FINISHED

THE WORD THAT CHANGED THE WORLD

What was finished? What was this mission that was now completed?
This word of Jesus was a cry of accomplishment, but also an announcement
of obedience fulfilled, the final culmination of a life of obedience, humility,
and suffering. But it was not the end. It was only the beginning...

We invite you to celebrate Easter with the ABC family
and learn what's in store for those who follow Him.

PALM SUNDAY

April 9, 2017
Worship 9 & 11:11 am
Bible Fellowship 10:10 am
Message:
*For Me It Was in the
Garden He Prayed...*
Matthew 26:36-46

UPPER ROOM SERVICE

Thursday, April 13, 2017 • 7:00 pm
*The Sanctuary Choir, Orchestra,
and Drama Ministry will lead us
to reflect on the events in the
life of Christ from the triumphal
entry to His crucifixion.
Share in the joy and sorrow
as we share the Lord's Table amid
heart-stirring music and drama.*

COVER PHOTO

Do you take great photos?

Do you take great photos? Would you like to see your photo published? We are looking for great cover photos for upcoming issues of the Lakeway Voice. All photos submitted must represent Lakeway.

Our deadline for submittals is always the 9th of the month prior to the issue. All photos should be submitted electronically by the deadline date in high resolution (300 dpi) to lakeway@peelinc.com. Portrait (vertical) photos work best.

This month's cover photo is Rebekka Ellis and her son Van. Submitted by Jamie Barouh - www.snapologiephoto.com.

By submitting your photo you agree to allow your photo to be published in future issues of the Lakeway Voice or other Peel, Inc. publications. Call 512-263-9181 to find out how to have your business featured on the cover of the Lakeway Voice.

ANNUAL LAKEWAY TEA BENEFITING HELP OUR WOUNDED NETS RECORD \$10,083

Stunning centerpieces, gorgeous hats and special costumes filled the Hills Country Club for the Annual Lakeway Tea benefiting Help Our Wounded on Saturday, March 11, 2017. The amount raised from tea ticket sales and donations is a record setting \$10,083. This money will benefit so many wounded veterans, who have valiantly served our country.

Almost 180 women attended the high tea with proceeds benefitting Help Our Wounded.

Many participants competed for prizes by decorating tables with different and creative concepts. After every guest had voted for their favorite tables, high tea was served.

This year Kendra Scott donated beautiful jewelry which was given to all the ladies at the table who donated the most money. Ben Kuenemann donated stunning watercolors which were given to

everyone at the table who donated the second most money. A total of \$6,700 was donated at the tea.

Help Our Wounded (HOW) was founded in 2009 by Rosie Babin after their son was severely injured in 2003, and she witnessed, first-hand, the gaps in the system. The mission of HOW is to help wounded veterans and their families with necessary financial assistance to ensure the assistance is a hand-up not a hand out. HOW is unique in its ability to respond quickly to the veterans' needs. "What a stunning group of ladies, surrounded by beautiful tables settings and all for a worthy cause to help our wounded veterans and their caregivers. Thank you for being a part of healing American heroes," said Rosie Babin. To learn more about HOW go to helpourwounded.org.

Ann Neighbors thanked everyone for their contributions to HOW and for making the tea such a success. Door prizes were given out after which Neighbors announced the table prize winners.

A SPECTRUM RETIREMENT COMMUNITY

Council Seats, Police Facility, Road Tax on May 6 Ballot

The City of Lakeway will have a City Council election and two propositions on the ballot for the May 6 election this year.

City Council candidates

Bridge Bertram, Ron Massa and Tiffany McMillan are running for two council seats. Bertram and Massa are incumbents. The two candidates with the most votes will be elected to serve a three-year term.

Proposition 1 is for the issuance of \$23,065,000 in tax bonds for public safety facilities to include a new police facility project, which would be at the corner of Lohmans Crossing and Lohmans Spur.

The city will host three town halls on March 27, April 6 and April 20 for the public to learn more about the police facility project. All three town halls will be at 6:30 p.m. at Lakeway Activity Center, 105 Cross Creek.

For more information about the project, please visit www.lakeway-tx.gov/policefacilityproject.

Proposition 2 is for the reauthorization of a 1/4% local sales and use tax to provide revenue for maintenance and repair of city streets. This revenue comes from sales taxes; it is not property tax-based.

The Tax Code authorizes cities to assess a special sales tax to fund maintenance of their streets and roads.

Lakeway receives in excess of \$500,000 per year from this revenue source, and the revenue is used solely to fund street maintenance; primarily fresh asphalt overlays. In fiscal year 2013, the city used \$477,728 to fund street overlays. In 2014, \$438,269 was used for street overlay and drainage maintenance. The revenue from 2015 and 2016 was combined to fund an overlay of Lakeway Boulevard for \$904,147.

This summer, the city plans to spend in excess of \$500,000 to repair and overlay Hurst Creek Road.

"The city uses these funds to maintain and repair its streets," Lakeway City Manager Steve Jones said. "We are required by law to put this referendum before voters every four years in order for the city to continue to receive this revenue."

Early voting is April 24-May 2, and Election Day is May 6.

SPRING DANCE AT LAKEWAY'S BIG BAND BASH

There's no better way to celebrate Spring than by dancing with one of the best big bands in Central Texas. Enjoy a large dance floor in an air conditioned ballroom, tables available for your own treats (e.g., champagne and caviar), at a place where you may invite your friends without the hassle of reservations. Do this in the ballroom of the Lakeway Activity Center (105 Cross Creek). The Lakeway Big Band Bash is on the second Monday of each month, from 8 to 10 p.m. Monday, April 10, 2017, is the next event. Admission is free (donations to the band are encouraged).

Kent Dugan's 17-piece orchestra, The Republic of Texas Band, features well known singers (and Lakeway residents) David Cummings and Lisa Clark. This band consistently appeals to dancers of many generations. Expect to hear a wide variety of favorite tunes, mostly from the Sinatra era, with fresh arrangements.

"What a great to celebrate. Have dinner out and go dancing at the Bash at 8 p.m.," suggests Fred Newton, Lakeway Arts Committee chairman.

For more information, call the Lakeway Activity Center at 512-261-1010.

A colorful poster for Kidventure Summer Camp 2017. The background is a vibrant, abstract mix of red, orange, and blue. On the right side, there is a portrait of a smiling young girl with dark hair, wearing a red t-shirt with a yellow 'K' logo and the word 'KIDVENTURE' below it. The text on the poster reads: 'This Summer, Dream Big!' in large white letters, followed by 'KIDVENTURE' in smaller white letters, then 'SUMMER BLOCKBUSTER' in large, bold, white letters with a black outline, and '★ SUMMER CAMP 2017 ★' in smaller white letters. At the bottom, it says 'REGISTER TODAY' and 'Kidventure.com/austin-summer-camp' in white letters. There is also a small logo for 'KIDVENTURE' at the bottom right.

Kendra Diamond and Pam Ovlen to Speak at Women's Club April 24

If you would like to be thoroughly entertained by Kendra Diamond and Pam Ovlen while learning about “Table Settings in Lakeway”, come to the Women's Club of Greater Lakeway general meeting at the Lakeway Spa and Resort Vista Ballroom on April 24. These two talented members of Women's Club will share their tips and

tricks for being creative with flower arrangements and containers and with table settings.

Diamond admits she “loves to tell flower arrangement secrets with all kinds of hints that will make all of us look like professionals”. She has had the privilege of attending classes with many experts in San Francisco, Los Angeles, San Diego and Baltimore where she honed

her talent for exploring new designs. She now encourages others to feel free to unleash their creative talent – and have fun doing it. In her past life, Diamond was an assistant professor of physical education at State University of New York at Stony Brook, a lecturer at Indiana University, and teacher at Larchmount, New York.

Ovlen was an interior designer for 30 years in California and Washington State. She is a professional member of the American Society of Interior Designers (ASID) and has taught Interior Design at The Art Institute of California in Hollywood.

This dynamic duo will teach you the secrets to make your next projects much more rewarding and successful.

The April 24 general meeting is free for members and their guests, beginning at 9:30 a.m. with a coffee social in the Vista Ballroom followed by a brief business meeting and the speaker. Lunch will be served at 11:30 a.m. Cost: \$23 for members; \$28 for non-members. Lunch reservations are required by April 17. Please make checks to “W.C.G.L. – Women's Club of Greater Lakeway” and mail to: Joyce Christian, 1408 Lakeway Drive, Lakeway, Texas 78734.

For membership information, please see lakewaywomensclub.com.

Lake Travis High School Project Graduation

What is Project Graduation?

Graduation is a right of passage for our Seniors, a night to be proud, To celebrate past achievements, and to look forward to their future. Graduates celebrate all night, with adult supervision, in a drug and alcohol free environment of fun-filled activities.

Project Graduation is a yearlong program sponsoring approved Senior events including an All Night Lock-In following the Senior Graduation Ceremony. Project Graduation depends solely on funds raised from generous local businesses, student organizations, parents and several fundraising activities.

Immediately Following the LTHS Graduation Ceremony, the graduates are transported by bus to a safe alternative to "Party Hopping" and it gives parents peace of mind knowing their son or daughter is celebrating in a safe, yet fun environment supervised by adults. It provides the graduating Seniors the opportunity to share with their classmates an all-night celebration of activities consisting of music, dancing, food, fun, games, and prizes.

Visit <http://www.ltprojectgraduation.com> for more information, sponsorship opportunities and to volunteer.

News You Can Use

LAKEWAY *Lakers*

The Lakeway Lakers swim team is busy getting ready for another great season of summer swimming! Our team focuses on stroke development and individual improvement, making new friends, and learning how to swim and compete in a fun and recreational season. Our Head Coach this summer is Janet Risser, a certified coach with over 30 years of experience coaching kids and adults of all levels.

Registration for the Lakeway Lakers summer swim team will be done online and will open to returning members on March 27 and to new members starting April 3. Registration continues until we reach our enrollment cap. We usually fill our spots quickly so be sure to register early!

Practices begin after school starting on May 1 and continue weekdays until school ends on June 1. Then we switch to weekday morning practices until June 23. All practices are at the Lakeway Swim Center, in the heated competition pool. We will compete in seven swim meets at the Lakeway Swim Center and other local pools on Saturday mornings during our season.

All swimmers are welcome to join the team; there is no residency or pool membership requirement. The minimum qualifications include being at least 5 years old and not older than 17 years old as of May 1, 2017, the ability to swim one lap (25 yards) of elementary freestyle, and ready to participate on a team. If you are uncertain about your child's swimming abilities, please schedule a tryout before registering for swim team. Tryouts will be held on April 3-5 in the afternoons at the Lakeway Swim Center. Tryouts are highly recommended for swimmers who are new to swim team. The registration fee is \$210 per swimmer, and this includes everything except the team swimsuit.

Running a swim team is a community effort and all families on the team are needed to work at least four swim meets or to help in other areas related to team operations. If you are new to the sport of swimming, we will help you find the right job.

You can learn more about our team at www.lakewaylakers.org. If you have any questions about summer swim team, or need to schedule a tryout, please contact us at admin@lakewaylakers.org.

19th Annual Wilderness Run & Walk: Friends of the Parks of Lakeway

**Saturday, April 22, Earth Day
Hamilton Greenbelt - Lakeway**

Registration: 8:00AM

Event: 9:00 AM

Looking for a unique and active way to spend a morning in Lakeway? Join members of the Friends of the Parks of Lakeway and other outdoor enthusiasts for a 3 or 5 mile run or walk on Saturday, April 22 at 9:00AM at the Hamilton Greenbelt across from the Justice Center and help us celebrate Earth Day. This FREE community event will take you through the heart of Lakeway's trail system.

The course winds along canyon walls and high cliffs, across fern covered creeks, and through tall native tree forests. Refreshments are available at the start/finish areas and at various locations along the course. Immediately following the event, there will be an award presentation for the top male and female finishers in various youth and adult divisions.

This year's signature sponsor is: Eitel Group. "For the last 19 years the Friends of the Parks of Lakeway have organized this community event and we look forward to seeing both former participants and first time runners or walkers enjoy the park systems of Lakeway," said Pat McDermott, President of the Friends of the Parks.

Register on Race Day between 8:00 AM- 8:45AM with option of purchasing a commemorative T-Shirt for \$15.00. All donations and proceeds from The Wilderness Run will go towards improving and beautifying Lakeway's parks and greenbelts. We look forward to the fun we'll have running/walking together with the Lake Travis community. For additional information about this event, please call director and event co-chair Sheryl Kelly at 512 997 8880 or visit our website <http://www.lakewayfop.org/>

WHAT IS YOUR RISK NUMBER?

PLATINUM**WEALTH**
ADVISORY

Do you know if your investment plan matches up with your actual desired risk?

Your investments should match up with your long term goals and desires. Just choosing a general risk tolerance of conservative, moderate, or aggressive is not an adequate way to determine the best portfolio mix. We have

found that using a specific Risk Score matched to your unique situation is the best way to allocate assets. Knowing how much you stand to gain...or lose is exceptionally important to managing the success of your investment plan.

Go to PlatinumWealthAdvisory.com/blog to determine your risk number today or give us a call to get started.

News and Updates from Lakeway MUD

Water Conservation

There is a very good chance we are going to have a very hot and dry summer, so conservation becomes even more critical as we face the expected heat. As of May 1, we again enter into the period of time where irrigation is limited to twice per week. As in the past, no irrigation is allowed between 10AM and 7PM. Some will ask why we are limiting irrigation when our lakes are full, but those of us that have been here for a while understand that the next drought is just around the corner and we all need to conserve at all times. The twice per week watering schedule remains the same as in the past, with residential addresses ending in odd numbers irrigating on Wednesday and Saturday, even residential numbers on Thursday and Sunday, and commercial businesses on Tuesday and Friday. If you come by the office we will give you a refrigerator magnet with the irrigation schedule on it. This schedule has proven even in the worst drought years to be effective in keeping our lawns and vegetation healthy and appealing.

We have had a very warm winter, in fact one of the warmest winters on record. Because of this we have had above normal usage with customers using their outdoor irrigation systems. Our winter

averaging was December-January and February-March. With summer right around the corner everyone needs to check their irrigation system to make sure it is operating efficiently. What I have found over the years is that since we bill bi-monthly or every two months, customers do not realize how much they are using outside on their landscape until they get their bi-monthly bill. By then they are on another bi-monthly billing cycle, which is 3 months of usage. We can profile your meter to help you understand your outdoor usage; just give us a call.

We wish to thank the citizens of Lakeway for their dedicated cooperation in the past around our irrigation restrictions. We have had to issue very few warnings for violations, and the vast majority of those were corrected immediately. Sometimes thunderstorms and lightening can cause automatic sprinkler systems to malfunction causing them to activate at the wrong times. Those are easily corrected when the malfunction becomes apparent, and our customers have been very good about fixing those issues. Thank you for your cooperation and support. We will keep you informed on our website and by our banners on Lohmans Crossing and Lakeway Boulevard.

Billing Software Update

You may remember from previous articles that LMUD launched a totally new online utility billing system effective February 27, 2017, after months of conversion and implementation efforts by the LMUD Staff as well as the staff of Continental Utility Services Inc. (CUSI), the provider of the software. This new system features enhanced services and options including automatic payments charged to a credit card or bank account, complete usage history and billing history.

The new system allows customers to view and pay their utility bill online conveniently and securely, as well as view their account in detail. LMUD customers will be able to change their billing address and contact information, their credit card and/or bank information, and sign up for paperless delivery of billing notices and statement delivery.

Our billing that was mailed or electronically delivered on April 1st was the first to be delivered using the new system. The format is much simpler and easier to read than our old statements, and contain much more information about each customer's account. The feedback we have received from our customers has been extremely positive regarding the billing statements as well as the ease of use of the new portal.

I want to encourage our customers to register as a user on our new portal and enjoy the features of the new system; please go to our website www.LakewayMUD.org and click on 'My Account' in the upper right hand corner of the page to get started. We hope that many will opt to sign up for automatic payment of their bill using a credit card or bank account. Our hope is that many will also sign up for paperless delivery of their billing statements. When this feature is enabled, the customer gets an email over two weeks before payment is due with a link to the actual billing statement, and then another email a few days before payment is charged to the card or bank account. This feature saves trees, postage, and avoids lost or late mail.

I would like to take this opportunity to thank the LMUD staff for their many long hours and hard work over the past few months to make this transition possible. I want to also thank the staff of CUSI for their support and dedication. Most importantly, I want to thank all of our customers who have cooperated and worked with us in making this all happen. A great job by all! We ask everyone to continue to do their part and conserve wherever possible. We need to work together to protect our valuable water resources.

News for WCID 17 Customers

TO CONSERVE WATER AND SAVE MONEY... KNOW YOUR DAYS/KNOW YOUR USAGE

Water District 17 will be starting two (2) times per week summer mandatory outdoor watering schedule on May 1st. Know your designated watering days and times and follow the schedule to limit your consumption and save money.

FOR ALL CUSTOMERS: NO IRRIGATION ALLOWED BETWEEN 10:00 a.m. – 7:00 p.m.

CUSTOMERS LIMITED TO 2 DAYS PER WEEK

Residential: May 1 – September 30 **Commercial:** Year Round

AUTOMATED IRRIGATION WATERING SCHEDULE

Automated: Irrigation by means of a system controlled by a timer or other remote controller.

Allowed to water BEFORE 10:00 a.m. and/or AFTER 7:00 p.m. on your designated days

Your days based on address ending number:

Monday & Thursday	0, 1, 2, 3 (Res)
Tuesday & Friday	4, 5, 6 (Res) and Commercial / HOAs
Wednesday & Saturday	7, 8, 9 (Res)
Sunday	no automated systems allowed

Note: Customers that utilize automated systems may NOT water the same landscape areas using hose end sprinklers; only hand held hose if additional water is required.

HOSE END SPRINKLER – ANY DAY

Hose end sprinkler: Garden hose equipped with a removable portable sprinkler which is moved from place to place by hand and turned on and off by hand.

Note: Only for Customers who do not have automated irrigation systems

Allowed any day, no watering between 10:00 a.m. and 7:00 p.m.

Notes:

- Watering with HAND HELD hose, soaker hose, bubbler, drip irrigation or watering can of 5-gallons and less is allowed
- any day, any time
- Climate driven irrigation controllers should be turned on
- No other water uses are restricted under this Stage (Car washing, pool refills, use of outdoor fountains, etc – allowed)
- Variances may be granted under this Stage

IMPORTANT TIPS FOR LANDSCAPE WATERING:

Get on the correct schedule as soon as possible. If you have an irrigation system, make sure it's in good working order and the settings are adjusted correctly. Check to see if your system is set to run more than one cycle per day.

Calculate and understand how much water your irrigation system is using each time it runs a full cycle. You can do this several ways.

- Exact Calculation - Shut off all inside uses, take a meter reading, run a full irrigation cycle and then take another meter reading. Subtract the first reading from the second to get the exact number of thousand gallons used per each cycle.
- Approximate Calculation - Add the total number of run minutes for all zones then multiply by 12 gallons per minute (average system use) to get the approximate amount of thousand gallons used for one cycle.

Examples: 8 zones x 50 minutes per zone = 400 minutes per cycle
400 minutes x 12 gallons/minute = 4,800 gallons per cycle

If you then water two (2) times per week –

4,800 gallons/cycle x 2 cycles per week = 9,600 gallons per week

If you water two (2) times per day on both watering days, (2 cycles/day) you are watering four (4) cycles per week -

4 cycles/week x 4,800 gallons/cycle = 19,200 gallons/week

19,200 gallons/week x 4 weeks = 76,800 gallons/month

Add the amount calculated to your estimated use in the home (approximately 4,000 – 5,000 gallons per month for two persons) to determine your total approximate usage.

If you think your usage is too high, lower the number of minutes watering each zone runs. Should your first spring bill seem too high, pull out this sheet and recalculate your usage. Still have questions; give WCID 17 staff a call to help you out: 512-266-1111.

Why E&H?

Undoubtedly, there are plenty of shutter companies that offer great customer service, as well as the highest quality materials and craftsmanship, as do we. However, there are a few things we provide that they can't – a truly transforming buying experience. Furthermore, our premium shutters are available to everyone at a third (yes, 1/3) the price of any other shutter company on the market! **Its that simple...no strings attached. Period!**

However....**ONLY** our Austin Neighbors enjoy two very special and industry unheard of benefits:

- ✓ **First, same day or next day in-home sales consultation and professional window measuring.**
- ✓ **And second, 3-4 business days order turnaround with FREE E&H PROFESSIONAL INSTALLATION (avg. industry installation cost per window is \$150).**

Our Guarantees

- * Only the most premium materials used
- * Craftmanship second-to-none
- * 1/3 the price of other preimum shutter companies
- * 3-4 Business Day Order Turnaround

Call or visit our website to schedule your same/next day in-home consultation

News You Can Use

Lake Travis Retired Physicians Expands

The recently established Lake Travis Retired Physicians has grown to about 30 active members who meet second Mondays at Flintrock Falls Clubhouse, 11 a.m. to 1 p.m. There is no fee to attend, but advance lunch reservations are required.

The retired doctors' group first organized in October 2016, in association with Baylor Scott & White Medical Center—Lakeway.

"We are grateful to the hospital for helping to launch our new group, but with 30 active members, we worried that we were outgrowing our space," said Dr. Bill Evans of Lakeway, group chair.

At the March meeting, the retired doctors heard from John Redford, executive director of The Harbor at Lakeway, about the memory-care and assisted living industry. The April 10 speaker is Dr. Twisha Verma, radiation oncologist at Austin Cancer Center—Lakeway.

On May 6, the group, along with spouses/partners, will enjoy an evening social at a member's home.

To join or inquire, contact Dr. Bill Evans of Lakeway, 512-261-3536; or send an email to organizer Pat Evans at patevans39@gmail.com. Ideas for speakers are welcome.

KOKICHI AKASAKA TO PERFORM IN LAKEWAY

The City of Lakeway's Arts Committee is proud to present renowned Japanese guitarist Kokichi Akasaka in concert in the ballroom of the Lakeway Activity Center, 105 Cross Creek, on 23, 2017, **Sunday, April 23, from 4 to p.m.** The concert is free and open to the public. Call 512-261-1010 for more information.

Mr. Akasaka honed his virtuosity while living in Spain for many years. He has won several competition prizes. He has performed concerts in Asia, America, and Europe, including venues such as the Concertgebouw in Amsterdam and Carnegie Hall in NYC. The New York Times, in a review, said, "Mr. Akasaka showed himself to be an inventive arranger."

Sections of the program will include pianist Asako Crystal, soprano Nancy Parker, and narrator Maxine Gomes.

LT LOV

LTlov and Corrective Chiropractic teamed up to donate coats and blankets to Helping Hand Crisis Ministry of Spicewood for distribution to their clients for the last stretch of winter. Corrective Chiropractic plans to partner with LTlov throughout the year on various programs that support families in need. Pictured, from left, Michelle Zogas, LTlov, Christy Hill, Corrective Chiropractic, Robert Woods, Helping Hand Crisis Ministry of Spicewood and Dr. Jarrod Bagley, Corrective Chiropractic.
