Keep the Fun in Summer

At Neighbors, we know that sun and fun can turn into sunburn and injury if you're not careful. Slipping by the pool, overshooting the slide, canoeing without sunscreen, or an unexpected wasp sting can sour any good day. Luckily, Neighbors is there to treat you 24/7 with little to no wait time. Our Board Certified physicians will get you back to enjoying summer fun.

The Flory Team's Realtor® Tips to **Beat the Heat** *without the A/C*

COOL OVER PRESSURE

Wrap a damp cloth around your wrists, neck and feet. Keeping these pressure point areas cool actually brings your overall body temperature down!

SUMMER BREEZE

Make yourself feel fine by adding ice to a large tub and using a standing fan to create your own personal A/C. This method is much more cost effective.

BEDTIME CHILLS

Try using a damp (not soaking wet) sheet as your primary blanket. This technique was used by ancient Egyptians as a night-time cooling technique.

ICE, ICE BABY!

By freezing your bottled water, you can instantly cool your body by holding it to your skin then, once it melts, hydrate yourself with the melted water!

5 Things to do Before Putting Your Home on the Market

1. Have a pre-sale home inspection. Be proactive by arranging for a pre-sale inspection. An inspector will be able to give you a good indication of the trouble areas that will stand out to potential buyers, and you'll be able to make repairs before open houses begin.

2. Organize and clean. Pare down clutter and pack up your least-used items. Store items off-site or in boxes neatly arranged in garage. Clean the windows, carpets, walls, lighting fixtures, and baseboards to make the home shine.

3. Get replacement estimates. Have big-ticket items that are worn out or will need to be replaced soon? Get estimates to replace - the figures will help buyers determine if they can afford the home, and will be handy when negotiations begin.

4. Find your warranties and surveys. Gather all warranties and user manuals, along with survey of the property.

5. Spruce up the curb appeal. Pretend you're a buyer and stand outside your home. What is your first impression? Lawn & bushes neatly manicured? Pretty flowers and plants framing the entrance? Replace dead or sorry looking plants and mulch.

Back To School

School starts in August, so now is the time for drivers to pay closer attention to the school zones in the neighborhood. We want to remind you that the speed limit in a school zone is 20mph and traffic fines double!

Other changes to be aware of include;

- Children behaving unpredictably
- School Bus Stops
- Crossing Guards – please obey the guards! Remember, they are there for the safety of you and your children
- New areas of traffic congestion
- Be prepared for delays
- Use of cell phones in schools zones is prohibited!

Please give yourself extra time in the mornings and mid-afternoons and remember if you are traveling in a school zone to slow down.
