The residents elected are Michelle Button and Justin Ratley. While Justin Ratley is a new board member, he brings forth experience and knowledge in law enforcement and military intelligence. Michelle Button has served on the Board for the past four years, and we appreciate her service and look forward to another two years!

We welcome the newly elected members and appreciate the interest of the 4 candidates who were willing to volunteer their time to serve on the Board.

## Back To School

*August is back to school month so please remember the school zones and those flashing lights that we got used to not seeing over the summer. Please be alert for children that may be walking to school, at bus stops, or just crossing the street. Thank you for your vigilance.*

*Buyer traffic always slows down around this time of year as parents are busy getting their kids ready for school and acclimated to their new grade and classroom. If you are thinking of selling, please give me a call after you have your children all set in school and I will be happy to discuss my proven marketing plan with you. Beginning the process sooner allows us to set up a plan of action for your home and gives you the homeowner time to get your home ready for the market. Remember, I offer two free hours with a Professional Stager to aid in getting your home showroom ready! Having your home properly staged helps the homeowners compete with new construction that has all their models professionally staged. With new neighborhoods opening up in Atascocita, staging becomes all the more important.*

*Many of you know me in the neighborhood as I have sold you a new home or I listed your home for sale, or both. I have watched your kids grow up and helped you upsize your home then downsize your home as your young adult kids moved off to college. I thank each and every one for your continued trust in me. For those that are new in the neighborhood that do not know me, I say welcome to Eagle Springs. Over the years I have become #1 in new home sales as well as being #1 in resale homes in Eagle Springs. My main focus is this neighborhood, helping people move in, helping those that move from one section of Eagle Springs to another, and I am there to help those that are ready to move to another part of Houston or even to another state or country. I am very experienced with all Relocation Companies and would be happy to help you with any relocation move. If you want me for relocation, remember to request me to your Relocation Company!*

*I am a full service Realtor that gives full service. Come and experience the Rebekah Snipp difference!*

*Respectfully,

# HOT 4TH OF JULY EVENT

Led by a constable car, and followed by an ambulance and fire truck, residents came out and braved the heat to “march” in our annual 4th of July parade. At the end of the parade, massive water slides, a new and improved foam pit, an air conditioned game truck and refreshments were available to cool off hot participants. Thank you to the AVFD for allowing our kids to tour the fire truck and answer questions after the parade.

Huge, enormous “Thank You” to Michelle Button, Kaitlyn Martin, and Davis Carr (who climbed an enormous water slide to rescue a nervous kiddo or two!) for coming out and volunteering on a very hot morning! We appreciate our volunteers!

## RECYCLE REMINDER

On average, each Texan generates about 7 pounds of garbage every day. By recycling paper, metal, plastic, and other materials, you can reduce waste, help conserve energy, and preserve our state's natural resources. If Texans recycled just half of all recyclable materials, we could divert over 35% of all municipal solid waste from Texas landfills. - See more at: <http://takecareoftexas.org>

As a reminder, recycling is picked up on Tuesday in Eagle Springs, conveniently at each home.

You can recycle:

- Any glass – clear or colored
  - Metal cans, pots, pans, lids
  - Aluminum cans, foil, foil plates
  - Plastic bottles, jars, buckets – milk, soda, shampoo, pet food, condiments, detergents
  - Plastic grocery bags
  - Styrofoam
  - Paper – boxes, newspaper, magazines, junk mail, phone books, wrapping paper, milk and juice cartons, and plain paper
- If you do not have a recycle can, please contact Best Trash at 281 313 2378.

## Tick Control in the Yard

This article covers what to do about ticks in your yard. I didn't want to make it too long, so I decided to just link to sources giving information on how to treat pets or yourself/ family.

Ticks are arachnids with two body regions, eight legs (except the first stage out of the egg has only six legs and is called a seed tick), and no antennae. Ticks come in a variety of sizes depending upon if they are nymphs or adult, male or female, engorged or not. Ticks require a blood meal before molting to the next stage of their development as well as adult females requiring a blood meal before laying eggs.

Since ticks can feed on multiple hosts during their lifetime, including humans and other animals, they are capable of transmitting disease organisms through their bite. For more information on diseases transmitted by ticks see this link:

<https://www.cdc.gov/ticks/diseases/index.html>

Ticks wait hosts by climbing up vertical surfaces such as vegetation, fences or shrubbery. When a host brushes past, ticks grab on and locate a suitable spot for feeding. To reduce ticks in your yard you can try some or all of the following:

- Keep grass mowed

- Clear brush, weeds, or overgrown areas
- Discourage wildlife
- Remove debris from the yard
- Treat yard with insecticide making sure to go up surfaces as ticks will climb upwards to grab onto a passing host
- Treat pets

For information on how to deal with ticks on your pet(s) see this source: [https://www.cdc.gov/ticks/avoid/on\\_pets.html](https://www.cdc.gov/ticks/avoid/on_pets.html)

For how to avoid getting, properly inspecting for, or removing ticks from yourself or family members see this source:

[https://www.cdc.gov/ticks/avoid/on\\_people.html](https://www.cdc.gov/ticks/avoid/on_people.html)

Thank you so much for guiding me through the ad process! This was the first time that I've advertised my tutoring in a publication and you made it so easy! Your team did a great job of creating the ad - it looks very professional and it was extremely effective! I only ran my ad twice and the students who found me through your publication have already more than compensated me for the cost of the ad. Thank you!
