CYPRESS 5K AND PUPPY PARADE

Cypress and Houston area residents can strengthen their families, their bodies, their neighborhood school, and their dogs at a very fun family friendly event this fall. Cypress 5K Fun Run and Puppy Parade benefiting the Performing Arts Department at Spillane Middle School will take place Saturday, November 19th at 9:00 a.m. at Spillane Middle School, 13403 Spillane Woods Blvd.

The event is the school's third annual Fun Run, and will feature a timed run. You don't have to be a competitive runner to participate since the race also features a family run for those pushing strollers or wanting to walk, and a dog walking segment. The race will begin at Spillane Middle School, and go through the Coles Crossing neighborhood. Medals will be awarded in multiple age brackets, and to the first three dogs who cross the finish line.

While generating funds to support the school's award-winning Performing Arts programs is one goal of this run, event organizers want to strengthen the school's ties to the community as well as encourage community spirit and fitness. The race has become an annual tradition for many, and provides the opportunity to run, walk, bond with, and support family, friends, and neighbors. Last year's run had over 900 participants, and was a great success.

Early bird registration continues until October 29 for \$30, which includes a commemorative T-shirt. From Oct. 30 – Nov. 12th registration increases to \$35 and a T-shirt is not guaranteed. Late registration, which continues until race day, is \$40 and does not include the shirt. Family discounts are available through October 29.

Runners who have pre-registered can pick up their packets Thursday, November 17th from 4:00 pm - 7:30 p.m. at Spillane Middle School.

To register or for more information, visit the Cypress 5K Fun Run & Puppy Parade website at <https://thedriven.net/cypress5k>.

National Association Names Top Ten Business Women of the Year

The American Business Women's Association (ABWA) named Dr. Michelle L. Becker, Founder of Shots for Holly, one of the Top Ten Business Women of the Year. The Top Ten Business Women of ABWA is a national program that honors 10 outstanding members for achieving excellence in career, education and community involvement.

In 2014, Michelle established a 501(c)(3) non-profit organization, Shots for Holly, to honor her friend that died from flu-related complications at the age of 41. Her current roles are spreading awareness through appearances and presentations about the flu and the importance of flu shots, collecting corporate donations, heading up fundraisers, reading literature and research about the flu, and attending networking meetings and functions. She has dedicated her life to educate the public about the flu, to dispel the myths concerning flu shots, and to help those in need get the flu shot.

Michelle relocated to Houston TX in 2005 following her postgraduate fellowship at the National Institutes of Health. After the birth of her daughter, she began selling jewelry for a direct sales company and earned numerous trips and awards. Following Holly's death, Michelle sold the majority of her jewelry collection to fund the

non-profit. With the money, the organization was able to pay start-up fees and purchase a mascot vehicle. Because of her community involvement with Shots for Holly and active participation in numerous organizations, Michelle has earned much recognition. She was named a Federation of Houston Professional Women's "Woman of Excellence" in 2015, and she earned the ABWA "Inner Circle" Award, CYFEN's 2016 "Woman of the Year" Award, and the Cy-Fair Houston Chamber of Commerce "Ambassador of the Quarter" Awards in 2015 and 2016.

When asked how her membership in ABWA helped her, Michelle recalls, “I had no idea my six years of committee and board membership in CYFEN would prepare me for the biggest challenge of my life. Because of the skills I gained in CYFEN, money was raised and a Board was formed. Volunteers were gathered and a mascot was born. Three years and \$80,000 thus far, Shots for Holly is a viable 501(c)(3) organization lead by dedicated people. ABWA continues to provide support and learning tools necessary to welcome the challenges of setting goals, balancing work and life, teambuilding, and leadership. I am successful today because ABWA showed me the way.”

Athlete Training + Health Collaborates with Health Care Systems to Redefine Athlete Development

Athlete Training + Health (ATH), formerly known as CES Performance, has trained thousands of professional, collegiate, high school and youth athletes since 1997. Now, ATH is working with Memorial Hermann in Houston and Texas Health Resources in Dallas/Fort Worth, to offer in-house clinical care at ATH facilities.

ATH opened their first Texas facility at Houston Sports Park in 2012. In June 2016, ATH opened a second Houston-area facility in Spring, Texas. At 38,000 square feet, it is the largest facility of its kind in the state. As part of the new facility, Memorial Hermann, the largest not-for-profit health system in Southeast Texas, offers onsite clinical services with access to primary care physicians, and sports medicine and rehabilitation specialists.

In 2017, ATH plans to open additional facilities in Katy, Texas and Sugar Land, Texas – each of these facilities will include a Memorial Hermann Urgent Care and sports medicine office – and also in Arlington, Texas, collaborating with Texas Health Ben Hogan Sports Medicine. ATH expects to expand beyond the state of Texas with partnerships with health care systems in other markets.

Relationships between ATH and local health care systems create an environment for athletes and active adults to receive full-spectrum training and care. The company aligns with these health care organizations and leaders in sports medicine, performance research and nutrition to advance

human performance and provide athletes with the most effective training programs.

“Our facilities are a phenomenal place for the professional, collegiate, high school and youth athletes in Texas,” says Danny Cooper, COO of ATH. “Our collaborations with health care systems help athletes to receive proper care, instruction and development throughout their athletic career. With our new adult fitness offering, we can also impact the lives of active adults.”

Wayne Fraleigh, Vice President of Operations for Ambulatory Services at Memorial Hermann Health System, agrees. “By offering in-house clinical services, we are able to offer immediate, safe, high quality care for non-life-threatening health conditions, thereby bringing out the best in sports medicine and performance training for athletes of all ages.”

Not only does ATH affect the Texas athletic community, but also the athletic coaching community worldwide. ATH hires many international coaches, coming from countries such as England, Canada, Ireland and Trinidad and Tobago. ATH athletes are equally varied, coming from many sports backgrounds and regions. ATH clients have competed in the MLB All-Star Game, the World Series, the Super Bowl, the NFL Pro Bowl, the MLS Cup, the Olympic Games, the FIFA World Cup, all the major collegiate conferences and high school state championships.

Shalom!

C Y P R E S S

Shalom Cypress was established in 2011 by local families seeking a Jewish presence in Northwest Houston. We are the closest synagogue within 25 miles of the nearest synagogue. Many thought that they were the only Jews in the Cypress area, but it turns out that they were wrong! Shalom Cypress has grown to more than 30 affiliated families.

School is back, and the High Holidays are right around the corner! In Oct, we will have our High Holidays services. Shalom Cypress will have services the second day of Rosh Hashanah (10-04-16), and Yom Kippur services on 10-11-16 & 10-12-16. Join us a week later to build the community Sukkah.

Shalom Cypress has many ongoing & active programs for people of all ages. It is not too late to sign-up for our Fall 2016 Hebrew School. Please visit our website at www.shalomcypress.org, e-mail us at info@shalomcypress.org, or call Ben Federman at 832-795-2002 to find out more details about the upcoming events.
