OUR OCTOBER BUS TRIP PLANS ARE FOR:

Wednesday, October 21 will be a trip to Huntsville, Texas.

How many times have you driven by the Sam Houston Statue on I-45 and said to yourself, "Someday when I have more time, I'll stop and take a closer look." Well, someday has arrived! Our October Senior bus is taking us to the Town of Huntsville, Texas, where we will spend the first part of our day tracing the steps of Sam Houston's life and tour the town he chose to call home.

After a refreshing meal at a local Favorite, "The Farmhouse Café" with great home cookin' and amazing desserts, our focus changes to the other reason that gives Huntsville notoriety; the Texas prison System.

We will then tour the Texas Prison Museum, which houses many artifacts including: confiscated weapons, inmates arts and crafts and the infamous electric chair "Old Sparky". If our interest has been sparked—we can continue with a driving tour of the Texas Prison System, featuring 7 prison units located in the county, the old prison rodeo arena made famous in the movie "Urban Cowboy". The driving tour can also include the notorious Huntsville Walls Unit, which dates back to 1849 and housed such notable as Clyde Barrow

and John Wesley Hardin. The trip cost includes several different Museum Fees as well as Step-on Tour Guide Fee.

The cost of this trip is only \$10.00, plus the cost of your meal at The Farmhouse Café. The restaurant allows individual payments with cash or credit card. Payments for the trip need to be paid by October 7th.

Fall Festivities and Family Fun

The crisp fall weather is not quite here, but plans are already being made to create family-fun activities at Good Shepherd UMC. On September 13th from 5-7pm, we will be offering a fun Game Night for Adults, complete with lawn games like washers, horseshoes, and giant Jenga, as well as card games, Dominoes and Pokemo – fun for adults of all ages! Plus, we'll have a Food Truck on hand with an amazing menu you don't want to miss! Beginning in early October, keep a lookout for the much-awaited arrival of the pumpkins! Staged with harvest props and sunshine, the pumpkin patch provides a perfect background for your fall photos! The pumpkin patch is open daily, through dusk and offers an assortment of big, bright and beautiful pumpkins for sale. The Girlfriends Gift Market will return on Saturday, October 10th, 9am-4pm, and will include over 60 indoor/outdoor vendors featuring jewelry, yard art, hand-crafted goods, home décor, gourmet foods, boutique clothing &

more! The silent auction, bake sale and our kid vendors will create a festive backdrop for early holiday shopping. All proceeds will benefit local missions including Redeemed Ministries, Care Net Pregnancy Center and Boys and Girls Country. Watch for our youth who will begin collecting goods for the Homeless during November, and will be camping out for their Annual Camp for Christ on Dec. 5th, bringing awareness and much-needed donated goods to the Life Center for the Homeless. Advent is always an exciting time for our church and community, so mark your calendars for the Christmas at Good Shepherd Musical Event on December 13th. The annual Hot Dog Roast and Hayride planned for Friday, December 18th, has become a tradition within the Cypress community as the kick-off to the Christmas season. Visit: goodchurch.us for more information on these and many more events, or find us on Facebook.

TENNIS TIPS

By USPTA/PTR Master Professional
Fernando Velasco

With this issue, I will be offering tips on the fundamentals of the game of tennis. Kristen Somerholter, a Member of the Grey Rock Tennis Club shows the proper form and technique for the forehand groundstroke:

Step 1: Early Anticipation: The upper body turns with the right wrist slightly “cocked” back and level with the hip. Notice the eyes focused toward the incoming ball and the balance of the left hand in front of the body.

Step 2: Point of contact: Once the racquet starts accelerating, the right wrist is still slightly “cocked” back, but will have a small snap when making contact with the ball. Optimum point of contact is in front of the opposite foot. Notice that the eyes are still focused on the tennis ball and her weight has transferred to her left foot.

Step 3: Follow Through: Once the ball has made contact with racket, the arm needs to follow through for a long period of time to allow maximum compaction of the ball and help from the strings and the frame. Notice that the body has slightly turned watching where the ball is landing. The knee has flexed to allow more flexibility and power for the ball.

Step 4: Finish: If the racket has great momentum, let it continue following through the body and finishing it around the neck. This will allow for a more powerful impact and depth on the ball. The smile on her face shows that she hit a great shot!!

What Can You Do About Soliciting In The Neighborhood?

Many communities are ripe targets for solicitors – for a variety of reasons. While the Association has no real control over soliciting activities, we have tried to discourage solicitors from marketing in our community by placing “no soliciting” signs in common areas.

The reason that we cannot prevent soliciting is that the streets and roadways within the community are public access ways owned and maintained by the county. This means that no person or persons may be prevented from entering the community. Of course, if an individual or individuals are in the process of breaking the law, the Sheriff or other law enforcement officer can take immediate action.

Your Association recommends the following actions that every owner can take to discourage unwelcome soliciting in the community:

- Report all suspicious persons to the Sheriff's Department and request the deputies on duty be made aware of your concerns.
- Promptly remove all flyers left on your front or garage door.
- Promptly report to the Post Office all flyers left on the mailboxes.
- Refuse to make use of solicitors' offers and refuse to patronize any company being marketed in this manner.
- Notify the managing agent of any companies presently soliciting so that letters can be sent advising them of this policy of not permitting door to door soliciting (they will be reminded of the community newsletter and/or the Green Sheet as marketing options).
- Individual homeowners have the ability to place a small “No Trespassing/No Soliciting” sign at the entry to their homes. Should a solicitor continue to leave flyers, the homeowner then has the authority to file charges against the Solicitor/Company for trespassing on private property.

Where: Hearthstone Country Club located at 7615 Ameswood Circle in Hearthstone

Time: Lunch is served at 12:15pm; adjournment at 1:15pm.

Dates: We will meet on September 15, 22, and 29.

Join us for lunch, followed by a short, informative program. We welcome your visit and invite you to consider membership in this service oriented organization.

What is Kiwanis? Kiwanis is an international service organization focused on changing the world one child and one community at a time. Service is at the heart of every Kiwanis club, no matter where in the world it's located.

Why join the Cy-Fair Kiwanis Club? We serve this community through sponsoring Key Clubs for high school students, Builders Clubs for middle school students, and Aktion clubs for adults

with disabilities. Also, we sponsor Boy Scout and Girl Scout troops. We provide support to various other organizations in the community that serve children and families. Enjoy the pleasure of being a part of this service.

Kiwanis members have fun also. Members make new friends when they attend meetings and participate in social events. Kiwanis clubs also provide excellent networking opportunities for professionals.
