Breast Cancer Awareness Month

October is breast cancer awareness month, and physicians affiliated with Memorial Hermann Cypress Hospital say it's a great reminder for women to schedule their annual mammography.

"I chose to go into medicine after a close family member passed away from breast cancer at a young age. That's why I encourage all my patients to have an annual mammography beginning at age 40," says Iyabode M. Ogunlade, M.D., an OB-GYN affiliated with Memorial Hermann Cypress.

Symptoms of breast cancer include any lump, thickening, or swelling in the breast or armpit, pain in the breast, or change in size or shape of the nipple. However, the American Cancer Society says many women don't experience any symptoms.

"The key to successfully treating breast cancer is detecting the cancer early. That's why having your annual mammography is so important," says Dr. Ogunlade. "There are also several types of mammograms, including 3-D mammograms, so make sure you speak with a physician about the different screening methods to determine which is right for you."

MD Anderson Breast Care with Memorial Hermann- Cypress combines the convenience and advanced technologies of Memorial Hermann's breast care centers with interpretation and consultation provided by expert radiologists from MD Anderson. This innovative partnership ensures the high quality, safe imaging and expert reading that are critical for precise diagnosis, effective treatment and follow-up for breast cancer patients. MD Anderson Breast Care with Memorial Hermann- Cypress offers 3-D mammography (breast tomosynthesis), breast MRI, breast MRI biopsies, breast ultrasound, stereotactic breast biopsies, and ultrasound biopsies. All of these advanced technologies are conveniently offered close to home for Cypress area residents, and appointments can be scheduled by calling 346.231.6950.

CYPRESS 5K FUN RUN AND PUPPY PARADE

Submitted by Tracy Williams

Cypress and Houston area residents can strengthen their families, their bodies, their neighborhood school, and their dogs at a very fun family friendly event this fall. Cypress 5K Fun Run and Puppy Parade benefiting the Performing Arts Department at Spillane Middle School will take place Saturday, November 18th at 9:00 a.m. at Spillane Middle School, 13403 Spillane Woods Blvd.

The event is the school's fourth annual Fun Run, and will feature a timed run. You don't have to be a competitive runner to participate since the race also features a family run for those pushing strollers or wanting to walk, and a dog walking segment. The race will begin at Spillane Middle School, and go through the Coles Crossing neighborhood. Medals will be awarded in multiple age brackets, and to the first three dogs who cross the finish line.

While generating funds to support the school's award-winning Performing Arts programs is one goal of this run, event organizers want to strengthen the school's ties to the community as well as encourage community spirit and fitness. The race has become an annual tradition for many, and provides the opportunity to run, walk, bond with, and support family, friends, and neighbors. Last year's run had over 900 participants, and was a great success.

Early bird registration runs August 20 through October 28 for \$30 per individual or \$100 for a family of four, and includes a commemorative T-shirt. From Oct. 29 Nov. 11th registration increases to \$35 per individual or \$110 for a family of four, and a T-shirt is not guaranteed. Late registration, which continues until race day, is \$40 per individual or \$160 for a family of four, and does not include the shirt.

Returning this year will be the option to "Sleep in for the Arts." Pay the registration fee. Do not participate on Race Day. Get a t-shirt!

Runners who have pre-registered can pick up their packets Thursday, November 16th at Spillane Middle School.

To register or for more information, visit the Cypress 5K Fun Run & Puppy Parade website at <https://thedriver.net/cypress5k>.

HARVEY EFFECTS IN REAL ESTATE

By Tracy Montgomery, Realtor

Prepare for the shift into a seller's market! Inventory will be low and demand for homes that did not flood will be higher than ever.

Rentals, Rentals, Rentals, if you are considering putting your home on the market as a rental, NOW is the time to do it. People all over the city are looking for dry houses they can call home for the next few months and up to a year.

Price gouging in a time of catastrophe; just don't do it. While the supply and demand concept is a real thing, these homes still need to appraise once they are under contract. Don't jeopardize your risk of appraising by overpricing your home!

If your home is currently on the market consider becoming an investor. If your situation allows for it, consider renting out your current home after purchasing your new one.

When purchasing a home after a catastrophe don't be completely driven away by insurance claims, more and more houses will have that disclosed and it will be a commonly seen aspect of many homes to come.

Free Memoir Writing Workshop

Cypress Historical Society at Cypress Top Historic Park
running through October and November
from 10:30 AM to 12:00 PM.

Everyone has a story, and everyone has memories. Some of them are good. Others are not so good. But, all of them are valuable. This workshop is about preserving your family history, one memory at a time. With the help of your teacher, coach and mentor you will learn to jar those faded memories loose, then compose, organize, preserve and share them electronically for future generations.

"If we know where we came from, we may better know where to go. If we know who we came from, we may better understand who we are." Anonymous

Jackie Devine loves working with active writers **and people who have never tried to write!** She says, "The 'creative process' is a place where we delve into our truest selves and make a difference." This course will help you understand the memoir writing process: story structure, scenes, dialogue, character development, tone, and voice. You'll learn that you are creating a legacy. If desired, stories will be recorded and saved online where family and friends can enjoy them for years to come.
