LOEN LADIES CLUB NEWS

The LOEN Ladies Club, a social club open to all women of the community, is having their next general meeting on Tuesday, May 23, 2017. Come out and meet the new officers and executive board members who will be serving the club during the 2017-18 term. The evening begins at 6:30pm with a Potluck Social Hour and the meeting follows at 7:30pm.

On Saturday, April 8, the LOEN Ladies Club held its Second Annual Spring Picnic in the meadow near the gazebo and clubhouse. This free picnic was a community outreach of our club provided to the entire LOEN community. We wanted to provide all LOEN residents the opportunity to come out on a beautiful Spring day to meet and socialize with their neighbors, and experience the fun of their very own Ladies Club. This year the weather was superb and the food and entertainment was outstanding. The fantastic music was provided by White Noise whose members include LOEN residents Willie Boswell and Barry McKinney. Thanks guys for the donation of your time and talent. More thanks go to our sponsors whose generous donations helped make our picnic a success: LOEN HOA, Dr. Mark Gray, DDS, Michelle Hinton, REALTOR, Perfection Fireplace and Supply, Joe's Mesquite Grill, and PartnERs Emergency Center.

Our club is a great place to meet your neighbors and make new friends. The club has several social and game groups that meet monthly and five general membership meetings held throughout the year. Some activity groups meet during the day and others in the evenings, to try to accommodate the different schedules of our members. Not quite sure if you're ready to join yet? Just contact us to attend one of our activity groups as a visitor. Then, if you like us, you can join the Ladies Club! Of course, visitors are always welcomed at our general meetings and new members are accepted at any time. If you would like more information or want to join the Ladies Club, please contact Jeanne MacKenzie at loenladiesclubpresident@gmail.com.

Acts of Wisdom Golf Tournament

Friday, May 12, 2017 1:30 pm

Houston National Golf Course

16500 Houston National Blvd, Houston, TX 77095

Join Us for a day of FUN, FOOD, and GOLF benefiting ACTS of Wisdom, a faith-based, non-profit organization that seeks to provide quality education to children in rural Africa.

Cost: \$115 Free range balls, cart, green fees, two drinks on course, tournament prize, and dinner. (If you do not have a foursome, we will pair you with others)

All proceeds benefit Acts of Wisdom and help to expand our presence in rural Africa to help give more children the materials they need for school. For a registration form or to be a sponsor at any level, please go to actsofwisdom.com.

ACTS of Wisdom grew out of founder Pastor Brad Otto's experiences in Ethiopia and the Book of Acts where an Ethiopian Eunuch asks the Apostle Philip about Jesus. Philip is stunned that he doesn't know, to which the eunuch replies, "No one has ever taught me." Part of the cycle of poverty is not having access to quality education, or having inadequate supplies for education.

145 million children in the world do not have access to education, yet children still dream of becoming doctors, lawyers, and teachers.

At ACTS of Wisdom we believe every child, everywhere, should have access to education and to teachers willing to take time to teach them. Our hope is that through bettering the education opportunities of children, we might be able to help end the cycle of poverty, and begin to have peace in our world.

The Houston Choral Society Presents

Music Fit for a King

May 6, 2017

The Houston Choral Society (HCS) culminates its 30th season with magnificent and regal works in its Music Fit for a King concert on Saturday, May 6 at 7:30 PM at The Foundry United Methodist Church.

This inspiring concert, directed by HCS Artistic Director Dr. Kevin M. Klotz, features Handel's "Coronation Anthem Zadok the Priest," Mozart's "Coronation Mass," and John Rutter's "This is the Day" that was composed for the wedding of HRH Prince William and Miss Catherine Middleton.

Handel composed his four coronation anthems between September and October 1727, producing some of the most spine-tingling choral music of the Baroque period. Zadok the Priest is by far the most popular of the four. Composed for the coronation of King George II of England in 1727, this anthem has been performed at every coronation since then. Its adrenaline rush of an introduction, with its teasing promise of release only to start again, is only a warm-up for what is to come. As the regal strings build, it's still a surprise when the trumpets and choir burst onto the scene with their triumphant outpouring of joy, gradually climaxing in a full seven-part choir singing 'God save the King!'

Mozart's triumphal Mass in C Major, K. 317, is one of his most popular and enduring works. It is known as the Coronation Mass, a nickname it acquired following a performance conducted by Antonio Salieri in 1791 in Prague at the coronation of Leopold II as King of Bohemia. This festive setting of the mass combines soloists, chorus, and orchestra in a brilliant and virtuosic style. In addition, Mozart uses the same thematic ideas from the first movement in the final movement, bringing a sense unity to this magnificent and rousing composition!

In addition, the 75-member chorus will be singing two numbers specifically composed for the coronations of British Royalty - C. Hubert H. Parry's "I was Glad When They Said Unto Me" composed for the coronation of King Edward VII in 1902 and Ralph Vaughn Williams' "O Taste and See" that was composed for the coronation of Her Majesty Queen Elizabeth II in 1953.

"On this concert, we are featuring works that were performed at royal celebrations," said Dr. Klotz. "Come and experience the dramatic and rousing quality of these compositions as the Houston Choral Society presents some of the most magnificent and regal music ever written!"

Guest soloists for this concert are soprano Cynthia Clayton, mezzo-soprano Sonja Bruzauskas, tenor Nicholas Szoeka, and bass Leon Turner.

Ticket prices are \$25 for adults, \$20 for seniors/students/veterans, and \$10 for children ages 5 and younger. Group rates are available. Tickets are available online at www.houstonchoral.org. Tickets may also be purchased at the door. The Foundry United Methodist Church is one of the premiere choral venues in Houston with extraordinary acoustics. It is located in northwest Houston at 8350 Jones Road, Houston, TX 77065 with easy access from Highway 290.

NATURE'S CLEAN-UP CREW

By Cheryl Conley, TWRC Wildlife Center

You always know when an animal has met an untimely and unfortunate death when you see Black Vultures or Turkey Vultures. So how can you tell the difference? The Black Vulture has a featherless black-grey head while the Turkey Vulture has a featherless red head. In flight, the Black Vulture is distinguishable by white-tipped wings

whereas the majority of the underside of the Turkey Vulture is pale in color.

Both species of vultures feed primarily on carrion. Most of what vultures eat would make any other animal very sick but they are strong animals with an incredible digestive system and a very strong immune system. Their stomachs are extremely acidic. They can usually survive eating carcasses infected with botulism, anthrax, cholera and salmonella. Some believe that vultures spread disease because they eat dead meat. Actually, the opposite is true. They rid our environment of what could potentially cause the spread of diseases.

Turkey Vultures use their eyesight and keen sense of smell to find their food. By flying low, they are able to see dead animals and detect the gases produced when an animal begins to decay.

They prefer to feed on animals that are recently dead. Black Vultures can't smell but will often follow Turkey Vultures to find food.

The breeding season of the turkey vulture starts in March, peaks in April to May, and continues into June. Interestingly, vultures don't make nests. In most cases, females lay two eggs but have been known to lay one and rarely three. The eggs are whitish/cream colored and heavily marked with dark brown or lavender spots around the larger end. Eggs are generally laid on a bare surface in a protected location. TWRC receives many calls from the public reporting that a vulture took up residence in their atrium or on their front porch.

Both parents incubate, and the young hatch after 30 to 40 days. Chicks are altricial, or helpless at birth. Both adults feed the chicks by regurgitating food for them, and care for them for 10 to 11 weeks. When adults are threatened while nesting, they may flee, or they may regurgitate on the intruder or feign death. If the chicks are threatened in the nest, they defend themselves by hissing and regurgitating. Family groups will remain together until fall.

Although not endangered, vultures have been impacted by the use of lead bullets and buckshot used by hunters. If the shot animal is not removed or covered, vultures will consume the

contaminated meat and become ill or die.

Because of their eating habits and appearance, vultures would probably never win a "My Favorite Bird" contest or "Most Beautiful Bird" award but they play an important role in keeping our environment cleaner and definitely smelling better. Have you thanked a vulture today?

If you'd like to learn more about TWRC Wildlife Center, what we do and how you can help, visit our website at www.twrcwildlifecenter.org. Opportunities are available at our wildlife center and include baby bird and opossum feeders. We also provide training for in-home rehabilitators. Shield Bearer Running for Hearts 2017

Running for Hearts 5K Family Fun Run and Walk benefits Victims of Crime, Abuse, and Human Trafficking in Northwest Houston

Hundreds of runners and walkers participated in the 2nd Annual Running for Hearts 5K Family Fun Run and Walk benefiting Shield Bearer at Northside Christian Church on March 25, 2017. This event, co-chaired by Precinct 4 Harris County Commissioner R. Jack Cagle and Shield Bearer Founder Matthew White, shed light on the growing need for counseling services and prevention programs for victims of crime, abuse, and human trafficking in the community.

“Shield Bearer provides a safe and hopeful place for children and adults to rebuild after tragedy and trauma. We do this with an army of community supporters, volunteers, and professional counselors. We are so thankful for everyone who came out to make a difference for people who have gone through traumatic events right here in Northwest Houston,” states Shield Bearer Executive Director Roy Wooten.

Local businesses, schools, and organizations rallied to support this cause including Platinum Sponsor Avanti Senior Living. “Avanti Senior Living is dedicated to enriching the lives of their residents and the community around them. Their partnership was instrumental in the success of this event and it will have a lasting impact on the community. The volunteer support from local schools was incredible and organizations like the American Business Women’s Association generated thousands of dollars for the cause. It truly was a community effort,” states Shield Bearer Associate Director Melissa Rotholz.

Additional sponsors included FINS ‘The Art of Swim’, Toney Construction Services, Lindsay’s Light, Brookside Funeral Home-Champions, Tomball Ford and Dodge, Freedom Publishing Unlimited, Health South, Spring Medical Associates, Dayna Wilson State Farm, Biggby Coffee, Houston Methodist Hospital, Nestle Pure Life, ReWarding Images, Misfit Design Group, P31 Fitness, Chick-fil-A, Giannina’s Pizza and Catering, Tacos Ole, HEB Spring Market, and Tikiz Shaved Ice and Ice Cream.

For more information about volunteering and partnering with Shield Bearer, visit shieldbearer.org, call (281) 894-7222, or attend a free Community Breakfast on the first Tuesday of the month at 9AM at 12340 Jones Rd, Ste 290 in Houston.
