## LOEN Ladies Club Fall News

The LOEN Ladies Club is a women-only social club serving the Lakes on Eldridge North community. The club provides LOEN ladies with the opportunity to meet neighbors

and develop friendships through organized monthly activities. We have Book, Bridge, Bunco, Brunch, Dinner, Girls Night Out, and Explorers groups for you to join that give numerous opportunities for meeting other members and making friends. In addition to monthly activities, we hold several general meetings throughout the year, occasional luncheons, and a holiday party. This year's annual end-of-the-year Holiday Party is scheduled for Saturday, December 9.

The best part is that the club accepts new members year-round. So, whether you just moved in yesterday or years ago, please check us out. Contact Jeanne MacKenzie at [loenladiesclubpresident@gmail.com](mailto:loenladiesclubpresident@gmail.com)

for information on becoming our newest member!

Besides attending to the social needs of LOEN ladies, we give back to the community. The Angel's Club serves all LOEN residents in need of food assistance due to illness, death, or family additions. Let us know if you or someone you know needs the Angel's Club services. To benefit our neighbors outside of LOEN, we also sponsor food, toy, supplies, and clothing drives for local charitable organizations. The Mission of Yahweh is our current community outreach organization. Tammy Jeffers, with the Mission of Yahweh, was the guest speaker at our September 26 General Meeting. She gave us insight into this shelter for homeless women and children that was established in 1961. The mission not only provides food, shelter, transportation, and clothing but also provides life-skills training to prepare the women for re-entry into mainstream society. She encouraged us to schedule tours of their facility and donate items. If you are interested in learning more about the mission and the donations needed, go to [www.missionofyahweh.org](http://www.missionofyahweh.org).

Mark your calendars for our next general meeting on Tuesday, November 14, in the LOEN Clubhouse. The night will begin at 6:30pm with a Potluck Social Hour where everyone brings their favorite dish, snack, dessert or wine to share. The general meeting will follow at 7:30pm. Feel free to drop by and check out us out.

Save the date for the Holiday Party: December 9, 2017.

## MEMORIAL HERMANN CYPRESS HOSPITAL NOW OFFERING ADVANCED WOUND CARE

Memorial Hermann Cypress Hospital now offers advanced wound care treatment for chronic wounds, ranging from diabetic ulcers to radiation-induced inflammation. Chronic wounds have a range of causes, including diabetes, vascular disease, and trauma.

"Treating a chronic wound may not be a simple fix. You have to look at the cause of the impaired healing, as well as the wound itself, for a patient to have the optimal outcome," says Stuart Harlin, M.D., a vascular surgeon affiliated with Memorial Hermann Wound Care at Memorial Hermann Cypress and UTHealth. "That's why it's important that you see specialists who treat your wound using a comprehensive approach."

Dr. Harlin says those with neuropathy or peripheral arterial disease are at a higher risk of developing chronic wounds and should speak to a physician if they notice a slow healing process.

"If a chronic wound is left untreated, it can lead to bigger infections, like sepsis, or even limb amputation. Our advanced wound care program can help prevent more severe conditions from occurring," says Dr. Harlin.

Memorial Hermann Wound Care features a highly-skilled team of affiliated physicians, nurses and technicians with advanced training in

wound care and hyperbaric oxygen (HBO) therapy. Among the many treatment interventions available, patients can also receive specialty wound dressings, debridement, and negative-pressure wound therapy.

Memorial Hermann Wound Care is located at 27700 Northwest Freeway, Suite 170, Cypress, TX 77433. It is open Monday through Friday from 8 a.m. to 4:30 p.m. For referrals, scheduling, and more information, call (346)231-6991.

## THEY'RE EVERYWHERE

By Cheryl Conley, TWRC Wildlife Center

Love them or hate them, they're everywhere! I'm talking about those funny little critters called squirrels.

As the fall baby season is coming to an end, TWRC Wildlife Center has been inundated with babies. What is normally a very busy time anyway, Hurricane Harvey only added to

the numbers. Hundreds of orphans were admitted and will continue to be cared for until they are ready for release.

The Houston area is home to the gray squirrel, the fox squirrel, and the flying squirrel. About 90% of the squirrels in our area are gray squirrels. Most people have never seen a flying squirrel because they are nocturnal. They are very small and their tail acts as a rudder to help guide it in flight. They don't have wings but rather skin that forms "flaps" that stretch between the "ankle" and "wrist".

If you've ever seen a squirrel eating out of a "squirrel-proof" bird feeder, then you know how intelligent they are. They have also been known to pretend to bury food just to trick other animals. A 2010 study showed that when a squirrel is being watched, they will actually dig a hole, pat it with their front teeth and scrape dirt over it to make it look like they are burying a treasure when, in fact, they are hiding their stash in a pocket near their armpit.

Here are some things you probably don't know about squirrels:

- A squirrel's front teeth never stop growing. In the wild, squirrels are constantly gnawing which keeps them short.
- When you see squirrels running and zig-zagging in your yard, they are doing this to avoid capture by a predator.
- Baby squirrels are only about an inch long when they're born.
- There are 285 species of squirrels and they can be found in every continent except Antarctica and Australia.
- Squirrels have four toes on the front feet and five on the back feet.
- Squirrels will twitch their tails to alert other squirrels to possible danger.
- Squirrels have more than one nest. If one gets destroyed or infested with insects, they always have a back-up.

TWRC Wildlife Center is a 38-year-old non-profit in Houston that rehabilitates injured and orphaned wildlife with the goal of releasing healthy animals back to the wild. If you love wildlife and want to help, go to [www.twrcwildlifecenter.org](http://www.twrcwildlifecenter.org) or you can call 713-468-8972.
