Relay for Life of Cy-Fair

Relay For Life of Cy-Fair is scheduled for Saturday May 20, 2017 at 11 AM through 11 PM at HP Campus, 11445 Compaq Center Rd. W, at intersection of SH 249 and Louetta Road.

The American Cancer Society's Relay For Life of Cy-Fair is the primary fund raising event for ACS every year. Help in the fight against cancer by walking with us and joining in the fun activities and solemn and joyful ceremonies! This is the 13th year for Relay in Cy-Fair and this event has grown and raised more money each year since its' inception! To join a team or form one of your own please visit our website. www.relayforlife.org/cyfairtx

This year our theme is: The Cure Boat – Cruise For the Cure!

Fun Activities will be announced in the coming weeks.

Last year flood damage to the facilities postponed our date and inclement weather moved the event indoors, but nothing dampened the spirits of hundreds of participants! Enthusiasm abounded and the event was a huge success, raising more than \$70,000.! This year our goal is to surpass that total. Our efforts will one day provide for cancer research to end this dreaded disease! AND WEATHER WILL NOT STOP US! Participate and help Make Cancer History!

Relay For Life remains the American Cancer Society's most effective fund raising event in the fight against cancer. Money raised supports the American Cancer Society's cancer research, as well as the programs and services we provide to cancer patients and their families. Relay For Life, is now forming both business and personal teams for the May 2017 Cy-Fair event. RFL is also seeking corporate sponsors, volunteers, cancer Survivors and Care-Givers for the Cy-Fair Relay. Anyone interested in signing up or learning more about how you can help in the fight against cancer can go to www.relayforlife.org/cyfairtx. Your involvement is the reason for our success! Thank you!

Running for Hearts 5K Family Fun Run and Walk

Benefiting Victims of Crime, Abuse, and
Human Trafficking in Northwest Houston

Hundreds of runners and walkers participated in the 2nd Annual Running for Hearts 5K Family Fun Run and Walk benefiting Shield Bearer at Northside Christian Church on March 25, 2017. This event, co-chaired by Precinct 4 Harris County Commissioner R. Jack Cagle and Shield Bearer Founder Matthew White, shed light on the growing need for counseling services and prevention programs for victims of crime, abuse, and human trafficking in the community.

“Shield Bearer provides a safe and hopeful place for children and adults to rebuild after tragedy and trauma. We do this with an army of community supporters, volunteers, and professional counselors. We are so thankful for everyone who came out to make a difference for people who have gone through traumatic events right here in Northwest Houston,” states Shield Bearer Executive Director Roy Wooten.

Local businesses, schools, and organizations rallied to support this cause including Platinum Sponsor Avanti Senior Living. “Avanti Senior Living is dedicated to enriching the lives of their residents and the community around them. Their partnership was instrumental in the success of this event and it will have a lasting impact on the community. The volunteer support from local schools was incredible and organizations like the American Business Women’s Association generated thousands of dollars for the cause. It truly was a community effort,” states Shield Bearer Associate Director Melissa Rotholz.

Additional sponsors included FINS ‘The Art of Swim’, Toney Construction Services, Lindsay’s Light, Brookside Funeral Home-Champions, Tomball Ford and Dodge, Freedom Publishing Unlimited, Health South, Spring Medical Associates, Dayna Wilson State Farm, Biggby Coffee, Houston Methodist Hospital, Nestle Pure Life, ReWarding Images, Misfit Design Group, P31 Fitness, Chick-fil-A, Giannina’s Pizza and Catering, Tacos Ole, HEB Spring Market, and Tikiz Shaved Ice and Ice Cream.

For more information about volunteering and partnering with Shield Bearer, visit shieldbearer.org, call (281) 894-7222, or attend a free Community Breakfast on the first Tuesday of the month at 9AM at 12340 Jones Rd, Ste 290 in Houston.

Houston, TX 77095

Join Us for a day of FUN, FOOD, and GOLF benefiting ACTS of Wisdom, a faith-based, non-profit organization that seeks to provide quality education to children in rural Africa.

Cost: \$115 Free range balls, cart, green fees, two drinks on course, tournament prize, and dinner. (If you do not have a foursome, we will pair you with others)

All proceeds benefit Acts of Wisdom and help to expand our

presence in rural Africa to help give more children the materials they need for school. For a registration form or to be a sponsor at any level, please go to actsofwisdom.com.

ACTS of Wisdom grew out of founder Pastor Brad Otto's experiences in Ethiopia and the Book of Acts where an Ethiopian Eunuch asks the Apostle Philip about Jesus. Philip is stunned that he doesn't know, to which the eunuch replies, "No one has ever taught me." Part of the cycle of poverty is not having access to quality education, or having inadequate supplies for education. 145 million children in the world do not have access to education, yet children still dream of becoming doctors, lawyers, and teachers.

At ACTS of Wisdom we believe every child, everywhere, should have access to education and to teachers willing to take time to teach them. Our hope is that through bettering the education opportunities of children, we might be able to help end the cycle of poverty, and begin to have peace in our world.

The Houston Choral Society Presents *Music Fit for a King* May 6, 2017

The Houston Choral Society (HCS) culminates its 30th season with magnificent and regal works in its Music Fit for a King concert on Saturday, May 6 at 7:30 PM at The Foundry United Methodist Church.

This inspiring concert, directed by HCS Artistic Director Dr. Kevin M. Klotz, features Handel's "Coronation Anthem Zadok the Priest," Mozart's "Coronation Mass," and John Rutter's "This is the Day" that was composed for the wedding of HRH Prince William and Miss Catherine Middleton.

Handel composed his four coronation anthems between September and October 1727, producing some of the most spine-tingling choral music of the Baroque period. Zadok the Priest is by far the most popular of the four. Composed for the coronation of King George II of England in 1727, this anthem has been performed at every coronation since then. Its adrenaline rush of an introduction, with its teasing promise of release only to start again, is only a warm-up for what is to come. As the regal strings build, it's still a surprise when the trumpets and choir burst onto the scene with their triumphant outpouring of joy, gradually climaxing in a full seven-part choir singing 'God save the King!'

Mozart's triumphal Mass in C Major, K. 317, is one of his most popular and enduring works. It is known as the Coronation Mass, a nickname it acquired following a performance conducted by Antonio Salieri in 1791 in Prague at the coronation of Leopold II as King of Bohemia. This festive setting of the mass combines soloists, chorus, and orchestra in a brilliant and virtuosic style. In addition, Mozart uses the same thematic ideas from the first movement in the final movement, bringing a sense unity to this magnificent and rousing composition!

In addition, the 75-member chorus will be singing two numbers specifically composed for the coronations of British Royalty - C. Hubert H. Parry's "I was Glad When They Said Unto Me" composed for the coronation of King Edward VII in 1902 and Ralph Vaughn Williams' "O Taste and See" that was composed for the coronation of Her Majesty Queen Elizabeth II in 1953.

"On this concert, we are featuring works that were performed at royal celebrations," said Dr. Klotz. "Come and experience the dramatic and rousing quality of these compositions as the Houston Choral Society presents some of the most magnificent and regal music ever written!"

Guest soloists for this concert are soprano Cynthia Clayton, mezzo-soprano Sonja Bruzauskas, tenor Nicholas Szoeka, and bass Leon Turner.

Ticket prices are \$25 for adults, \$20 for seniors/students/veterans,

and \$10 for children ages 5 and younger. Group rates are available. Tickets are available online at www.houstonchoral.org. Tickets may also be purchased at the door. The Foundry United Methodist Church is one of the premiere choral venues in Houston with extraordinary acoustics. It is located in northwest Houston at 8350 Jones Road, Houston, TX 77065 with easy access from Highway 290.

You always know when an animal has met an untimely and unfortunate death when you see Black Vultures or Turkey Vultures. So how can you tell the difference? strong immune system. Their stomachs are extremely acidic. They can usually survive eating carcasses infected with botulism, anthrax, cholera and salmonella. Some believe that vultures spread disease because they eat dead meat. Actually, the opposite is true. They rid our environment of what could potentially cause the spread of diseases.

Turkey Vultures use their eyesight and keen sense of smell to find their food. By flying low, they are able to see dead animals and detect the gases produced when an animal begins to decay. They prefer to feed on animals that are recently dead. Black Vultures can't smell but will often follow Turkey Vultures to find food.

The breeding season of the turkey vulture starts in March, peaks in April to May, and continues into June. Interestingly, vultures don't make nests. In most cases, females lay two eggs but have been known to lay one and rarely three. The eggs are whitish/cream colored and heavily marked with dark brown or lavender spots around the larger end. Eggs are generally laid on a bare surface in a protected location. TWRC receives many calls from the public reporting that a vulture

Both parents incubate, and the young hatch after 30 to 40 days. Chicks are altricial, or helpless at birth. Both adults feed the chicks by regurgitating food for them, and care for them for 10 to 11 weeks. When adults are threatened while nesting, they may flee, or they may regurgitate on the intruder or feign death. If the chicks are threatened in the nest, they defend themselves by hissing and regurgitating. Family groups will remain together until fall.

Although not endangered, vultures have been impacted by the use of lead bullets and buckshot used by hunters. If the shot animal is not removed or covered, vultures will consume the contaminated meat and become ill or die.

Because of their eating habits and appearance, vultures would probably never win a “My Favorite Bird” contest or “Most Beautiful Bird” award but they play an important role in keeping our environment cleaner and definitely smelling better. Have you thanked a vulture today?

The Minimalist Gardener

May 2017

This month, remove the dead Crape myrtle flowers to force more flower growth.

Fruit trees need lots of water now.

Vegetables: Heat tolerant vegetables can be planted now. Among these are sweet potatoes, pumpkins, squashes, and southern peas. Plant sunflowers. They are so fast growing. Kids love the big ones. Plant them at least 12" apart.

Perennials & Annuals: Fertilize this month and keep 4" of mulch around the drip line (but keep mulch away from the trunk). Upper horizontal root-tops should almost show.

If you haven't applied your spring lawn fertilizer, apply one pound of nitrogen per 1000 square feet soon. What does Texas A&M say about buying fertilizers? Check out their web site on this subject. From: <http://aggieturf.tamu.edu/answers4you/fertilization.html>

We can expect the average temperature in May to be about 85, so we are definitely into the watering season. Got a continuously wet spot in your yard? It is likely an irrigation valve leaking internally...far away from the actual soggy area.

Until next time, Happy Gardening!
