Sixth Annual Fashion with Passion Raises Almost \$60,000

Class of 2017 Fundraises for the Jordan Merecka Caring Heart Fund and the Travis Chaffin Memorial Scholarship Fund

On Thursday, November 3rd, Celebrating Soul Cypress, soon to be rebranded to "Deep Cypress Neighbors," hosted its sixth annual Fashion with Passion Event at the Enchanted Cypress Ballroom. Students of Class of 2017 from Cy Fair High School, Cy Woods High School and Cypress Christian School, who served as the models began their fundraising journey eight months prior to this event by participating in the Cypress Challenge, #17DaysofKindness. The challenge required each model to commit to 1 act of kindness per day in order to raise awareness for the programs of Celebrating Soul Cypress, such as changing a flat tire or preparing snack bags for the homeless.

This year, the event raised almost \$60,000, which benefits individuals and families who have experienced financial setbacks due to traumatic experiences. Additionally, the event's proceeds go toward the Travis Chaffin Memorial Scholarship Fund for youth who demonstrate a strong character and heart for philanthropy.

Over 300 community members participate in this event each year. At the event, the Jordan Merecka Caring Heart Award is presented recognizing the individuals who have experienced a traumatic situation and turned it into something positive, providing inspiration to their fellow community members. The recipients of this year's Jordan Merecka Caring Heart Award were Clyde and Melinda Gordon of Abby's Gift.

In addition, some local Cypress boutiques were in attendance at the event. Participants included: Anything Bling in Vintage, Muzzies, Al's Formalwear, Damsels & Blokes Salon, Chelsea B Cosmetics, and Dillard's Men's Department.

Next year's Fashion with Passion event will be held in November 2017.

Rosehill Christian School Cheer Team

The RCS Eagle Pride Dance team had a very strong showing at the TAPPS State Dance Championships, which were held December 8-9 at the Arlington Convention Center. RCS Dance Director, Rochelle Lauve, said she was so proud of the attitude and effort demonstrated by the students on the team, many of whom were freshmen, and looks forward to the future as this team continues to grow, improve, and expand. The RCS Dance team glorified God in all that they did, bonded as teammates, and even met some new friends. As a small group performing a lyrical and pom routine, the Rosehill Eagle Pride Dance Team placed third overall, receiving state bronze medals in a very competitive field. The Dance team members are: Katie Hebert (Senior, Captain), Brooke Knighten (Freshman, Co-Captain), Yaminel Arzola (Senior), Mackensey Doyle (Freshman), and Madison Stoyak (Freshman). There were also individual all-state honors:

TENNIS TIPS *By USPTA/PTR Master Professional Polo Tennis and Fitness Club*

"How to execute The Forehand Lob"

In previous newsletters, I offered tips on how to hit the forehand groundstroke, the two-handed backhand, the one-handed backhand, the forehand volley, the two-handed backhand volley, the serve, the forehand half-volley, the one-handed backhand volley, the overhead "smash", the forehand service return, the backhand service return, the forehand high volley approach shot, the two-handed high volley approach shot and the one-handed high volley approach shot.

In this issue, I will offer instructions on how to execute the Forehand Lob. This shot is used when a player is forced to retrieve a ball that is hit deep and the opponent is either charging to the net or staying far back. The player hitting the lob is looking for "air time" to regain balance and court space. This ball should be hit high enough so the players at the net cannot reach and "slam" the ball down, or force the opponent at the base line to retrieve back. In the illustrations, "Suzie" Foster, Member of the Polo Tennis and Fitness Club, shows the proper technique to execute this stroke.

Step 1: The Back Swing: When Suzie is forced deep into the court and realizes that she must hit a defensive lob, she pivots to the right and gets her racket back early. Notice that the head of the racket is

low and her left arm is up in front to keep her balance. Her eyes are focused on the path of the ball and her weight is in her right foot.

Step 2: The Point of Contact: Suzie is now ready to hit the ball. Her eyes are now on the point of contact and the face of the racket is tilted at a 45-degree angle to create height and depth on her lob. Her goal is to keep her head still and not start looking up to her opponent or to the other side of the court.

Step 3: The Follow Through: The success of a deep lob is the follow through. Suzie's wrist is still "laid back" and her shoulder is lifting the racket above her head. Her right arm is still in front of her to allow maximum balance.

Step 4: The Shuffle Back: Once Suzie finishes the stroke, her goal is to either move forward toward the net to hit an overhead, or to shuffle back to the middle of the court to drive the next ball back to the opponent.
