Fall Festivities and Family Fun

The crisp fall weather is not quite here, but plans are already being made to create family-fun activities at Good Shepherd UMC. On September 13th from 5-7pm, we will be offering a fun Game Night for Adults, complete with lawn games like washers, horseshoes, and giant Jenga, as well as card games, Dominoes and Pokeno – fun for adults of all ages! Plus, we'll have a Food Truck on hand with an amazing menu you don't want to miss! Beginning in early October, keep a lookout for the much-awaited arrival of the pumpkins! Staged with harvest props and sunshine, the pumpkin patch provides a perfect background for your fall photos! The pumpkin patch is open daily, through dusk and offers an assortment of big, bright and beautiful pumpkins for sale. The Girlfriends Gift Market will return on Saturday, October 10th, 9am-4pm, and will include over 60 indoor/outdoor vendors featuring jewelry, yard art, hand-crafted goods, home décor, gourmet foods, boutique clothing & more! The silent auction, bake sale and our kid vendors will create a festive backdrop for early holiday shopping. All proceeds will benefit local missions including Redeemed Ministries, Care Net Pregnancy Center and Boys and Girls Country. Watch for our youth who will begin collecting goods for the Homeless during November, and will be camping out for their Annual Camp for Christ on Dec. 5th, bringing

awareness and much-needed donated goods to the Life Center for the Homeless. Advent is always an exciting time for our church and community, so mark your calendars for the Christmas at Good Shepherd Musical Event on December 13th. The annual Hot Dog Roast and Hayride planned for Friday, December 18th, has become a tradition within the Cypress community as the kick-off to the Christmas season. Visit: goodchurch.us for more information on these and many more events, or find us on Facebook.

Come grow with us!

Partnerships for Children

Marques is a charming and quiet young man. He loves basketball and enjoys most all sports. He also enjoys riding his bike, playing video games and listening to music. He would enjoy being in a family that would provide activities for him to be active, especially sports. He would like to have a Mom that is caring and loving. He would also like to have a father that will do "guy things" like playing basketball and camping.

Adopting a child from the foster care system requires little or no cost to the adoptive family and funding may be available to help the adoptive family support the child or sibling group.

The Heart Gallery of Central Texas is a program of Partnerships for Children. To learn more about the adoption or fostering process, please call the Heart Gallery of Central Texas at (512) 834-4756, email heartgallery@partnershipsforchildren.org or visit our website at www.partnershipsforchildren.org

CLOTHES MOTHS

Clothes moths can cause considerable damage to materials containing wool, fur or other animal-derived products. There are two common clothes moths, case making clothes moths and webbing clothes moths. The names describe the larval (caterpillar) stage of the moth. Case-making clothes moths spin silken cases that they drag along with them while they feed. Webbing clothes moths feed within silken burrows that they spin over the surface of fabric.

Adults are small, tan moths about 3/8 an inch long. They are weak fliers and avoid light. Larvae like to feed in protected areas, such as folded clothing, and rarely leave their food source.

To reduce or avoid clothes moth problems, the following tips may be helpful:

- Locate & remove any infested items

- Look in drawers & closets; on the floor; on or under furniture; on or in walls, ceilings & attics

- Launder or dry clean clothing

- Periodically shake & air out items such as rugs & clothing

- Use heat and/ or cold to kill insects in infested items

- Thoroughly clean storage areas

- Store clothing in tightly sealed containers

- Cedar is not that effective in repelling clothes moths

- Cedar must be freshly cut or chipped for vapors to be effective & vapors lose potency quickly

- Mothballs (naphthalene or paradichlorobenzene) can be used to repel insects

- Read & follow all label instructions

- Use only in sealed areas or closed containers

- Note that the fumes from these products may soften or melt some plastics

- Insecticide sprays can be used to supplement sanitation techniques

- Remove all items from the area before treating with an insecticide

- Allow area to completely dry before returning items
