### ARTICLE INFO

The Silverlake News is mailed monthly to all Silverlake HOA residents. Residents, community groups, schools, etc., are welcome to submit information. Personal news is also welcome. All submissions will be reviewed for content and approved by the Board of Directors and Newsletter Committee Chair. The deadline for submission is the 8th of the month before publication.

## Annual July 4th celebration and picnic

Get ready for the annual Silverlake/Southwyck Independence Day celebration. The event will be held Saturday, July 1st, 2017 from 11 AM to 2 PM. This event grows bigger and better each year. It provides a chance to meet your Silverlake and Southwyck neighbors and enjoy games, food and fun for the entire family.

Lots of children's activities will include the Moonwalk bouncer, Slip 'n' Slide, Giant super slide, Large funhouse, train rides, splash pad, and more. Traditional hot dogs, hamburgers, potato salad, baked beans, cotton candy, snow cones, pop corn, and soft drinks are on the menu so bring your appetite.

The annual Baking Contest will also be a part of the tradition with cash prizes for the winners in each of the four categories to include Cake, Cookies, Cupcakes and Brownies. Judging is based upon Creativity, Taste, Presentation and Appeal. Bring your entries to the clubhouse by 1 PM for the 1:30 PM judging and winners' announcement. See separate entry guidelines and print out your entry form from the Silverlake HOA website.

Please bring a non-perishable food item for donation to the Pearland Neighborhood Center food pantry.

## Progress Notes

- The wade pool and splash pad at the clubhouse location have been resurfaced and are open for your use and fun.
- Tennis courts #3 and #4 are scheduled to be resurfaced in the near future.

## Plans for Lowe's to be constructed at CR 94 & SH 288

A new Lowe's Home Improvement center is in the planning stages of development. The location will be between Southfork, Highway 288 and CR 94 north of Chocolate Bayou Credit Union. Plans are still in flux and construction has not yet begun. The MUD 6 and Silverlake HOA representatives will publish any progress as information becomes available. ## Girl from Sweden needs Host Family

Hi neighbors! As many of you know, I am a Local Coordinator for STS Foundation, a non-profit exchange student placement organization. I believe the exchange of cultures among high school students is so important. I am looking for host families for the 2017-18 school year.

Meet Emilie from Sweden....

I'm a kind and happy person who always tries to see things from the positive side. I'm a helpful person with a good ability to work with others. My friends has described me as a social person and I have to agree with them. I really like to talk and meeting new persons. In general, I've always been very motivated and responsible over my school work. When getting an assignment I always want to perform as good as I can. I love to challenge myself and to try new things, that way I always develop as a person. This is one of my many reasons going on an exchange year. To do something totally out of my comfort zone and to try new things is something I'm so excited for.

My hobbies include hanging out with friends and family,

listening to music, dancing, working out, watch series, reading and baking. I love hanging out with my family and friends and do that every opportunity that I get. I start and end everyday by listening to music. Music is something that helps me to express how I'm feeling, while at the same time gives me energy. I also have a big interest for dance, especially tap dance which is the only thing that I dance right now. I love to move and jump around even though I may not be the best dancer in the world. I also read on a daily basis. My favorite kinds of books are teen fiction and fantasy novels. I also watch a lot of series- all different kinds of them. It's something that I love to do and makes me feel relaxed. As said, I also love to bake. When I was younger a used to bake every day after school but now I only bake to special events, like family gatherings.

Emilie and others like her are looking for a host family for the year. If you are interested in hosting her or any other student, please give me a call at 832.455.7881 or email me at vicki.stsfoundation@gmail.com. I can answer any questions you might have. Remember on year of hosting leaves a lifetime of memories!

## HOUSE FLIES TEXAS A&M **AGRI LIFE** **EXTENSION**

Moving into summer, we should prepare for the inevitable...house flies. While many see house flies as a nuisance, they are capable of spreading diseases such as dysentery or food poisoning. Due to the locations house flies frequent- garbage, manure, and

carrion- they can pick up bacteria and other disease organisms which can transfer to other areas where they may land such as dishes, food, or countertops. House flies regurgitate onto food to liquefy it before eating and they can further contaminate items by defecating upon surfaces.

The common house fly has two wings and is dull gray with black stripes on the thorax (the section where the wings are attached). Adult flies can only eat liquid foods and have sponging mouthparts specialized to help them feed.

Eggs are usually laid on decaying matter such as animal fecal material, grass clippings, or garbage. Around 100-150 eggs are laid by the female. Depending upon temperature (warmer temperatures speed things up); eggs may hatch within 8 hours to 2 days.

Maggots, the immature stage of a fly, are small, white, carrot-shaped, and legless. There are 3 larval molts then mature larvae seek a dry location for

pupation. Pupae are reddish brown and somewhat oval in shape.

During the summer, house flies may live up to 2.5 weeks while during cooler times of the year they may live up to 3 months.

The key to fly management is sanitation, or cleaning. Eliminate breeding sites by picking up animal waste one to two times per week; empty garbage cans regularly; clean garbage cans at least once a month with soapy water. Keep garbage cans located away from doors that lead into the home and make sure they have tight fitting lids.

Other items that can help reduce fly problems include keeping window screens in good repair; making sure doors and windows have a tight seal and weather stripping is in good condition; and using fly swatters or sticky fly paper to get rid of adult flies.
