Shane Huckins 2016 Graduate

Shane Huckins 2016 graduate of Cy-Ridge High School graduated June 2nd all because of this man. Officer Joey Shriver spent countless hours mentoring Shane. I am so proud of both these men for all their hard work and perseverance. Officer Shriver never gave up on Shane. Shane I am so proud as a mom to see all of the trials and tribulations you have overcome and yet you never gave up. You have grown into such a great man and I look so forward to what future holds for you.

Thank you Officer Shriver for always being there for my family and for always keeping us safe in our Steeplechase Neighborhood. You are more than just an Officer of the law, you are our friend.

Volunteer Girl Scouts

From the time your daughter came into your life, you've only wanted the best for your girl. You want to see her feel happy and loved, be confident, make new friends, stay healthy, excel in school, and eventually rise up the ranks in a career she finds fulfilling. Girl Scouts gives girls and their leaders opportunities to share new experiences, make new friends and to become confident young ladies.

In Girl Scouts, the volunteers are the backbone of our organization. Without our volunteers, there are no Girl Scout troops, no camping experiences, no cookie businesses, and no troop badges earned. As an adult, all of your experiences have brought you to where you are in your life today. As a Girl Scout leader, an adult has the chance to mentor a group of girls to help them reach their fullest potential through your shared experiences.

Please consider volunteering with Girl Scouts so you can have a direct impact on the girls in your community. To volunteer, please visit our website at www.gssjc.org and click on "Volunteer Today." Let's show the girls in CyFair what's possible!

USA Fit Champions Ready to Get Aspiring Runners Marathon/Half Marathon-Ready by January

With many winter long distance races to look forward to, USA Fit Champions seeks to get Spring and Northwest Houston area residents "marathon-ready." The local full and half marathon training group is currently taking registrations through Aug. 30 at www.ChampionsFit.net for its new season, which kicks off with two orientation/in-person registration events at 7 a.m., Saturday, July 9 and 16, at the D. Bradley McWilliams YMCA in Spring. Now, Co-Organizer Roy McDonald says, is the perfect time, no matter a runner's ability level, to start training for January races such as the Chevron Houston Marathon, Aramco Half Marathon and Memorial Hermann USA Fit Marathon.

"Most people don't believe they can complete a full or half marathon for various reasons," said McDonald. "Our mission at USA Fit is to show people they absolutely can succeed by providing training plans for every fitness level in a fun, non-intimidating and safe environment."

McDonald himself joined USA Fit's Houston group 25 years ago

when he and four fellow employees at his company discussed running a marathon. It was a goal he had never entertained. At the time, he weighed 240 pounds and at the end of his first marathon training with the group dropped to 185 pounds. In addition to gaining a lifelong love of running, McDonald gained a lifelong friend in member and now co-organizer Mitchell Garcia, who was one of the employees who had initially joined him.

McDonald and Garcia both hope as organizers and coaches to bring the same motivation and encouragement that their coaches and fellow members had given him to help runners and walkers around the Champions area reach their own personal goals.

According to McDonald, the top myths about marathon running include:

- Marathoners must be young.
- Marathoners must be athletes.
- It is not possible to walk 13.1 or 26.2 miles.
- Running long distances is dangerous to one's health.
- Runners must be a certain weight or size to successfully run a full or half marathon.

He said that members of USA Fit Champions defy all of these myths and have gone on to complete half and full marathons during their very first seasons with the group as well as meet personal health

and fitness goals.

"The most rewarding part of our job as coaches is to see members achieve so much more than they thought possible, no matter their fitness level or stage in life," said McDonald. "The only thing we ask our members to show up with is a goal and the passion to meet it. We take care of the rest."

Registration for USA Fit Champions is \$140 for new members and \$100 for returning members. Runners meet Saturday mornings for ability-based group trainings, enjoy weekly seminars and social events throughout the season and benefit from the encouragement and expertise of certified coaches. To learn more and to register, visit www.ChampionsFit.net or contact Roy McDonald at info@championsfit.net.

Bidding Farewell & Saying Hello

School's out for the summer and with that we say goodbye to our latest group of foreign exchange students. As they pack their bags and head back to their parents and their home countries, their host families are left with the memories of a great year, and a new son or daughter that that lives in another country. Plans are already underway for travel abroad so they can once again be with their students and see the sites of their home countries.

The Houston and Austin based students had a great time this past year – visiting a number of our local attractions in both cities as well as San Antonio. We are hoping to be able to do the same for our incoming students for the 2016/2017 school year.

Ayusa is currently looking for volunteer host families to open their hearts and their homes to these wonderful students. All that is needed to host is to be able to provide a room for the student to sleep and three meals a day. The students come with their own spending money and medical insurance. Help us to welcome these great kids into Texas – you'll be happy you did!

HOW TO HOST AN INTERNATIONAL STUDENT

Interested families can learn more about the program and available exchange students and request additional information by visiting <http://www.ayusa.org> or calling 1-888-552-9872.

The process to apply is simple. Families complete the online application, which includes questions about themselves and local high school, references, and a background check. The local Ayusa Community Representative conducts an in-home interview. They can also help each family with any questions they may have about the application or process.

After families are fully approved, they can select the Ayusa student they would like to host.
