# ACUPUNCTURE

Acupuncture and Traditional Chinese Medicine (TCM) are safe, effective and drug-free options for the treatment of most non-emergency medical conditions. Whether you're new to acupuncture or have years of experience, acupuncture can help your general health.

## What is acupuncture?

Acupuncture is a form of treatment involving the use of very fine filiform needles that are inserted into certain specific points of the body. This stimulates the body to increase circulation and activate the body's own natural healing process. Acupuncture can be used to treat a wide range of conditions and illnesses and is a wonderful option when western medication does not work or is not tolerated.

## What to expect?

Acupuncturists often use additional techniques, such as tui-na, cupping and moxibustion, in conjunction with acupuncture. Tui-na is a form of Chinese manipulative therapy, consisting of massage, acupressure and other forms of body manipulation. It works by applying pressure to acupoints, meridians and muscles or nerves to remove blockages that prevent free flow of Qi (energy) through the body. Cupping involves the use of glass globes placed on the body to create a suction effect. The vacuum effect that draws up the skin is believed to open up the skin's pores to stimulate the blood flow to the muscles, balance and realign the flow of Qi. Cupping may result in small, circular bruises in the area where the cups were applied, but these bruises are usually painless and disappear within a few days after the treatment. You may have seen these cupping marks on the back of the Chinese Olympic swimmer Wang Qun at the Beijing Olympics in 2008! Finally, moxibustion is a traditional therapy that involves the burning of moxa made from dried mugwort, a soft and wooly herb, to penetrate to a deeper level of the body. Moxibustion has been used throughout Asia for thousands of years; in fact, the actual Chinese character for acupuncture, translated literally, means "acupuncture-moxibustion".

## What about herbal medicine?

Chinese herbal medicine refers to the use of a plant's seeds, berries, roots, leaves, bark or flowers for medicinal purposes. Traditionally,

this involves formulating a mixture of various herbs to create a formula based on a patient's specific needs. These herbs can be taken in the form of herbal tea after boiling the herbs in hot water to extract the active ingredients. Although herbal medicine is still widely used and available, formulations in the form of tablets or capsules are more convenient and have become more popular these days.

## What conditions can be treated?

Acupuncture and Traditional Chinese Medicine (TCM) is most commonly used to treat pain caused by various illnesses such as arthritis, bursitis, fibromyalgia and PMS. It can be very effective for treating migraine, back pain, neck pain, frozen shoulder and sciatica. Acupuncture can also achieve good results when treating stress related problems such as insomnia, anxiety and depression. It is an effective way to treat substance abuse, reduce substance dependencies (e.g. pain killers) or help you to quit smoking or reduce weight. Acupuncture may also be used as an adjunct to physical rehabilitation or surgical intervention to hasten functional recovery. Talk to your licensed Acupuncturist about what acupuncture and TCM can do for you. ## Finding Connection

Do you remember your last first date? I know, for many of you that seems like it was eons ago! Take a minute and try to recall what went through your mind.

For most of us, there were thoughts of, "What if he doesn't think I'm pretty?" Or, "Will he think I'm smart enough? ...Funny? What if he thinks I'm boring?" Take your pick, and fill in the description. Male or female, old or young, we've all worried about these things at some point.

Every self-help book tells you that you need to love yourself before you can make a connection with another person. But how? How do you learn to find that connection within yourself so that you can learn to find connections with others?

For me, it was when I began working with horses. I learned a few simple, but profound, facts about horses. Horses don't judge, and are not impressed by a pretty face. They don't care about the car you drive, what your job is, or how much money you make. There are no concerns about race, sexuality, or religion. All a horse wants to know is, "Can I trust you to keep me safe?" and, "What's in it for me?"

These amazing creatures are incredibly similar to humans in that

they instinctively crave the connection formed with other beings. Through my journey into the world of Natural Horsemanship, I learned that horses are deeply intuitive creatures who can read you just by reading your body language and intent.

Working with these creatures teaches you so much about yourself.

For instance, working with a creature that weighs over 1000 lbs. makes you feel strong and confident. When a horse chooses to interact with you, you feel honored and special. When a horse offers you his trust, you feel love. And, if you mess up or make a mistake? Well, horses are the consummate teachers of forgiveness. They don't hold grudges or cast blame. They just move on. Really, there's a lesson in life everyone should learn.

Learning to love yourself is imperative to finding and establishing connections with others. Learning how to love yourself is a journey in itself. Begin your journey this month, and enjoy the ride.

Tara Chatterson works at Five Horses, LLC in Waller, Texas. To find out more about how horses can help you and your relationships, check out the natural horsemanship program, as well as the equine-assisted learning workshops provided here: [www.fivehorses.com](http://www.fivehorses.com)

A quick REMINDER to file your HOMESTEAD EXEMPTION if you bought a home in 2015 and claim the property as your primary residence. This will entitle you to a [property tax reduction](#). Filing deadline with the Harris County Appraisal District is April 30.

Feel free to call me if you need the form or any other additional information.

## THE PLAIDS RETURN FROM THE AFTERLIFE TO PERFORM AT THE HOUSTON FAMILY ARTS CENTER

*Stuart Ross's Off-Broadway Musical "Forever Plaid" is being resurrected on the HFAC Garza Main Stage*

Stuart Ross's, "Forever Plaid", is one of the most internationally popular Off-Broadway musicals to hit the stage, and it's coming to the Houston Family Arts Center. This nostalgic, 50's revue opens on the Garza Main Stage January 29, 2016 – February 21, 2016.

"What is amazing about this show," says director Eric Domuret "is how it makes me feel. So many memories, successes, and life experiences have come from this show. This show and its legacy preserves so perfectly the heart of the generation of the 1950s that had big dreams and felt their decency and hard work was enough to get them there. What better way to preserve it than experiencing it, and making it take hold in the here and now in the hearts of a new generation. What makes this production unique is how much it is like the original production from the early 90s. The original Plaids have handed down their direction, traditions, and intricacies that cannot be discovered outside of this legacy. This is what is being brought to HFAC."

Frankie, Jinx, Sparky, and Smudge are The Plaids. One the way to their first big gig, their cherry red '54 Mercury collided with a school bus, and The Plaids were killed instantly. Now, they've come back to Earth for one final performance. Don't miss this charmingly fun show as The Plaids' sing some of the greatest hits of the 1950's including: "Three Coins in the Fountain," "Chain Gang," and "Heart and Soul" to name just a few!

The guardian angels of The Plaids' are Eric Domuret (director/choreographer), Jesse Lozano (music director), Michael Montgomery (producer), Mary Balest (costume design), Amelia Templeton (scenic design), Ron Putterman (lighting design), David Dean (sound design), Alex Brokmeyer (stage manager), and Mitch Lawyer (bassist).

The posthumous harmonic quartet includes: Eduardo Tercero (Frankie), Daniel Rosales (Jinx), Brian Chambers (Sparky), and Taylor Fisher (Smudge). Fisher has appeared in several HFAC shows recently as The Baker in "Into the Woods," John Adams in "1776,"

and Javert in "Les Miserable." Tercero, Rosales, and Chambers are all newcomers to the Garza Mainstage. Eduardo Tercero is known in the Houston opera community for his vocal work with the Houston Chamber Choir, Houston Symphony, and Ars Lyrica. Daniel Rosales is a recent musical theatre graduate from Sam Houston State University and has been seen at Stages Repertory Theatre and the former Masquerade Theatre. Brian Chambers is a director and teacher for the Cypress Academy of Performing Arts.
