THE OFFICIAL NEWSLETTER OF CYPRESS PARK

BOY SCOUTS OF AMERICA

TROOP 533 & 1907 FUNDRAISER

Good Shepherd United Methodist Church and Fairfield Baptist Church

If you are looking to beautify your landscape and bring your lawn back to life, then you will be interested to know it is that time of year again for fertilizer and mulch sold to you and delivered to your home by your local boy scouts this spring!

Troop 533 chartered by GSUMC and Troop 1907 chartered by FBC have joined forces once again to conduct their annual fertilizer and mulch fundraiser starting January 9, 2017. Troop 533 has delivered to homes in the Cypress community for more than 10 years and is proud to continue this tradition with Troop 1907. Scouting makes a direct and positive impact on your community by teaching positive values and leadership skills to our youth. Your support ensures Scouting will continue building character, fitness and citizenship for years to come.

The funds from your purchase will directly benefit the troop, and each individual scout, on their continued journey through the scouting program. The proceeds from each scout's sales will help fund activities such as High Adventure Camp, Summer

Camp, Treks, monthly troop campouts and so much more. By purchasing your lawn mulch and fertilizer from the scouts, you are directly supporting scouting programs where you live – programs that clean up your parks, gather food for the area needy and even help your community prepare for disaster.

This year's offerings include red, black, hardwood or pine bark mulch as well as premium or slow release fertilizer and weed n feed fertilizer. Scouts will be visiting your neighborhood soon! All purchases will be delivered by the Scouts on February 25, 2017.

For your convenience, Scouts will be selling door to door in your subdivision beginning January 9th. If you are reading this circular and think we may miss you, please order by emailing Troop 533 at BoyScoutsTroop533@yahoo.com.

*Yours in Scouting,
Scoutmaster Louis Mayer (Troop 533) and
Scoutmaster Chad Gaulding (Troop 1907)*

SMART TALK ABOUT HOME REMODELING

The temperatures feel like Spring already and the time of year that you start looking at your home and thinking about remodeling is almost here. You may have noticed that the outside of your home needs a little work or you may be looking at putting your home on the market. When it comes to remodeling, where do you start?

Every year, "Remodeling" magazine looks at the average costs of home remodeling projects with the value of those projects retain at resale in over 100 U.S. cities. The smartest investment that you can make when remodeling may surprise you. Many homeowners go to the time honored update of the kitchen and bathrooms to garner the best price per square foot at resale.

However, "Remodeling" magazine ranks "re-siding with fiber cement as the #1 return on investment when compared to other mid-size remodeling projects" for the fourth year in a row. Compared to adding a bathroom, re-siding your house with fiber

cement nets a 25 percent higher return on investment. Re-siding with fiber cement will also increase your return by 11 percent over vinyl windows and a whopping 24 percent greater than a major kitchen remodel or roof replacement.

The next question in remodeling is who to trust with your home remodeling project. Choose a company with a good reputation that offers solutions for your remodeling needs. Ask trusted friends for recommendations, check out the company's BBB rating and know that the cheapest estimate may not always be the best. Michael Berry, KTRH 740AM personality and host of the Michael Berry Show, endorses Houston Siding. Berry states, "I have

spoken for Houston Siding Company for 10 years and have never had a complaint."

Texas has its own set of challenges with temperatures in the highs

and lows as well as high humidity and storm potential. With a familiar slogan in Texas being “if you don’t like the temperature just wait a few minutes,” you should look for products that are durable as well as suited for the climate.

An innovative product from James Hardie brings new technology to siding. James Hardie Insulated Lap Siding offers siding backed with foam insulation. It is engineered to keep your home cooler in the summer and warmer in the winter. Because foam insulation helps maintain a more consistent temperature in your home, it can help reduce your energy bills and conserve resources for long-term energy efficiency. James Hardie insulated siding is available at Houston Siding, a James Hardie Elite Preferred Contractor.

As Spring time approaches and remodeling projects start, you want to ensure that you’re using the best possible products and company for your next remodeling project.

was paramount in the saving of US lives and assets while fighting off terrorists from the CIA Annex for over 13 hours. Mr. Paronto's story is told in the book "13 Hours" written by Mitchell Zuckoff and his five surviving annex security team members.

In 2009, Edward Station, former CFEF Trustee, envisioned a gala to recognize and honor our military while raising scholarship funds for the Foundation. Salute to Our Heroes has funded more than \$600,000 in endowed scholarships for students graduating from the Cypress Fairbanks ISD.

CFEF was established in 1970 as a non-profit to raise money to fund a scholarship for high school graduates in the area. Over the past 46 years, the Foundation has grown tremendously through the efforts of the Board of Trustees and the generosity of the Cy-Fair Community. The Foundation has awarded more than \$7 million in scholarships to 1400 graduating seniors. CFEF is a 501(c)3 non-profit organization, all contributions are tax deductible, as allowed by the law.

Sponsorships and tickets are available for Salute to Our Heroes

Tickets: \$100 individual; \$50 veterans
