Light Up the Holidays with a Day Trip to Johnson City

The twinkliest town in the Hill Country is a perfect destination for a holiday tour of lights with family and friends. Located in the heart of the Hill Country, Johnson City has activities for all ages to enjoy.

During the day, light up your imagination with a visit to the Science Mill, a science museum housed in Johnson City's historic 1880s mill. Run your hands through the 3D topographic sandbox to create colorful rivers, mountains, lakes and dams. Enter the Fractalarium to experience a larger-than-life lighted representation of Romesco broccoli and see how fractals are a marvel of nature. Explore the Silo of McKays, a multidimensional art installation combining art and science with light, sound, rhythm, balance, color and harmony. The Science Mill's 40+ hands-on exhibits (and current 3D movie, Wonders of the Arctic) will engage all ages.

The Science Mill is located at 101 S. Lady Bird Lane in Johnson City, TX and will be open extended hours during the holidays. Find more information at www.sciencemill.org.

Johnson City's annual Lights Spectacular celebration, celebrating its 28th year, runs Friday, Nov. 24 through New Year's Day, starting with the spectacular courthouse lighting ceremony and fireworks.

The whole town glows, from the Blanco County Courthouse to the dazzling display of light-wrapped trees at Pedernales Electric Cooperative's headquarters, to candlelight tours of Lyndon

Baines Johnson's boyhood home. Visitors can enjoy the lighting extravaganza by foot or by horse-drawn carriage, and local retailers and art galleries offer extended hours, food and music on the town square during the Spectacular. The event is free and pet friendly.

For more information about Johnson City and the Lights Spectacular visit the Johnson City Chamber of Commerce website at www.johnsoncitytexas.info.

SPICEWOOD ARTS SOCIETY

SECOND ART TREK INTRODUCES BRONZE CASTING, LOST PINES ART CENTER

Learn about the fiery craft of bronze casting and view the studios and galleries of the Lost Pines Art Center in Bastrop on the Spicewood Arts Society's second Art Trek of the season Dec. 7.

The trek begins with a tour of Deep in the Heart Art Foundry, one of the few full-service foundries in the country. The Foundry began in 1990 as a small facility in Bastrop known for excellent craftsmanship and has since grown to 22,000

square feet on a four-acre site in the industrial park.

Lost Pines Art Center was a vision of the nonprofit Lost Pines Art League, which began planning in 2010. The largest comprehensive art center in the state, it reflects the needs of its community with member galleries, studios, classrooms, café and gift gallery. Professional artists teach classes and work on their own projects. Trekkers will view artist demonstrations.

Lunch, included in the trek price of \$135, will be at the Neighborhood Kitchen, with ample time afterward for shopping or viewing downtown Bastrop decked out for the holidays.

Sign up by November 24 through the website, www.spicewoodarts.org. The tour is limited to 20 participants. The bus will leave the Barton Creek Lakeside Club lot, 1900 Clubhouse Dr., Spicewood, at 8:30 a.m. and return there at 5:30 p.m. A light breakfast will be available in the morning and wine and snacks in the afternoon. All transportation, food, gratuities, and admissions are covered in the trek price.

LAKE TRAVIS AREA ROTARY CLUBS MERGE

The Rotary Club of Lakeway/Lake Travis and the Rotary Club of Bee Cave/Spicewood has announced a merger into one club. The merger, which has been approved by Rotary International, brings together two powerhouse community organizations focused at providing the South Lake Travis community support across a number of different humanitarian programs.

"The merger between the two clubs will result in stronger support for existing service project efforts and improved awareness of Rotary impact within the local Lake Travis Community" says Donald Zielinski, former President of the Rotary Club of Bee Cave/Spicewood.

"Merging our clubs will allow us to support the Lake Travis area community in a more robust fashion. Together we can be the center of service for our community" says Kristine Shelstad, President, Rotary Club of Lakeway/Lake Travis.

The New Board of Directors is comprised of members for both clubs boards. Pictured from left to right in foreground is Carol Saxenion, Kristine Shelstad, Mary Ann Conroy, Doug Lindgren & in the back ground,

that is reflected in the Rotary 4-Way Test. Adopted by Rotary International in 1943, the 4-Way Test has been translated into more than a hundred languages. This simple philosophy and code consists of the following:

Of the things we think, say and do:

- 1. Is it the TRUTH?**
- 2. Is it FAIR to all concerned?**
- 3. Will it build GOODWILL and BETTER FRIENDSHIPS?**
- 4. Will it be BENEFICIAL to all concerned?**

The motto of Rotary is "Service Above Self". The Lakeway/Lake Travis Rotary Club meets every Thursday (except first Thursdays) from noon to 1:00 pm at the High Five Bowling, 1502 RR 620 South, Lakeway, TX 78734, and the 1st and 3rd Tuesdays at 7:30am at Mimi's Café @ 12613 Galleria Circle, Bee Cave, Texas 78738.
