Cypress Ranch Key Club New Year's Resolutions!

*By Cypress Ranch Publicity Chairmen: Emily Yang, Hanna Lee,
Katie Kim, and Chris Rodriguez*

Key Club has been one of the most influential organizations for volunteering and has reached out to a multitude of countries by unifying students to help their community. They have continued to show their compassion through numerous volunteering events. Also, their club has grown and spread worldwide. Next year, the Cypress Ranch High School's Key Club is planning to accomplish numerous service projects for various charities.

Cypress Ranch Key Club concluded the year with an event called "Trick or Treat for UNICEF" where members collected change as they went trick or treating and a social at Orange Leaf where we collected toys for a program called "Toys for Tots". This program gives donated toys to less fortunate kids in the community so they can hopefully have a merry Christmas.

The Cypress Ranch Key Club will undoubtedly keep expanding and staying together as a volunteering family. The first project they are planning to do is the "pie in the face" event in January. Students pay to see their fellow Key Club members get pied in the face! For every fundraising goal met, an officer of higher position will get pied. In January, they will prepare for a candy fundraiser by buying and stuffing

bags of candy. The proceeds will help fund Key Club's annual District Convention or DCON. The Divisional Ad is being created by our web masters and will be done by the end of December. Executive officers discussed the possibility of a social with the Salyards Middle School Builder's Club. This is an excellent way to expand the K-Family and to inspire them with the importance of serving our community.

Additionally, their Key Club is dedicated to helping those in need including the elderly, infants and families everywhere. They have been collecting Walmart gift cards from the members so we could purchase groceries and holiday items for families in need. Officers then brought up the idea of helping the Grace Care Center Nursing Home. They are also planning on raising items during a donation drive to fill disaster backpacks. In March, their Key Club is organizing a March of Dimes to raise money by holding runs that people can donate and participate in. The March of Dimes Foundation is an organization fighting against premature birth and birth defects. Our Key Club hopes to impact our community in a positive aspect as we continue to volunteer next semester and begin an awesome year of service.

The Benefits of Hosting Span Borders

Traveling the world and experiencing new cultures is something many dream of but few are able to do. Hosting an Ayusa exchange student provides the opportunity to experience the world while bringing other benefits to their family and local community.

For schools, opening their doors to an exchange student provides their students the opportunity to experience new cultures and expand their understanding of the global society. Not only will students be able to expand their circle of friends, they will be able to reference different perspectives of world events. The new perspectives that both local and exchange students gain through the exchange experience are invaluable for the ever-expanding global community.

Ayusa exchange students are eager to learn and participate in school and community programs. They take their role as ambassadors for their country seriously. Ayusa students are not simply bystanders to their program year; they are active participants looking to make a difference in their host school and community.

Ayusa exchange students are strong academic performers, well-rounded, and open-minded. Prospective students go through an extensive interview process in their home countries and are evaluated for maturity, strength of goals, leadership skills, and

academic background. Ayusa honors all school enrollment standards, academic requirements and student placement criteria specified in school or district policies.

Host families also reap the benefits of opening their home by sharing their America. When they share with their exchange student, they are also able to see America with fresh eyes through the student. Families often learn new things about the U.S. and have different perspectives after hosting. The experiences and memories that are shared during the program last a lifetime and span international borders.

For more information about hosting a high school foreign exchange student, please contact your local representative Vicki Odom at 832.455.7881 or [HYPERLINK "mailto:vodom@ayusa.org"](mailto:vodom@ayusa.org) vodom@ayusa.org or Ayusa at 1.888.552.9872 or by visiting the website at www.ayusa.org.

ABOUT AYUSA

Ayusa is a non-profit educational organization that promotes global learning and leadership through foreign exchange and leadership program programs for high school students from around the world. Ayusa offers unique, richly personal cross-cultural experiences for students, volunteer host families, schools, and local communities.

Community Newsletters

About Peel, Inc.

Peel, Inc. specializes in publishing community newsletters for neighborhoods and homeowner associations. Our goal is to help build communities by connecting local businesses with residents and residents with relevant neighborhood information. We currently work with over a hundred communities and homeowner associations throughout the state of Texas. You can find us in Austin, Houston and San Antonio. To view our coverage map visit us online at www.peelinc.com.

Professional Quality

Our newsletters are designed using industry-standard tools like Adobe InDesign, printed on offset presses, folded, and saddle-stitched. This produces a higher-quality professional-looking newsletter than consumer-level tools like Microsoft Publisher and high-speed copiers. By mailing the newsletters directly to the residents we eliminate the need for costly door-to-door delivery services.

Reputable History

Peel, Inc. has been in business since 1977 and printing community newsletters continuously for over 24 years. That's twenty-four years of working with community leaders, homeowner associations, neighborhood associations, and management companies to help them communicate

effectively with their residents. Twenty-four years of working hand-in-hand with local editors ensuring articles are informative and relevant to the residents. Twenty-four years of helping local businesses advertise their presence. Twenty-four years of helping build communities.

Advertising:

Advertising is an investment in the growth and future of your business. Consumers who buy products or services from businesses like yours almost always buy them from a business that they knew about before their need occurred. Advertising increases the likelihood that more consumers will know who you are when they are ready to buy.

Advertising has other important benefits: it helps defend your revenue from competitors, it encourages repeat business, it can improve employee morale, and make it easier to hire the best people.

So should you advertise? Absolutely. The trick is finding the right medium for your business and budget. It's vital that whatever you choose, the media must reach enough of the right people, reach them frequently, and reach them with a compelling enough message to stick in consumer minds. Advertising monthly in a community newsletter is a great way brand yourself as well as reach people near your place of business. Call 512-263-9181 and start today.

Cypress Spotlight

The Cypress Spotlight is a quarterly supplement inserted in to all of our Cypress area newsletters and has a reach of 15,000 homes. Advertising is exclusive to only one business in their respective field. The next issue will go out in April. Call to reserve your space today: 512-263-9181.

Thank you so much for guiding me through the ad process! This was the first time that I've advertised my tutoring in a publication and you made it so easy! Your team did a great job of creating the ad - it looks very professional and it was extremely effective! I only ran my ad twice and the students who found me through your publication have already more than compensated me for the cost of the ad. Thank you!
