Children's Center of Austin Names Tanya Saenz

to Head of Schools

childrenscenterofaustin.com

Highly regarded Austin-area child-care and education center creates new Head of Schools position to direct growth for all three of its campuses; promotes Tanya Saenz to fill roll.

AUSTIN, TX (July 28, 2016) — The Children's Center of Austin announced today that Tanya Saenz has been named the institution's first Head of Schools. In this roll, Saenz will oversee the management of all the Children's Center of Austin schools including fiscal, personnel, curriculum, quality assurance, and customer relations, as well as the overall administrative success for all schools.

"I am excited about my next chapter with the Children's Center of Austin," said Saenz, who was promoted from the Regional Director position. "We have an amazing school system with incredible families, teachers, and staff

all working together to ensure the physical, social, and intellectual needs of every child are met on a daily basis. My goal is to build upon this solid foundation and pave a path for our students to have the most well-rounded, safe, and caring start to their education."

Some of the new initiatives Saenz will be addressing early on include physical upgrades to some of the schools such as outdoor sport courts for enhanced student activity and health. Also, she will continue to seek out the best ongoing educational and training opportunities for teachers to stay atop their fields and continue to provide the best care for all students.

Saenz brings 17 years of early childhood education and management experience to the newly appointed Head of Schools position. Six of those years have been spent at the Children's Center of Austin serving as Curriculum Coordinator, School Director, and Regional Director. She holds a degree in Early Childhood Education with a concentration in Infant and Toddler studies from Del Mar College, and is working towards a second degree in Business Administration from Concordia University.

Prior to joining the Children's Center of Austin, Saenz worked in schools in south Texas as well as three years with the Lake Travis Independent School District. Now, in the newly appointed position as Head of Schools, Saenz will rely upon that experience to continue the growth of the Chil-

dren's Center of Austin, its staff, and students, as well as provide continuity of management across all campuses.

About Children's Center of Austin

The Children's Center of Austin is devoted to a love of learning based on the premise that every child is a unique individual with a definite growth and development pattern. The Children's Center of Austin is committed to the belief that early childhood education is vital to our children's futures, and thus the curriculum is developmentally based and focuses on the individual child's social, emotional, and intellectual needs. The Children's Center of Austin serves infants, toddlers and preschoolers, and offers after school programs for kindergarten through fifth grade at three Austin area locations: Westlake, Northwest Austin (at Jester Blvd.), and Steiner Ranch.

Retired Docs Launch New Group Oct. 10

Dr. Bill Evans Lakeway

Lake Travis Retired Physicians, a new monthly group for retired doctors who live in areas served by Baylor Scott & White Hospital—Lakeway will gather for their first meeting on Monday, Oct. 10, 11 a.m., in the medical office building across from the hospital.

Spearheading the retired physicians' group, Dr. William Evans of Lakeway practiced 23 years with Austin Diagnostic Clinic, serving tenures as chief of family practice and heading up ADC's urgent care initiative. Prior, Dr. Evans served 20 years in the U.S. Air Force.

"Lakeway Retired Physicians is both social and educational...a way for docs like me to get together and hear the latest innovations in a variety of practice areas. Plans are to meet the second Monday of each month," Evans said.

Hospital-affiliated physicians Dr. Pavan Karnati, cardiologist, and Dr. Greg Morper, internist, will provide overviews of recent innovations in their practice areas. After Q&A, lunch will be provided in the hospital cafeteria. There is no charge for retired physicians.

Dr. Pavan Karnati specializes in the evaluation and treatment of coronary and peripheral vascular disease. Dr. Greg Morper's internal medicine practice, which accepts Medicare, places a heavy emphasis on wellness and prevention.

"I'm grateful to these fine physicians for coming to speak; also to Christin Cross and Jewell Kibling of the hospital's marketing team who have provided wonderful support in launching this new program. I encourage all area retired docs to sign up for this or future meetings," Evans said.

Retired physicians who would like to attend or join, please contact Dr. Bill Evans at 512-261-3536; or email his wife Pat, chief bottle washer, patevans39@gmail.com.

Bee Cave-Spicewood Rotary Club

Members of the Bee Cave-Spicewood Rotary Club accept the LightHouse award from RecognizeGood, an organization that highlights exceptional community service by area groups.

With only 12 members, the Rotary Club of Bee Cave – Spicewood has proven that size is not the only factor in community outreach – the club has been instrumental in over 12 community-based programs in just the past two years, ranging from economic development and student volunteerism to food drives, blood drives, highway beautification, clothing, and library book supply. Partnering with fine organizations such as the Bee Cave Police Department, the Bee Cave Public Library, and Lake Travis Middle School on some service projects, and with the support of local businesses such as Elite Wellness Chiropractic, Broadway Bank, HEB, Raymond James, A+ FCU, Mimi's Café, Café Blue, and others, the club is dedicated to making a difference in the community. LT LOV

Thank you to the Lake Travis community for LTlov's very successful school supplies and backpack drive serving low-income LTISD students. Our goal is to send every student to school with all of the supplies they need to succeed this year, including a backpack. Together we have made a difference in the lives of families coded economically disadvantaged by providing this expensive but necessary means of staying organized and prepared. Special thanks to the businesses who hosted collection bins, to the Lake Travis Crisis Ministry and PODER for helping spread the word about receiving supplies and for help with distribution and to our many volunteers. RETIRE BETTER LET'S TALK

WITH JOSH STIVERS

DO YOU FEEL CONNECTED TO YOUR MONEY?

WHEN YOU OPEN YOUR BANK AND BROKERAGE STATEMENTS, DO YOU BREATHE A SIGH OF RELIEF OR GASP IN ANXIETY?

DO YOU FULLY UNDERSTAND HOW YOUR LONG TERM INVESTMENT PLAN MATCHES UP WITH YOUR CURRENT DAILY LIFESTYLE?

Through discussions over the years, I have found that many people do not know where they truly stand financially. Yes, they know they have investment accounts, retirement accounts, and bank accounts. They know they have life and health insurance in place. And they know they are covered in the event of a major disaster.

But, what they don't know is how to interact with their overall finances in such a way that they feel confident in the decisions they make on a day to day basis. Many have expressed an underlying fear that they will never be financially independent.

I would like to offer encouragement to you today. It is possible to get a handle on your financial picture. Often, just having a conversation about your finances with a knowledgeable professional can make all the difference.

If you are feeling a bit disconnected from your current financial plan, I would love to sit down with you and discuss your unique situation.

I opened Platinum Wealth Advisory, right here in Lakeway, seven years ago with the desire to help individuals in our community win at the financial game. Our doors are open to this community and we want to help and assist in any way possible.
