Woodwind Lakes Annual Easter Egg Hunt

The Woodwind Lakes Annual Easter Egg Hunt will be held on Sunday, March 20 at 4pm. Plan to arrive between 3:45 and 4pm so you don't miss out on the hunt! The Easter Bunny will be on hand for photos and snow cones will be sold. Hunts will be conducted by

age so everyone has a good time. Bring your kids, grandparents, family, and neighbors to help us find 2,000 Easter Eggs! Everyone is welcome.

Hunting sections will be roped off and eggs will be hidden between 2pm and 3pm. Anyone who would like to volunteer and assist with this, meet us at the Pavilion, next to the tennis courts, on Allegro Dr. The more the merrier! If you have any questions, please contact Dana Patterson at greg.dana.patterson@gmail.com.

Join the Rolling Fork Swim Team!

Although our days are still chilly, we are already making plans for the 2016 swim team season! The Gator swim team is open to any neighborhood that does not have their own swim team and that includes Woodwind Lakes! For over 15 years, many Woodwind Lakes residents have joined the Gators for the easy commute (just a bike ride down the street) and the benefit of smaller numbers where everybody "knows your name." The mission of our team is to provide our local neighborhood children with a recreational team that endorses swimming as a safe, fun, and healthy way to spend time in the summer while learning good sportsmanship, proper swimming technique and fostering community spirit. We are a small team with a big heart.

Online registration opens on March 1st at www.RFGators.com with practices beginning April 18. We welcome new swimmers and their families. To join the Gators, a swimmer must exhibit a willingness to work with the coaches and be able to follow instruction. They need to feel comfortable in the pool including putting face in water, blowing bubbles, and can keep head above water without assistance. To remain on the team, a swimmer must be able to swim

the length of the pool by time trials in May (this can be done by using lane ropes, if necessary). We have swimmers as young as 4 years of age - 18 compete. The Gators offer a trial period with a registration refund so there is no reason not to give us a try!

To kick-off our season, the Gators will be offering a FREE "Spring Fling" with an egg hunt, games, bunny photos, raffles, and fun (snow cones will be for sale, too!) on Sunday, March 6 from 4pm-5pm at the Windfern MUD Building (Mauna Loa at Gessner). All parents/children in the community are invited to attend. Team representatives will be there to answer questions and on-site registration kiosks will be available. Don't forget to bring your baskets!

Last but not least, if you are or know of a business that wants to support our non-profit organization, aimed at keeping kids busy, active, and supervised, please contact Kim Flaviani at kimflav@yahoo.com. We try to keep the registration fees low so all families can participate and we survive on the donations of generous sponsors. For more information about our schedule, see our parent expectations, or our sponsor links go to our website at www.RFGators.com.

Woodwind Lakes Pavilion/Adult Pool

It is not too soon to be thinking ahead and planning a date for using the Pavilion or Adult Pool in 2016 for a special event.

I have my calendar out and already have one event scheduled.

The properties are located at 7523 Allegro.

Also, remember that the gates no longer use a key card. The gates now have a code. If you need to know the code, please contact Sterling and Associates at (832) 678-4500.

I look forward to scheduling an event for you in the New Year.

TEXAS A&M AGRI LIFE EXTENSION

The best way to avoid getting the virus is to avoid being bitten by infected mosquitoes. About 20% of people with Zika virus actually get ill. Severe disease, requiring hospitalization, is uncommon and death due to the virus is rare.

The incubation period of Zika virus is thought to be a few days to a week, but is still unknown. Symptoms include fever, skin rash, conjunctivitis, muscle and joint pain, and headache. Symptoms tend to be mild and last from 2-7 days. Zika virus can be contracted through the bite of an infected mosquito, through blood transfusions, through sexual contact, and from mother to child during pregnancy.

The mosquitoes that are able to transmit Zika virus are also able to transmit dengue and Chikungunya viruses. These mosquitoes are daytime biters, but can also bite at night. Aedes mosquitoes lay their eggs in standing water- buckets, tires, tree holes, animal water dishes, etc.

Zika virus is transmitted by Aedes mosquitoes and there is no specific treatment or vaccine currently available.

Zika Virus

To protect yourself from mosquito bites, wear light-colored clothing that covers as much skin as possible, use insect repellent (read and follow label instructions), use screening on doors and windows, use mosquito netting (if needed) while sleeping, and reduce standing water areas.

For more information on Zika virus, please see the CDC website here <http://www.cdc.gov/zika/index.html>

RECAP OF WOMEN'S CLUB SPEAKER LOUISE HAYES

On January 19, 2016 members of the Women's Club of Woodwind Lakes and other residents and non-residents attended a presentation by Louise Hayes on "Brain Growth and Repair at Any Age." It was a tremendous success! Louise demonstrated several exercises on relaxation, breathing, same-opposite-same movement, eye-hand tracking, brushing the brain (really interesting) and the power of words. She gave amazing examples of people who have been helped by these procedures. A DVD of this presentation as well as ones on "Health and Healing," "Balance, Gait, Posture, Back Comfort" and "Stroke Recovery" may be purchased on her website LouiseHayes@BrainGrowthandRepair.com.

Louise has written booklets on many other topics, which are also sold on her website. Many of were purchased by those attending the presentation. These are clearly written in great detail and are easy to do.

Her frequent workshops are open to the public free of charge. A schedule may be found on her website. She has private sessions for individual concerns and also does academic and behavioral tutoring.
