Norman Trail Playground Grand Opening

We had a great turnout on August 6 for the grand opening of the Sendera Place/Norman Trail playground. The HOA Board provided donuts and kolaches, and board members were on hand to answer questions.

This project is the culmination of nearly three years work to relocate the old playground that was in violation of city codes. Board member Tom Franke was our essential liaison with the city, and he helped us overcome the long process of getting the proper permits and avoiding steep fines that our neighborhood would have otherwise incurred.

Our entire board deserves much applause for seeing this project through to completion. A special thanks goes to Ady Howarth for taking photos during the event, and to Bana Jousan for the artistic renderings of the completed playground, greenspace, and pond. [More information about the pond project coming soon in a future issue.]

The park is available for birthday parties on a first-come, first-served basis. There is an electrical outlet for party inflatables. Residents are asked not to bring glass containers/bottles or visible adult beverages. Most importantly, please make sure the park is litter free afterward.

Final Event of the Summer: Jaws at the Pool

Ongoing construction at the pool didn't stop the last movie night from happening on the evening of August 6. Event planner HelloNaBR provided the music, DJs, and a fun, pool dance party. Thanks to Angie Flores for snapping photos of the parking lot

vendors that provided pizza and snow cones. Google Fiber also came out to advertise their new presence in our neighborhood, and NXNW served up free beer and margaritas. At dusk, the big screen was raised and Jaws was played for the excited crowd.

In the Garden

by Pamela Kurburski

The July meeting was held at my house and I was grateful for the recent rains. They helped my garden not look as “crispy critter” as it often does in the summer. Although most of my daily lilies and irises were finished blooming, I was pleasantly surprised when one of the pass-along crinum lilies decided to bloom just in time. My ever-faithful Mexican Anacacho was also putting on a show with loads of fragrant white blooms (see photo).

Colleen Dieter of Red Wheelbarrow (www.redwheelbarrowplants.com) was our guest speaker and drew quite a crowd of regular and new participants. Colleen does the gardening minute

for TWC News and often speaks at The Natural Gardener and on KLRU's Central Texas Gardener. Instead of a formal presentation, she agreed to answer individual questions that ranged from fruit tree pollination to getting rid of aphids on crape myrtles. She also shared a list of native plants she has found perform well during droughts and extreme winters. She said with a smile that she is working on updating it to include those that handle excessive rain, too.

The Sendera Garden Club meets on the third Thursday of each month. If you'd like to join us, call me at 512-940-8430 to find out when and where our next meeting will be held.
