

NATIONAL NIGHT OUT

National Night Out (NNO) is a community building campaign designed to:

- Heighten crime prevention awareness
- Generate support for, and participation in, local anti-crime programs
- Strengthen neighborhood spirit and police-community partnerships
- Send a message to criminals letting them know that neighborhoods are organized and fighting back.

It's always a good idea to know your neighbors and feel sure that there are several sets of eyes watching the neighborhood. This year plan to come out and meet your neighbors, pick up some information about activities and even meet and hear from one of the Brazoria County Sheriffs deputies who may visit with recommendations about how to keep your home safe. This year National Night will be held Tuesday, October 6, 2015. Watch the website www.silverlakehoa.com for specific and individual neighborhood locations and times. Help to make Silverlake a great place to live.

sure to come along, rain or shine! Not only is this a great event but it also raises money for our PTA programs and school resources. More information will come home in the children's folders in October.

BOOK FAIR

We love encouraging our students to enjoy reading here at Silvercrest! One of the highlights of our reading activities is our Book Fair to be held November 2nd -4th from 7:30am-2:30pm and November 5th from 7:30am – 6:30pm. This is a great opportunity for our students to buy some fantastic new books. During the weeks leading up to the Book Fair, the children will be watching a video during their class library time of this year's highlighted books. They will also be bringing home a Book Fair flyer, so look out for this in your child's folder. The children can then write their Book Fair wish lists of the books they would like to purchase. Your child's teacher can let you know when their class will be visiting Book Fair.

Please note that parents cannot pull their child out of class to shop, but they are welcome to shop with their child during their class's time at Book Fair. Alternatively, parents have the option to come in before school and shop with their child, or come after school until 6:30pm on Thursday, November 5th for the late night. This is great way for parents to share in the experience and help your child select from the huge number of titles and other items available at the Book Fair. We will also need many volunteers to help with Book Fair set-up and during the week of the event. Please contact Myra Tijerina at myratijerina@yahoo.com for more information. Hope to see you all there!

COMMUNITY OUTREACH / FOOD DRIVE

Time to give something back to the wonderful community we live in. Silvercrest Elementary PTA fall food drive benefiting the Pearland Neighborhood Center will be held November 2nd through 13th. Information about what items will be collected this year will be sent home with students. The grade level that brings in the most items will be recognized with a healthy snack. Thanks in advance for your generous participation in this food drive! If you have questions, please contact Shelley Waguespack, Community Outreach Chair, at 713-516-7285 or sandswaguespack@yahoo.com.

HOST AN EXCHANGE STUDENT!

Hosting an International Exchange Student is such a great experience for all of those involved. It leads to a better understanding between individuals of other cultures, hopefully branching its way out to a more peaceful global society. But don't just take my word about it, read about Nelva's experience and understanding of the exchange program.

"I'm so lucky to have been placed with a great host family in Texas! The best part is when we share each other's cultures and have a lot of quality time together. I'm blessed to have chance to study in American High School. Being an exchange student is hard. For the first couple days it was hard because I didn't know anybody, the moving class system is new for me and sometimes it's hard to understand what they say. But America is really friendly and handy so I got a lot of help from them. From the exchange program, people can really get to know each other, people start to respect each other and we can start a new chapter to have a better world."

So if you want to enrich your life, host an exchange student!

Nelva is from Indonesia and is spending the academic year here in Texas as part of the Kennedy-Lugar Youth Exchange and Study

(YES) program. This program is funded by the US Department of State which provides scholarships for secondary school students from countries with significant Muslim populations. As part of her program year, Nelva is required to perform at least 60 hours of community service (however most YES students hours amount to hundreds of hours) and continue working with the program in her home country.

Our application process for the 2016 Spring Semester and 2016/2017 academic year will soon be opening. School spots in our area tend to fill up rather quickly, so get your application in early to host one of these amazing students!

Ayusa is a non-profit organization founded in 1981 to promote global learning and leadership through foreign exchange, study abroad, and leadership programs for high school students from the U.S. and around the world.

For more information about hosting a high school foreign exchange student, please contact your local representative Vicki Odom at 832.455.7881 or vodom@ayusa.org or Ayusa at 1.888.552.9872 or by visiting the website at www.ayusa.org.
