Home Organizing and De-cluttering Tips

February is a great month to organize and de-clutter your home. Maybe this task is a specific New Year's resolution for you, if not, we bet it ties to one! (e.g. stress less = decrease clutter; exercise more = find your exercise clothes more easily!). Here are a few simple organizing strategies:

Bathroom

1. Control hair product clutter: give unwanted supplies to a friend or donate to charity. Use a plastic tub for your supplies and place it under the sink. When you fix your hair, the whole tub can be taken out and put away.

2. Add style and function with apothecary jars: cotton swabs, Q-tips, and bath salts look great in clear containers, and are handy for guests.

Bedroom

1. Opt for storage under the bed: incorporate sliding or rolling under bed storage bins. These are perfect for your seasonal attire and bulkier items like backpacks, purses, and blankets.

2. Toy proof a child's bedroom: utilize canvas clothes hampers or crunch baskets to organize toy clutter. Use different sizes, small for books and large for balls or stuffed animals.

Living Room

1. Coffee table functionality: if your coffee table has drawers, use them for magazines, remotes, coaster, etc. If not, add low storage cubes rolling baskets or bins for under the table.

2. Creatively display photos: if you have a lot of small photo frames, display them in new ways such as collage frames, a digital photo frame, or hang frames on the wall.

We hope these tips help you attain your New Year's resolutions, or simply make you feel calm and clutter-free and your home! May your February be one of organization and peace!
