days worth of food with dishes and one week of medications. Investigate pet friendly hotels or motels ahead of time to be sure they allow pets and do not have a number limit.

In addition, if you are not planning to leave your home and have the space, you might consider fostering one or two animals that may have nowhere to go during the storm period. After all, they ARE a part of the family.

HOSTING AN EXCHANGE STUDENT

Did you ever wonder what hosting a foreign exchange student is about? Well here it is in a nutshell....

Hosting an exchange student is a great way to learn about another country and culture without leaving your home town. It provides a cultural exchange experience for the entire family while providing a student from another country with a slice of American life.

Hosting an exchange student is like adding an international branch to your family tree. Many host families develop lifelong friendships with their exchange students and keep in regular touch with them. Some even visit them in their home countries, or invite them back for weddings and graduations

Hosting an exchange student provides your family, your high school and your community with a direct window into another

country and culture, providing an opportunity for life-long learning.

Families of all shapes and sizes can host an international exchange student. We've had host families with young children, no children, high school aged children – as well as empty nesters and single parent households.

Ayusa is a non-profit based in San Francisco that promotes global learning and leadership through foreign exchange and study abroad programs for high school students from around the world.

For more information about hosting a high school foreign exchange student, please contact your local representative Vicki Odom at 832.455.7881 or vodom@ayusa.org or Ayusa at 1.888.552.9872 or by visiting the website at www.ayusa.org.

Keep the Fun in Summer

At Neighbors, we know that sun and fun can turn into sunburn and injury if you're not careful. Slipping by the pool, overshooting the slide, canoeing without sunscreen, or an unexpected wasp sting can sour any good day. Luckily, Neighbors is there to treat you 24/7 with little to no wait time. Our Board Certified physicians will get you back to enjoying summer fun.
