19TH Annual Salute to the Stars Gala

Thursday, October 13, 2016, the Cy-Fair Educational Foundation (CFEF) will host its 19th annual Salute to the Stars Gala at the Berry Center. Our underwriter, Cypress Fairbanks Medical Center Hospital joins us in celebrating Cypress-Fairbanks I.S.D. (CFISD) Spotlight Teachers, along with major sponsors IBI Group, Cy-Fair Federal Credit Union, North Cypress Medical Center Hospital, Northwest Dodge, and S-G Owners Association.

Salute to the Stars has raised \$2 million for innovative staff development grants for district teachers and instructional leaders, and scholarships for graduating seniors. The Salute to the Stars Gala honors CFISD Spotlight Teachers who are selected by campus principals for their outstanding dedication in providing valuable instruction to students.

CFEF was established in 1970 as a non-profit to raise money to fund a scholarship for high school graduates in the area. Over the past 46 years, the Foundation has grown tremendously through the efforts of the Board of Trustees and the generosity of the Cy-Fair Community. The Foundation has awarded almost \$7 million in scholarships to over 1400 graduating seniors. CFEF is a 501(c)3 non-profit organization, all contributions are tax deductible, as allowed by the law.

Sponsorships are available for Salute to the Stars, for more information please contact Marie Holmes at marie@thecfef.org or 281-370-0144.

Dead spots in the lawn? Look for chinch bugs

Chinch bugs often appear in Texas lawns during hot, dry conditions. Usually damage starts in sunny locations or near driveway and sidewalk areas. Damage appears as irregular dead patches in the lawn surrounded by yellowing or dying grass. Chinch bug damage can be mistaken for other lawn problems like white grubs or fungal diseases, so confirmation of chinch bug activity is needed before choosing proper treatment.

So how do you tell if you have chinch bugs? The easiest way is to look for the insects. One way to look is to cut both ends out of a can, push it into the ground using a twisting motion and then fill the can with water for about 10 minutes and wait for any bugs to float to the top. Another way would be to get down on your hands and knees and part the grass to look for the insects. For both methods, samples should be taken in the damaged (yellowed grass), not dead, grass areas.

Chinch bugs are small (about 1/5 of an inch as adults; immatures are smaller). Adults are black with white wings containing triangular markings. Nymphs, or immatures, are yellowish or pinkish with a light colored band across their body. Nymphs do not have fully developed wings.

Treatment is usually a liquid or granular formulation. Liquid

formulations are often bottles that attach to the end of the garden hose or concentrates that you mix with water in a tank sprayer. Granular formulations are applied with push spreaders and need to be watered in after treatment.

Treatment should be applied to the area where damage is occurring and several feet out from the damaged area; the entire yard does not have to be treated. All label instructions should be read and followed before and during the treatment.

For more information or help with identification, contact Wizzie Brown, Texas AgriLife Extension Service Program Specialist at 512.854.9600.

WHISKEY FOUR CUSTOM APPAREL

How does it work? Lets say you have a design you would like for a one-off custom shirt. We take your idea and design it for you. Once you approve the design we make it available in our store for you to purchase.

Who do we work with? We work with individuals as well as partner with organizations and businesses. Some of our partners are CrossFit boxes. We relieve the box owners of the hassle of mass shirt orders by creating their very own store within W4 Apparel. This allows their members to visit our site and order their shirts directly. We create custom designs at their request and even toss in a few of our own. We offer the same service for non-profits, businesses, and organizations of all kinds.

Visit us online and view our Partners to see who we are currently working with.

We would love to partner with you as well!
