Safety Concerns

Over the last few months, I have noticed a great deal of non-golfer traffic on the golf course. We appreciate all Members and neighbors, but would like to remind everyone that only golfers who have registered in the Golf Pro Shop are permitted on the golf course. For non-golfers, I am sure the cart paths and golf course look like a good place to walk your dog, take a bike ride with your children, or go fishing. This is extremely dangerous while golfers are present, and we would like to avoid having someone injured while on the course. Being a golfer myself, I would like to believe I can predict where I may hit the ball, but sometimes it doesn't go where I intend. Golfers at the Club would never intentionally hit a ball at someone, but often they will hit an errant shot that could hit someone on the cart paths or around the course. Additionally, we strictly prohibit fishing in the ponds on the golf course at anytime. We appreciate your attention to this matter and should we see non-golfers on the course, the Club staff will politely explain our policy regarding non-golfer's use of the course.

Tips and Tricks to Keep Kids Occupied this Summer!

CREATE A PLAN

Avoid the dreaded "I'm bored" by getting or creating a calander that kids have access to. This helps them get excited for upcoming activities while helping you stay sane!

MAKE DATES

Fill up free days on your schedule by planning play dates, visiting family or a day at the beach or pool. Low cost outings such as these will help keep days filled and busy without breaking the bank.

MAINTAIN ROUTINES

Children thrive on structure so help keep them on track for back to school by having set times in the morning for chores & responsibilities.

MULTI-TASKING

While activities and outings are fun there are still things to do around the house during the summer. Get kids involved in helping by gardening, helping clear out storage spaces, prepping their snacks and meals or even turning grocery shopping into a scavenger hunt!
