Women's Club Installs New President and Board of Directors

The Women's Club of Greater Lakeway installed Donna Kumar as president, along with a new executive board, and introduced new standing committee chairmen at a meeting on May 23 at the Lakeway Resort and Spa.

Outgoing president Sharon Gilmore welcomed 125 women to a day of ceremony and entertainment from Dottie's Follies, who performed a dance routine to the Yellow Rose of Texas – the theme for the event. Dee Ann Burns, chairman of the event, thanked her committee and explained that signature roses symbolized friendship and love.

Gilmore celebrated the past year's club activities and thanked her full board for their diligent, faithful service which created all the memorable events that enriched the club and its members.

"I have met the most talented people this year. I remember saying that there is no reason to be lonely in Lakeway. Get involved, volunteer, and join one of our 23 special interest groups. You won't regret stepping out of your comfort zone. You never know what adventure lies ahead. Our Women's Club is evolving as we approach our 32nd year. It's important to keep our eyes on the future and be relevant to each other and to the community. We are a team. We are one," Gilmore said.

Donna Kumar presented Gilmore with a crystal gavel as a symbol of appreciation for the kind guidance she demonstrated in her role as club president.

Next, Gilmore turned over the presidential gavel to new president, Donna Kumar. In Kumar's acceptance, she expressed her thanks for the honor and her heartfelt desire to do the best job to fulfill her duties, bring honor to the club, to serve and promote the organization and, lastly, to build new friendships while cherishing and nurturing the ones she already has.

"During the past 10 years, I have accepted many different roles and learned so much along this journey. This club has taught me about community and how important it is to reach out to others, to work as a team to promote the greater good of the club. It has taught me the responsibility of showing up with a smile and doing what you commit to do. It has taught me the fine art of friendship," Kumar said.

COOL FUN AT LAKEWAY'S BIG BAND BASH

For a swinging time come enjoy one of the best big bands in Central Texas, a large dance floor in an air conditioned ballroom, tables available for your own treats (e.g., champagne and caviar), at a place where you may invite your friends without the hassle of reservations. Do this in the ballroom of the Lakeway Activity Center (105 Cross Creek). The Lakeway Big Band Bash is on the second Monday of each month, from 8 to 10 p.m. Monday, July 11, 2016, is the next event. Admission is free (donations to the band are encouraged).

Kent Dugan's 17-piece orchestra, The Republic of Texas Band, features well known singers (and Lakeway residents) David Cummings and Lisa Clark. This band consistently appeals to dancers of many generations. Expect to hear a wide variety of favorite tunes, mostly from the Sinatra era, with fresh arrangements.

"For a great low cost date, go out for a early dinner in a nice restaurant in Lakeway and go dancing at the Bash at 8 p.m.," suggests Fred Newton, Lakeway Arts Committee chairman.

For more information, call the Lakeway Activity Center at 512-261-1010.

CROSSFIT HIVE

WELCOME to Gainsville!

Gains

(NOUN)

GAINS IS BEST DESCRIBED AS A LIFESTYLE THAT MANY TAKE TO PUT ON MUSCLE AND GET INTO SHAPE.

HOWEVER, GAINS ISN'T JUST ABOUT GETTING BIG MUSCLES AND LOOKING LEAN. THE COMPLEX LIFESTYLE OF MAKING GAINS IS COMMONLY MISINTERPRETED AS SIMPLE MEATHEAD TERMINOLOGY. ONE WILL FIND THAT MAKING GAINS CONSISTS OF: THE PROCESS OF LIFTING, EATING HEALTHY, AND MAKING LIFE DECISIONS BASED OFF OF ONES HEALTH.

IT CAN ALSO REFER TO SOMETHING THAT BRINGS ONE GREAT PLEASURE AND BE USED TO DESCRIBE THINGS OR PEOPLE.

"THOSE EGGS ARE STRAIGHT UP GAINS."

"NO, I'M NOT GOING TO DRINK THAT BEER. I DON'T WANT TO KILL MY GAINS."

"CROSSFIT HIVE IS HELPING ME MAKE ALL KINDS OF GAINS"

Water Wise

We are all extremely thankful for the rains we have enjoyed this year. Thanks to the rains we received in May, the Lakes are full. We should continue to maintain our diligence to conserve water. Our lakes actually have substantial water in them for the first time in recent memory. Vegetation in the area has a green healthy color that has been absent so many years. Lake area businesses are experiencing big crowds that have been missing for so long.

Stage 2 restrictions between May 1 and September 30 watering schedule Stage 2, which is twice per week according to the following guidelines:

For Odd Street addresses, Wednesday and Saturday are irrigation days.

For Even Street addresses, Thursday and Sunday are irrigation days.

Commercial customers may irrigate on Tuesdays and Fridays.

Stage 2, no watering is allowed between 10AM and 7PM.

We are facing the beginning of another hot Texas summer. The Board stresses that even though our conditions have improved greatly. The Board encourages all residents and businesses to continue the good water conservation habits we have learned over the past few trying years. The citizens of Lakeway have been extremely cooperative during the past drought conditions we have had to live through, and we ask for that same conservation mentality as we get through the summer months.

Everyone can help by doing their part; here are a few tips we can use:

Turn off all faucets tightly so they don't drip; a dripping or leaking faucet can waste up to 200 gallons of water per month!

Check all toilets frequently; a leaking toilet can waste up to 200 gallons per day!

Wait until the dishwasher and clothes washers are full to run them; both appliances use a lot of water.

Limit use of garbage disposals; a lot of water goes down the drain.

Encourage restaurants you visit to serve water only by request; many glasses of full water are left on the tables.

Reduce your time in the shower by a minute or two; it's amazing how much water Lakeway would save if we all practiced this! We also have low flow shower heads available, so come by and get one (they are free).

We have conservation tips on our website at www.Lakewaymud.org. Lakeway MUD notifies our customers when usage is considerably above normal urging them to check for leaks and/or equipment malfunctions. It is possible for the programmed instructions for sprinkler systems, pools, and water softeners to become distorted and cause unwanted water usage. We also receive tips from citizens, city employees, and others when running water or accumulations of water are observed, and we react immediately to the issue to solve it as quickly as possible. We also recycle all of our wastewater; after being treated, it is used to irrigate our golf courses and public medians, which prevents using fresh water for these purposes.

BRINGING ONE LOVE[®] = TO LAKEWAY =

You may know Raising Cane's for our quality chicken finger meals, Cane's Sauce[®], freshly-squeezed lemonade and our great Crew. But what you may not know is for the last 20 years we have brought unwavering support to our communities.

Raising Cane's is committed to being an active partner in every market that we serve. Our Active Community Involvement program began as a way to show our appreciation for the communities that support us and continues today as a key component of our vision. We focus our ACI efforts on six key areas: Education, Feeding the Hungry, Pet Welfare, Active Lifestyles, Business Development, Entrepreneurship and Everything Else. Why Everything Else? Because we always try to find a way to lend support for whatever a community may need.

Entrepreneurship is especially near and dear to our Founder, Todd Graves. Fresh out of college,

Todd dreamed of opening an awesome chicken finger restaurant in his hometown of Baton Rouge, Louisiana. After being told a restaurant that served only chicken fingers would never work and being turned down for loans by banks all over town, Todd took matters into his own hands to make it happen. He worked long days to raise enough money and restore a very old, run-down building at the entrance to Louisiana State University to create the first Raising Cane's.

Almost twenty years later, that same passion and energy fuels each new restaurant that we open. As we open our newest location in the **Oaks at Lakeway**, we look forward to serving more than just great chicken finger meals, but also as a community partner.

We would love to support your next event. Visit **CanesAndCommunity.com** to learn how we can help.

Thanks again to all for your great conservation efforts over the past few years; let's continue to practice good stewardship of our valuable resources!

We also have an extensive beneficial reuse system using recycled water. Beneficial reuse is one of the best ways to conserve water. Our customers get the benefit of using the water for irrigation while helping us get rid of the water, since we can't discharge into the lakes. We save approximately twenty nine percent of our surface water every year by using recycled water for irrigation; approximately 158 million gallons a year.

We have two wastewater treatment plants that serve our customers in Lakeway.

Thank you for your cooperation and support. We will be in Stage 2 of our drought plan throughout the summer and will keep you informed of any changes via our website and our banners on Lohmans Crossing and Lakeway Boulevard.

Lakeway Coommunity Blood Drive

The Lakeway community blood drive will be held at the activity center on July 23rd from 8 to noon.

Summer deals to sizzle at Lakeway Citywide Indoor Garage Sale

Bargain hunters will find the hottest sales of the summer at the next Lakeway Citywide Indoor Garage Sale from 8 a.m.-noon July 30 at Lakeway Activity Center, 105 Cross Creek.

Not only can shoppers buy sports equipment, camping gear, household items, clothing, jewelry, furniture, kids' toys and other items they would expect to see at most garage sales, but savvy customers also will find Limoges china, mink throws, collectibles, original artwork and even a cemetery plot.

"This citywide garage sale is seriously one of the most fun and unusual sales of its kind," Lakeway Activity Center manager Dallas Gorman said. "I always make an effort to come by and check it out because I know I'll leave with something unique at a bargain price."

Each 10-foot by 10-foot vendor space includes one table with one chair and is \$25 for Activity Center members and \$35 for non-members. Space is limited.

Admission is free, but the Activity Center accepts donations of non-perishable or canned food items in the lobby which will be donated to local food banks and charities. After July 30, the last Lakeway Citywide Indoor Garage Sale of the year is scheduled for Sept. 10.

For information or to reserve a vendor space, call the Activity Center at 512-261-1010.

CUSTOM APPAREL

CUSTOM
DESIGNS

ORDERS

We offer custom apparel of all kinds including one-offs for any occasion.

How does it work? Lets say you have a design you would like for a one-off custom shirt. We take your idea and design it for you. Once you approve the design we make it available in our store for you to purchase.

Who do we work with? We work with individuals as well as partner with organizations and businesses. Some of our partners are CrossFit boxes. We relieve the box owners of the hassle of mass shirt orders by creating their very

own store within W4 Apparel. This allows their members to visit our site and order their shirts directly. We create custom designs at their request and even toss in a few of our own. We offer the same service for non-profits, businesses, and organizations of all kinds.

Visit us online and view our Partners to see who we are currently working with.

We would love to partner with you as well!
