Hosting an International Exchange Student

Submitted by Vicki Odom

Hosting an International Exchange Student is such a great experience for all of those involved. It leads to a better understanding between individuals of other cultures, hopefully branching its way out to a more peaceful global society. But don't just take my word about it, read about Nelva's experience and understanding of the exchange program.

I'm so lucky to have been placed with a great host family in Texas! The best part is when we share each other's cultures and have a lot of quality time together. I'm blessed to have chance to study in American High School.

Being an exchange student is hard. For the first couple days it was hard because I didn't know anybody, the moving class system is new for me and sometimes it's hard to understand what they say. But America is really friendly and handy so I got a lot of help from them. From the exchange program, people can really get to know each other, people start to respect each other and we can start a new chapter to have a better world.

So if you want to enrich your life, host an exchange student!

Nelva is from Indonesia and is spending the academic year here in Texas as part of the Kennedy-Lugar Youth Exchange and Study (YES) program. This program is funded by the US Department of State which provides scholarships for secondary school students from countries with significant Muslim populations. As part of her program year, Nelva is required to perform at least 60 hours of community service (however most YES students hours amount to hundreds of hours) and continue working with the program in her home country.

Our application process for the 2016 Spring Semester and 2016/2017 academic year will soon be opening. School spots in our area tend to fill up rather quickly, so get your application in early to host one of these amazing students!

Ayusa is a non-profit organization founded in 1981 to promote global learning and leadership through foreign exchange, study abroad, and leadership programs for high school students from the U.S. and around the world.

For more information about hosting a high school foreign exchange student, please contact your local representative Vicki Odom at 832.455.7881 or vodom@ayusa.org or Ayusa at 1.888.552.9872 or by visiting the website at www.ayusa.org.

The Houston Choral Society Announces 2015-2016 Season

Led by founding Artistic Director Dr. Betty Devine, The Houston Choral Society announces its vibrant and engaging 2015-2016 season. After more than fifty years on the platform, 28 years with Houston Choral Society, Dr. Betty Devine has announced her retirement effective at the end of the coming season. The Houston Choral Society encourages you to join them for her last concert season.

"The Houston Choral Society offers a season of variety, with refreshing and invigorating concerts," says Dr. Devine, "including collaborations with performers, choral groups, and the entire community. We are especially excited to end the season with Mozart's Requiem."

Shout for Joy! Saturday, October 3, 2015, 7:30 PM

The Houston Choral Society opens its 28th season with a collaboration with the Prairie View A&M University Concert Chorale. The first half of the concert explores African American Spirituals, highlighted by "Joyful, Joyful" from Sister Act 2 and Adolphus Hailstork's "Shout for Joy." The second half of the concert features softer expressions of joy by some of the world's most well-known composers including Rachmaninoff, Brahms, and Chesnokov.

Celebrate the Season! Saturday, December 5, 2015, 7:30 PM

The Houston Choral Society's Christmas concert has become an annual favorite for hundreds in our community. Our opening piece for this concert will be Johann Sebastian Bach's Magnificat with full orchestra. Other Christmas favorites include "Joy to the World," "O Holy Night," Rutter's "What Sweeter Music" and Handel's "Hallelujah" Chorus.

Believe! Sunday matinee, December 6, 2015, 3:00 PM

A family-oriented celebration of the season features "Believe" from Disney's The Polar Express, "Welcome Christmas" from Dr. Seuss' How the Grinch Stole Christmas along with many beloved carols and a favorite audience participation classic, "The 12 Days of Christmas." The Houston Choral Society is also pleased to welcome the Rosehill Christian School Choir. This choir composed of talented middle school and high school students will sing several holiday favorites and will join The Houston Choral Society for several joint numbers. This concert will be fun for the entire family – there will even be an appearance by Santa Claus.

A Celtic Celebration! Saturday, March 12, 2016, 7:30 PM.

Just in time for St. Patrick's Day, The Houston Choral Society presents Letters from Ireland. Drawing on actual texts of letters written from Ireland

to America, and weaving them into a fabric of traditional Celtic melodies, Mark Brymer has created a suite that is a powerful testament to the first generations of Irish immigrants to America. The concert includes many other Celtic favorites: "Loch Lomond," "Tell My Ma," and "Old Irish Blessing."

Mozart's Requiem Saturday, May 7, 2016, 7:30 PM.

The Houston Choral Society closes its season with one of the biggest, most beloved compositions in all of classical music, Mozart's Requiem. The Houston Choral Society will be accompanied by an orchestra and will be joined by an ensemble of celebrated guest vocalists. Perhaps as famous for the mysterious circumstances surrounding its composition as for the striking music itself, Mozart's Requiem Mass in D minor was his final composition and the consuming passion of his last months. The piece was written for an unknown patron, and Mozart reportedly came to believe in the end that he was writing the funeral work for himself. He passed away at the age of 35, leaving the Requiem unfinished but with significant compositional ideas in place and detailed instructions on how to complete the work.

Season subscriptions are now on sale. Season subscriptions are for four concerts; subscribers may choose which December Concert they prefer in their subscriptions. Season tickets are \$85 for adults, \$65 for seniors/students and \$30 for children 5 years old and under. Season tickets are available online at www.houstonchoral.org.

THE HOUSTON CHORAL SOCIETY (HCS) founded in 1987, is a not-for-profit professional-quality civic chorus serving the greater Houston area. The HCS mission is to bring great choral music to enrich the soul and advance the choral arts to Houston audiences. HCS was founded by Dr. Betty Devine, its current Artistic Director. HCS has completed five international tours performing in England/Scotland, Italy, Hungary/Austria/Czech Republic, Ireland, and Germany. In 2008, HCS commissioned and performed the world premiere of Dr. Adolphus Hailstork's Set Me On a Rock (Songs of Sanctuary) at the Wortham Theatre Center. The Houston Choral Society is a member of Chorus America, an association of professional and volunteer vocal ensembles and the Northwest Houston Visual and Performing Arts Alliance. HCS is funded in part by grants from Harris County and the Texas Commission on the Arts through the Houston Arts Alliance. To purchase tickets or for more information, please visit the HCS website at www.houstonchoral.org.

CLOTHES MOTHS

Clothes moths can cause considerable damage to materials containing wool, fur or other animal-derived products. There are two common clothes moths, case making clothes moths and webbing clothes moths. The names describe the larval (caterpillar) stage of the moth. Case-making clothes moths spin silken cases that they drag along with them while they feed. Webbing clothes moths feed within silken burrows that they spin over the surface of fabric.

Adults are small, tan moths about 3/8 an inch long. They are weak fliers and avoid light. Larvae like to feed in protected areas, such as folded clothing, and rarely leave their food source.

To reduce or avoid clothes moth problems, the following tips may be helpful:

Locate & remove any infested items.

Look in drawers & closets; on the floor; on or under furniture; on or in walls, ceilings & attics.

Launder or dry clean clothing.

Periodically shake & air out items such as rugs & clothing.

Use heat and/ or cold to kill insects in infested items.

Thoroughly clean storage areas.

Store clothing in tightly sealed containers.

Cedar is not that effective in repelling clothes moths.

Cedar must be freshly cut or chipped for vapors to be effective & vapors lose potency quickly.

Mothballs (naphthalene or paradichlorobenzene) can be used to repel insects.

Read & follow all label instructions.

Use only in sealed areas or closed containers.

Note that the fumes from these products may soften or melt some plastics.

Insecticide sprays can be used to supplement sanitation techniques.

Remove all items from the area before treating with an insecticide.

Allow area to completely dry before returning items.
