Community Permits and Tags

Fishing Tags

Each residence shall be given two orange Fishing Tags that must be carried at all time when fishing off public docs in our community. Police do not know who lives here and are instructed to stop and check at random for Orange Fishing permits that show you are a resident of Windermere Lakes. NO TAG=NO FISHING. If caught without a fishing tag, you will be asked to stop fishing immediately and return home to retrieve your fishing tag.

Fishing License Permits

Windermere Lakes is considered a private lake operating under the guidance and jurisdiction of the Wildlife and Fisheries Department and because of this you're "Fishing License" must be current. You can be fined if caught fishing off public or personal docks without a current license.

Parking Tags

Each car that is parked in the Windermere Lakes Community must have a Round Parking Permit on: Back windshield- middle top position of the car. This allows patrolling officers to know if a strange car is in our community. If checked the cars must be registered at your address as the owner and operator.

Boat Tags

Boat Tags are very important as many times boats become untied and float off to other areas of the lake. Lake rules imply that if a boat is found, it is kept for 30 days. If not claimed by its owner, the boat will be considered free property. Same rules apply to boars that are left to sink, damaged or deserted.
