to a team and tryouts are simply in place to help keep skill levels even on each team. ALL KIDS WILL PLAY.

### GETTING INVOLVED:

Lastly, I would like to invite everyone to find a way to take part in your sports association. FSA is a volunteer organization and could use your help to provide the best facilities around. There are jobs ranging from helping with try-outs, opening day help, field maintenance, and concessions duty. We hope you familiarize yourself with the Baseball and Softball Committees via our website and reach out to committee members to see how you can help.

Three areas needing the most help are baseball committee, nightly field maintenance and concessions. These are opportunities to not only get involved and meet great people, but most of all contribute to making Fairfield one of the best places around for our kids to play sports!!!

On behalf of the Fairfield Sports Association and the Baseball/Softball committee members, I would like to thank you for all your support.

Sincerely,  
Ryan Ritchey

## Advent Concert With Healing Prayer

Friday, December 16, 2016

7-10pm

St. Aidan's Episcopal Church

13131 Fry Rd.

Cypress, TX

Shellee Coley is a Texas-based singer-songwriter with three studio projects under her belt and a fourth on the way. Her songs often bring light to the not-so-celebrated parts of life and walk people through them, into growth and change. There is a clear spiritual undertone to her music that sets a listener up to experience their own faith while listening to her songs. She says, "I want to write music and create spaces that encourage people to see themselves in my stories and hopefully get to know themselves a little more. Because how can you truly know God, if you don't even know yourself?"

Tickets are \$15 and St. Aidan's Clergy will be available for prayer during and after the concert.

## Timely Tips for December Gardeners

Working in your garden is an excellent escape during the holidays. It's a great time of year to do some of the heavy work in the landscape as opposed to sweating it up in the heat of the summer.

Don't put up the mower yet. Although turf grasses have stopped growing, you can use the mower to chop up and recycle the leaves back into the lawn or for a compost pile. Prepare gas-powered engines for winter. The owner's manual is the best guide to winterizing a lawn mower, tiller, garden tractor or other equipment.

Drain and store garden hoses and watering equipment in a readily accessible location. Lawns and other plants may need an occasional watering during prolonged dry spell.

In general, once the weather gets and stays cold, pruning of deciduous plants (ones that lose their leaves) can be safely done. Evergreen hedges can be sheared or cut back in the winter also. Wait until February to prune your roses. Remember – Do Not Top your Crapemyrtles! Simply prune to remove seed heads and shape.

Prepare for the cold weather before it hits! One of the best things you can do for your landscape plants is to provide a 2 to 3 inch layer of mulch. Mulching is necessary year round but during the colder periods it provides a layer of insulation for the roots. Water your landscape well before a cold spell. A drought stressed plant is more

susceptible to freeze damage. For more tender plants, purchase frost cloth for extra protection. Cover the plant completely allowing the edges to come all the way to the ground, utilizing the heat which radiates from the ground.

December is a perfect time to plant trees and shrubs so they can develop a strong root system for next Spring. Cool weather color such as Pansies, Snapdragons, Cyclamen, Flowering Cabbage and Kale add splashes of color to your landscape. Spring flowering bulbs can be planted now once they have been properly chilled. Make your home beautiful for the Holidays with a stunning assortment of floral quality Poinsettias, Cyclamen, freshest greenery and Christmas Trees. Add a mix of new indoor and tropical plants to energize your home.

Remember to provide food and water for the birds this winter. You can attract just as many birds with a bird bath as with food, especially during the dry spells. To draw a diversity of birds provide a variety of seeds, like sunflower, thistle, safflower and millet; plus suet. Once you begin putting out bird food, continue feeding them through the spring time.

## Kiddie Academy® of Cypress is Coming Soon!

**K**aty has dreamed of opening her own childcare center since she was a teenager. For over a decade, Courtney has agreed to run the business operations if it ever came to fruition. That day is now, and here is their story. Katy and Courtney are sisters that grew up in a small town outside of Waco. They both went to Texas A&M University in College Station.

Courtney graduated with a Bachelor of Business in Marketing and moved to the Dallas area. She was a buyer for JCPenney Corporate and enjoyed a nearly 9-year career with them before relocating to Cypress. Courtney is

married to Casey Adams, and they have two children, a 5-year-old daughter and 3-year-old son.

Katy received her Bachelor of Science in Interdisciplinary Studies. After college, she began teaching kindergarten in League City. She married James, and they now have a 17-month old daughter. It was during her time as a teacher that she learned about Kiddie Academy. Katy observed that the students who came from Kiddie Academy were kindergarten ready, socially, emotionally and academically.

After careful consideration, Katy and Courtney decided to bring Kiddie Academy to Cypress. They selected a location that is basically in their own backyards because they are committed to being on site daily. Both families are involved in Houston's First Baptist Church, as well as other local organizations that impact this community. Kiddie Academy gives them an ongoing opportunity to continue positively impacting

Cypress by preparing children for school and life.

Both sisters have a passion for children with experience in different areas that makes their partnership dynamic. Katy's knowledge in curriculum and training are invaluable. She has a huge heart for nurturing and educating children, as well as developing strong relationships with their families. Courtney brings operations knowledge, but more than that an understanding of the decision families face in choosing a home away from home for their child, as she had to make that decision as a working mom herself.

Katy and Courtney have worked for over 2 years making this dream a reality. They have already started to enroll students at their academy as they prepare to open their doors before this year comes to a close. They are eager to begin serving the families of Cypress.

Salute to the Stars has raised over \$2 million for innovative staff development grants for district teachers and instructional leaders, and scholarships for graduating seniors. The Cy-Fair Educational Foundation was established in 1970 as a non-profit to raise money to fund a scholarship for high school graduates in the area. Over the past 46 years, the Foundation has grown tremendously through the efforts of the Board of Trustees and the generosity of the Cy-Fair Community. The Foundation has awarded over \$7 million in scholarships to more than 1400 graduating seniors. CFEF is a 501(c)3 non-profit organization, all contributions are tax deductible as allowed by the law.

Next year's Salute to the Stars Gala will be held on Thursday, October 19, 2017. For more information, please contact Marie Holmes at [marie@thecfef.org](mailto:marie@thecfef.org) • 281-370-0144, or visit our website at [www.TheCFEF.org](http://www.TheCFEF.org).
