## BOY SCOUTS OF AMERICA TROOP 533 & 1901 FUNDRAISER

*Good Shepherd United Methodist Church  
and Rosehill United Methodist Church*

Boy Scouts from Troops 533 and 1907 announce their annual mulch and fertilizer sale – all orders will be delivered right to your door!

The Boy Scout motto is “be prepared.” Well, Troops 533 and 1907 have taken that to heart, and for the last several years have run a local mulch/fertilizer sale to earn money to fund each year’s activities and purchase equipment. This year, they are preparing to experience the rugged outdoors at scout camps in Arkansas and Georgia and a weeklong hiking trip at Philmont Scout Ranch in New Mexico.

Such ambitious activities would not be possible without the support of the community! In addition to camping, the boys were able to participate in many service projects, including assisting with cleanup after Hurricane Harvey, Wreaths Across Americas, Scouting for Food, and completing multiple Eagle projects. Troops 533 and 1907 are gearing up for another great year and wish to extend a thank you to everyone who contributed to all the adventures and learning experiences of years past.

So, if you are looking to beautify your landscape and bring your lawn back to life after this chilly winter, all while helping your local scouts, then be sure to place your order! This year’s offerings include high quality Living Earth’s red, black, hardwood or pine bark mulch as well as Southwest Fertilizer’s premium or slow release fertilizer and weed n feed fertilizer. For your convenience, Scouts will be selling door to door in your subdivision beginning January 8th. If you are reading this circular and think we may miss you, please order by emailing [BoyScoutsTroop533@yahoo.com](mailto:BoyScoutsTroop533@yahoo.com). All purchases will be delivered to your home by the Scouts on February 24, 2018.

Yours in Scouting,

Scoutmaster Louis Mayer (Troop 533) and  
Scoutmaster Chad Gaulding (Troop 1907)

## FAIR LADIES OF CHRIST THE REDEEMER

**CHRIST the  
REDEEMER**  
♦ Catholic Church ♦

Fair Ladies of Christ the Redeemer, or FLOC, is a faith and fellowship group for the women who live in Fairfield and Lakes of Fairhaven that attend Christ the Redeemer Catholic Church.

We generally meet once a month, usually at a member's home, or a local restaurant, and occasionally at Christ the Redeemer. Our meetings consist of food and drinks, prayer and fellowship! We occasionally have a speaker on topics that pertain to our faith, have fun craft nights, attend Christ the Redeemer events, try out new restaurants, and we also "give back" to the community and the church with some sort of charity or donation activity several times a year.

Our main goals are:

- To bring the CtR women of these two neighborhoods together to make social connections with each other,
- To support one another,
- To surround ourselves with women who share a common faith, and
- To bring those that are hesitant to attend CtR each weekend for Mass (due to the large size of the parish) back to Mass because there will be a friendly face in the crowd.

For more information, please contact Amy Wilkes at apw1974@juno.com, or search for our group on Facebook - Fair Ladies of Christ the Redeemer (FLOC) - and request to join our closed group.

We look forward to meeting you at our next event!

## SPECIAL NEEDS EXPO RIGHT IN OUR OWN BACKYARD!

*By Jackie Devine*

The Community of Faith 2nd Annual Special Needs Expo will take place February 23, 2018 from 6 p.m. to 9 p.m.

Everyone knows that parenting is a difficult job, even in the best of times and under the most favorable circumstances. But, moms and dads with children of special needs face an entirely different set of challenges that often redefine the meanings of parenthood, stress, anxiety, and isolation. In fact, it has been said that their life is very similar to the pressures felt by soldiers in combat.

Knowing that, and responding to a desire to address the situation in 2016, Cassie Kraus, the current Special Needs Director at Community of Faith, sought out Mark Shook, Senior Pastor, and Bradley Thomas, Connections Pastor of Community of Faith, and posed her idea. Cassie wanted to provide some much-needed assistance to families yearning to attend worship services or other church functions but were unable to do so because their children required special considerations.

Cassie received overwhelming support to create a program that not only addressed the needs of parishioners, but has grown to offer collaborative, family-centered assistance to caregivers in other parts of Texas and as far as Louisiana.

Sharing her personal understanding of the issues, Cassie said, "As the parent of a child with autism and a former special education professional in Cy-Fair, I was well-versed in the challenges parents face trying to make their way through the special needs maze.

"We were delighted when we found Community of Faith. Their warm welcome and willingness to work with us to address some of our unique challenges offered us an environment of understanding and respect—one in which we thrived." Continuing, she said, "The special needs community, as a whole, is very small, and when you find a church that is willing to work with you and that looks at each child as their own, that's huge. As the parent of a child with different abilities, it was comforting to find people willing to walk that journey with you who are striving to find the best outcome for your child and to see him or her as a unique individual."

Bradley chimed in, "Our special needs ministry has been operating full tilt for about a year and a half now. Cassie brought expertise, heart, and connections to the team, which has added the necessary foundation to create a welcoming, dynamic, family-centered environment.

"We sponsored our first 'Special Needs Expo' last year and over 200 families participated. With Cassie's unbelievable network of organizations willing to step in and provide the needed framework of access, information, and resources, 50 vendors worked diligently to help families get connected and feel supported.

"This year, we're hoping the Expo is attended by anyone that has a need or a desire to help." He emphasized, "They don't need to go to

our church. Our goal is that our Special Needs Ministry continues to build a reputation as a key contact when families need help with parenting, family interaction, physical or emotional well-being, or disability-related support.

"As advocates for children and adults with special needs, whether it's autism, Downs Syndrome, MS, behavioral challenges or anything in between, we want Community of Faith to be their 'go to' for support and acceptance—the organization that brokers partnerships and relationships for families.

"Community of Faith is unique in that we have made a substantial investment in personnel, equipment, rooms, volunteers and other resources to meet the growing need.

"We recognize that the parenting of a special needs child is 24/7. There is no downtime. Not only do we provide opportunities to get them connected to resources, but we also offer opportunities to walk in friendship with them.

"For example, once a quarter, Cassie facilitates a 'Special Needs Family Night Out.' She and her team come up with a unique event where they create a safe and stimulating atmosphere with fun activities, like story time, games, bounce houses, and relationship-building activities for the children and their siblings.

"Parents can confidently leave and enjoy a few hours of freedom to do whatever they want. If they're going to go home and take a nap, that's great! If they're going to go shopping, out to eat, or to a movie they are free to choose.

**The Community of Faith 2nd Annual Special Needs Expo will take place February 23, 2018, from 6 p.m. to 9 p.m.**

"The way it works is families will check in at the lobby and filter through the multipurpose room where they will have the opportunity to visit with an assortment of vendors, such as therapies, estate planning, school districts, transition services, and adaptive sports (such as cheerleading and gymnastics).

"Attendees will find a variety of resources for families just starting out as well as families entering those adult years. The culmination will be speeches from field experts."

In closing, I asked Bradley, "Plain and simple, what is the ultimate purpose of the Expo?"

Without missing a beat, he said, "Our goal is for hundreds of families living in and around Cypress—members of Community of Faith or not—to know they have a friend. We want every family living with a special needs child to know that they are not alone, and they have someone who will walk with them every step of the way in raising their children all the way up to adulthood."
