Eagle Scout Project

An Eagle Scout project provides the opportunity for a Scout to demonstrate leadership skills while completing a project that benefits his community. Saturday, January 6th, Joey Hubbs inspired many volunteers in Fairfield to follow his plan and leadership in order to enrich his community. He organized the resources necessary to improve the facilities at a local animal rescue, Remington Acres. This required planning, fund raising, recruiting volunteers and many hours of effort to successfully complete the project. Remington Acres is a 52 acre Equine Sanctuary that rescues animals from slaughter, neglect and abuse, and searches for good homes for them.

We, the volunteers of Remington Acres, that care so much for the welfare of the animals there, would like to thank Mr. Joey Hubbs for his dedication and commitment to his community and contributing to the improvement of the facilities. We appreciate all the hard work and effort by you, your family and the wonderful volunteers that supported your project!

Fairfield's Fifty Plus Fun-Loving Group

THE FAIRFIELD SENIORS

The Seniors of Fairfield are an active, fifty plus, fun-loving group of couples and singles who enjoy fellowship, monthly trips, and various activities together. If you or your spouse is fifty or older, a newcomer to Fairfield Village or have lived here in Fairfield for some time but have never attended one of our functions, you are cordially invited. Come and be a part of our fun-loving group. We're sure you will enjoy it.

OUR HISTORY: Over these past ten plus years we've taken over a hundred trips. The Fairfield Gazette's web site has back issues available from September, 2004. In order to go back to our beginning, we must thank Kelly Peel of Peel Inc. for locating all our articles from their archives and sending them to us. We now have every article submitted, which enabled us to put together Our History and a complete listing of all our trips. Just go to Our History in our weekly email to read about our beginning and all the trips we've taken. You can get the complete listing at... <http://home.comcast.net/~seniorgroup/History.htm>

OUR APRIL BUS TRIP PLANS WERE FOR:

Thursday, April 7 it is now Friday, April 8.

Our April Bus trip Date and Itinerary has changed due to a Scheduling Hiccup. We will still be doing a dinner and Theatre trip, but the Date is Friday April, 8th, and the Play is called "Second Samuel" at The College of the Mainland Theatre.

The Play, "Second Samuel" is a comedy-drama, about a sleepy little South Georgia town in the late 1940's. Nobody could have imagined how the death of one little old lady would turn the entire town upside down, leaving everybody in the town of Second Samuel wondering if anything would ever be normal again!

The cost of this trip is \$22.00, plus the cost of your meal. The Dinner Restaurant is still to be determined, and will be announced on the Fairfieldfiftyplus.com Website.

We hope you have been checking our web site and the trip page. Because, it will be too late to sign up for this trip by the time you read this. Our web site provides updated information on any changes from what appears here in the Gazette.

OUR MAY BUS TRIP PLANS ARE FOR:

Thursday, May 5, a theater trip Texas Repertory Theatre.

Good Food, relaxing atmosphere, friendly conversation and companionship, topped off with affordable entertainment and somebody else doing the driving! That's what our Fairfield 50+ senior group bus trips are all about!

Our May 5, 2016, bus excursion is taking us to the Texas Repertory Theater, to see a theatre classic by Noel Coward called "HAY FEVER". Eccentric family, weekend guests, parlor games and romantic upsets; just the right cocktail for melodrama! Don't miss this delightfully infectious comedy about a weekend getaway gone awry.

We will be dining before the play at Clementine's Restaurant. Established in 1977, Clementine's longevity is indicative of its great food and attentiveness to service. Your buffet meal is included in the total trip cost.

The cost of this trip is \$40.00, which includes your meal at Clementine's Restaurant. Payment for this trip is due by April 21st.

To sign up for this trip please look for the sign-up sheet at any of our Fairfield Fifty Plus club activities or you may call or email: Deb DeJarnette: at Home: 832-220-6155 or Cell: 217-737-0881, email: debslib@hotmail.com. When emailing sign-up requests, please remember to add your phone number(s), addresses, and the name and phone number for your emergency contact person for the day of the trip. (The Harris County Precinct 3 Transportation Department needs this information on every trip)

Checks are to be made out to: Fairfield 50 Plus. Checks can be given to: Deb DeJarnette. They can also be mailed to Deb DeJarnette at 20630 Tulip Blossom Court, Cypress, Texas 77433.

Please note that we are unable to refund cancellations.

We will depart: from the Fairfield Baptist Church, located at 27240 Highway 290. Please park in the southeast parking area, by the fence bordering the storage business. There is also convenient entrance off Cypresswood Drive. We will depart promptly at 4:30 p.m. please be there by 4:15 p.m.

OUR APRIL ACTIVITIES PLANS:

Thursday, April 14: Pot Luck at Lakeside Trails Club House.

It's at the Lakeside Trails Club House and starts at 6:30 p.m. However, plan on being there early. Doors open around 6:00 p.m. for socializing and fellowship. Then plan on staying and join many of our members that stay to play games or socializing after the meal and to finish up the desserts.

Thursday, April 28: Game Night at Lakeside Trails Club House.

8TH Annual Salute to Our Heroes Gala

On February 13, 2016, the Cy-Fair Educational Foundation (CFEF) held its 8th Annual Salute to Our Heroes Gala at the Omni Hotel Houston Westside raising over \$100,000.00 to benefit graduating seniors from the Cypress Fairbanks ISD.

Cypress Woods High School AFJROTC was chosen to Present the Colors and the Missing Man Table and Honors Ceremony. Tina Clinkenbeard, CFISD Teacher, sang the National Anthem. State Representative Allen Fletcher gave the invocation and Senior Ryan Lancaster, from Cy-Fair High School, played TAPS.

Kevin "Dauber" Lacz, former Navy SEAL sniper and combat medic was our guest speaker for the evening. Lacz spoke from the heart about his experiences as a Navy SEAL and the impact his service in the military had on his life. As a Certified Physician Assistant, Lacz uses his past experiences to facilitate his work in medicine and charity, and actively seeks to support service members and veterans in his community. Lacz inspired us all with his motivational story, winning attitude and continued commitment to service.

Joe Myers Ford Lincoln generously underwrote this year's Salute to Our Heroes Gala and we are grateful that they have agreed to underwrite this event in 2017. Cypress Fairbanks Medical Center Hospital and North Cypress Medical Center were Major General Sponsors this year. Salute to Our Heroes has raised more than half a million dollars over the past eight years, funding several endowed scholarships for students graduating from the Cypress Fairbanks ISD.

CFEF was established in 1970 as a non-profit to raise money to fund a scholarship for high school graduates in the area. Over the past 46 years, the Foundation has grown tremendously through the efforts of the Board of Trustees and the generosity of the Cy-Fair Community. The Foundation has awarded more than \$6 million in scholarships to 1300 graduating seniors. CFEF is a 501(c)3 non-profit organization, all contributions are tax deductible, as allowed by the law.

For more information please contact marie@thecfef.org or visit our website at www.TheCFEF.org.

The 28th Annual B. F. Adam Golf Classic, benefiting the Cy-Fair Educational Foundation (CFEF), will be held on Thursday, May 12, 2016, at Blackhorse Golf Club. Cypress Fairbanks Medical Center Hospital has been generously underwriting this tournament since 2010. Returning as Platinum Sponsors, for 10 years or more, are Linebarger Goggan Blair & Sampson and IBI Group. KME Salas O'Brien, LLC has been a Gold Sponsor since 2013.

The B. F. Adam Golf Classic is one of the largest non-celebrity tournaments in the Houston area. Through this tournament, with the support of our community business partners, the Foundation has raised over \$2.6 million to provide scholarships for graduating seniors from Cy-Fair ISD.

CYPRESS RANCH HIGH SCHOOL CONCERT CHORALE

The Cypress Ranch High School Concert Chorale, directed by Cynthia Douglas and Nick Likos, was invited to perform at the 17th Annual Invitational School Choral Festival "Hear the Future" sponsored by the Houston Chamber Choir. The concert was held on January 30, 2016, at Grace Presbyterian Church in Houston, Texas.

Each year an outstanding high school, middle school and elementary school choir are invited to perform. Cypress Ranch High School, Nolan Ryan Junior High School and Parker Elementary School were featured in the 2016 concert.

Robert Simpson, artistic director for the Houston Chamber Choir, said, "The Houston Chamber Choir and I are keenly aware of the vital role school choirs play in education. For 17 years, 'Hear the Future' has showcased the finest choirs in our area and celebrated the work of their gifted conductors. The Cypress Ranch Chorale, under the direction of Cynthia Douglas, is certainly one of Houston's finest, and it was a great pleasure to have them participate in this year's festival."

Exceptional Students. Extraordinary People.

Miles, language, and cultural differences sometimes make us feel worlds apart from each other. But when you welcome an international high school exchange student into your home, you quickly discover they become family. Through conversations and experiences at home, school, and throughout the community, you will learn how close together "worlds apart" can really be.

Expand Your Family - Build lifelong friendships with a family from across the globe through your student.

Learn New Cultures - Introduce your family to a new language, new foods and music, and an entirely new culture.

Gain a New Perspective - See "your" world with fresh eyes as you share experiences with and learn from someone from across the globe.

Make a Difference - Your support of diversity and cultural awareness extend to your family, schools and throughout the community.

Spending a year in the U.S. changes the lives of not only Ayusa's international exchange students but also their host families and communities. Our students have the opportunity to experience life as an American teenager, perfect their English speaking skills, and grow into young adults ready to leave their mark on the world. They also give back with their enthusiasm, dedication, and involvement. Their energy and perspective are contagious and their presence along promotes a sense of global unity.

DAMN YANKEES SURE TO BE A HOME RUN AT THE HOUSTON FAMILY ARTS CENTER

The Tony Award-Winning Damn Yankees opens on the HFAC Garza Mainstage

Damn Yankees, the Broadway mega-hit and winner of seven TONY Awards including Best Musical, hits it out of the park! This award-winning musical comedy “plays” on the Garza Mainstage April 22 - May 15, 2016.

The Washington Senators are a bad baseball team, and fan Joe Boyd just wants them to beat the “damn” Yankees. He wants a win so badly that he’s willing to sell his soul to the devil. When Applegate, otherwise known as the Devil, offers Boyd this exact deal, a Faustian legend comes to life. Based on the novel *The Year the Yankees Lost the Pennant*, with a winning score by Adler and Ross, and a devilish book by George Abbott, this sporty, musical comedy is a true American classic.

Managing this team of talented players is Michael Montgomery (Director), Jennifer Stewart (Music Director), Barbara Terry (Costume Design), Amelia Templeton (Scenic Design), Ron Putterman (Lighting Design), David Dean (Sound Design) and Emily Toothman (Stage Manager).

Montgomery explained, “We are bringing the 1950s back with big, bold dance numbers that will draw on musical theatre standards set by choreography legend, Bob Fosse. Careful attention is being paid to

the period look with costumes, set, props, choreography and acting. It will be visually stunning and closely designed to the 1950 period. The strong dance numbers in this show also allowed us to draw on some of the city’s best dancers and some larger-than-life actors. We spent time working closely with the styling of baseball played during the period, which included professional baseball instruction and coaching as part of our rehearsal process.”

The cast of *Damn Yankees* brings some HFAC favorites back to the stage, including: Taylor Fisher (Joe Boyd), last seen as Sparky in *Forever Plaid*; Mark Mendelsohn (Applegate) you may remember as the Cardinal from *The Three Musketeers*; Larry Luck (Joe Hardy), Cinderella’s prince during *Into the Woods*; and Chris Gibson (Coach Van Buren) was the sinister Mr. Potter in *It’s A Wonderful Life*. Other teammates are Amy Hohulin (Meg Boyd), Nora Hahn (Doris), Sister (JJ Obee), Gloria Thorpe (Erica Bundy), Mandy Kolbaba (Lola) and Paul Wilkinson (Welch). The ensemble consists of David Allen III, Bambi Carlson, Kevyn Eddy, Santiago Facundo, JT Fischer, Henry Ginsburg, Stephanie Hayden, Caylin Keliehor, Jonathan Lammey, Michelle Mayo, Matthew Meehan, Amy Rebenack, Tiffany Schredl,

Finding Hope

Sometimes I just feel broken. Broken as in not whole, shattered & not even sure how to begin putting the pieces back together. Are all of the pieces even still there?

I'm not going to lie. Living and dealing with emotional trauma is no cup of tea. You feel lost, beaten, broken, and very much alone. You frequently feel things will never get better. After all, how can they ever be as good as they were (or, at least, as good as you thought they were) when you're this broken shell of a person. Then, you watch and see the rest of the world passing, and think, "Why even

try? It's hopeless."

With the passing of Easter and the emergence of spring, I've been thinking about the significance of this particular season at this junction of my life. Easter represents the victory of Jesus Christ over death; the triumph of light over the dark. Spring is the season of rebirth and renewal; the time of fresh starts. So, as I sit & watch the renewal of everything around me, I wonder... What about me? Can I be renewed? Is there enough left of this broken person to put back together, fill the holes, and turn out a new person fresh and whole?

I've found that spending time with friends, both the human and equine variety, is a great healer. They have become my glue that pulls the shattered pieces back together. While spending quiet moments relaxing with my horse I hear God more clearly, telling me that I have purpose in this life. What came before was meant to happen, if only to prepare me for what is to come and to help me become the person He means me to be. Learning God's plans for me not only helps reassemble the scattered pieces, but leads me to discover new pieces, more vibrant than the old ever were. Suddenly, I find myself renewed and, just like that, there it is--- Hope Resurrected

APRIL GARDENING TIPS

Offered by WeekendGardener.Net

Use this list to help you figure out what gardening tasks you want to accomplish this month.

Planning

When purchasing bedding annuals this spring, choose properly grown plants with good color. Buy plants with well-developed root systems that are vigorous, but not too large for their pots. Plants that bloom in the pack are often root bound and can be set back for several weeks after being transplanted. Plants not yet in bloom will actually bloom sooner, be better established and grow faster.

For hot-weather color, select one of the following: Gloriosa Daisy, Madagascar Periwinkle, Ornamental Peppers, Mexican Zinnia or Amaranthus 'Joseph's Coat. Plan to attract hummingbirds to your garden this year by planting red or orange flowers. Monarda (common names: beebalm, horsemint, Oswego tea, and bergamot) is a good perennial plant that thrives in sun and provides nectar for these small birds.

Planting

Begin to plant seedlings of warm-season vegetables such as tomatoes, peppers, and eggplants. You can also start your pumpkin seeds now.

Sow beets, beans, cucumbers, carrots, lettuce, sweet corn and radishes

Plant herbs such as thyme, sage, parsley, chives and basil

Sod or sow new lawns, and over seed damaged older lawns

Start planting out warm season annuals such as impatiens, marigolds, petunias, sunflowers, zinnia, lobelia, alyssum

Finish planting summer-flowering bulbs like tuberose, gladiolus, dahlias, and callas

Plant chervil, coriander, dill, rosemary, and summer savory outside after the last spring frost date for your area. Your Extension agent should be able to give you the date.

Maintenance

Mulch soil to save water, smother weeds, keeps soil cooler. Spread 1-3 inches (2.5-7cm) of bark chips, compost, wood shavings, or other organic material under shrubs trees, annuals and vegetables. Thin vegetables that were sown too thickly, like basil, carrots, green onions, or lettuce. Prune spring-flowering shrubs and trees after bloom is over.

Fertilize everything right now, but do not feed spring-flowering shrubs like azaleas, camellias, and rhododendrons until after they have finished flowering. Use an acid based fertilizer. They also should be pruned after blooming.

AWARD WINNING SERVICE

HEAT IS ON THE WAY SERVICE THE A/C TODAY

Chances are that if you've neglected a spring check up, your air conditioner isn't cooling nearly as well as it could. A years worth of dirt and debris clogging the cooling fins, a low coolant level, a dirty blower fan filter and a number of other simple problems can significantly reduce the efficiency of your system.

Honey Bee Swarms

Honey bees are beneficial by producing honey, wax and pollinating crops. With warmer temperatures, honey bees are becoming more active and may soon begin to swarm.

Honey bee swarms look like a large clump of bees clustered together. The swarm may stay in a location from a few hours to a week. Swarms are produced as a part of the colony's reproductive process. An established colony produces a new queen, causing the old queen and half the worker bees to leave the colony to search for a new nesting location. Swarming honey bees are usually gentle and unlikely to sting. Swarms are not protecting their home, food or offspring. Scout bees are sent out from the swarm to search for a nesting site. Colonies produce comb and honey and are defensive. Bees from a colony are more likely to sting as they are guarding their home, food and offspring.

Sometimes, honey bee colonies can be found in wall voids, chimneys, attics or sheds. If bees are in a wall void, DO NOT block their entrance; this makes them search for another way to exit and could lead bees into the structure. To keep bees from entering a home, seal any holes found in walls where pipes enter the home, cracks in window framing, knotholes, weep holes, or cracks between wood and brick junctures.

While many enjoy having honey bees around, some people are severely allergic to their venom. This, along with other situations, such as bees located near sensitive areas (such as playgrounds) may require removal or even extermination of the bees.

People should NOT try remove or exterminate bees on their own. Beekeepers and pest control companies have equipment to carry out these jobs in a safe manner. The city or county does not provide bee removal services.

Live Allergy Free

Do you suffer from nose congestion, running nose, sneezing constantly, itchy nose, sore throat, red & itchy watery eyes, and cough? Do you have more than ten sneezes non-stop sometimes especially in the morning. If this sounds like you? You may suffer from allergy. If you have these symptoms during certain seasons of the year, you may have seasonal allergies. With all the trees and flowers in Houston, more and more people suffer from seasonal allergy.

If the symptoms are not effectively under control by western medicine, some people may develop chronic allergy, the symptoms become more severe every time. Other people may develop dependency to the medication, need to increase dosage form time to time.

The cause of the allergy is either the exterior pathogen (allergen) or the internal constitution (body type). Traditional Chinese Medicine treat patient's constitution, rebalance the body, change the internal environment by improving the circulation of Qi and blood, therefore to control, reduce and cure the allergy.

Several Chinese patterns of disharmony may be involved in cases of allergies. In all cases, however, wind is often part of the diagnosis.

In seasonal allergies, such as hay fever, the most common diagnosis is related to wind and dampness. Individual's body constitution and condition at the time play a big role in the treatment plan.

Treatment plans for allergies vary greatly, and the possible results range from temporary relief to complete remission based on the reaction of individual person. Acupuncture frequently relieves allergy symptoms immediately. Diet advice and control plays an important part in controlling seasonal allergies.

Take your health into your own hands, live allergy free with safe effective natural way.

Apart from respiratory issues including allergy, acupuncture is also effective to treat reproductive issues for male and female, emotional issues, neurological issues, gastric distress. It is a wonderful way to relieve pain without intoxications, to help with rehabilitation, to treat addictions and fatigue.

Talk to your licensed Acupuncturist about what acupuncture and TCM can do for you.
