POOL & TENNIS APPLICATIONS FOR 2018

Pool and tennis card applications for 2018 may now be submitted. Your card(s) gives you tennis court access year round and pool access during the summer season pool hours. You do not need a separate card for each.

You must reactivate your card(s) each calendar year and be paid up on your homeowners fees to be activated. Any application after May 1, 2018, will require a \$10 late fee. Any application submitted AFTER May 1, 2017 WITHOUT a late fee will NOT be processed.

Please complete the form in the newsletter or online at winchestercountry.org and mail it in to the clubhouse to the Community Coordinator at 9607 Rio Grande, Houston, TX 77064. You may also drop it into the mail slot at the clubhouse office, just to the left of the pool entrance. Call the clubhouse office at 281-890-8856 with questions or email wmacclubhouse@winchestercountry.org.

SEVEN TIPS TO AVOID GETTING SICK THIS WINTER

By Marie Ekpema, PharmD, Summerwood Pharmacy

1. Get plenty of sleep and rest. This simple but frequently underestimated tip allows your body to heal and your immune system to recharge.
2. Consider reducing or removing dairy from your diet. Dairy of any kind promotes mucus in the body that gets trapped in the respiratory system. Eliminating it can greatly help the immune system.
3. Since most people have a drop in vitamin D during the winter, make sure that you get your levels checked and take a supplement if needed. Many studies have shown that people with low vitamin-D levels are more prone to getting sick.
4. Ask your physician or pharmacist to help you get on and stay on the right dose of fully buffered L-Ascorbate. This greatly boosts your immune system. Just make sure you carefully read the label and don't buy ascorbic acid by mistake!
5. Take a high-quality probiotic supplement every day. Studies have shown that promoting good bacteria in the gut helps boost immune functions. FYI: Your local grocery store's yogurt is not a good option, though.
6. Limit caffeine intake. Coffee stays in your system for nine to ten hours and drains your body of immune-boosting minerals. Replace it with green tea, lemon water, and fresh veggie and fruit juices. These will rejuvenate the body rather than stripping it.
7. Dump the junk food and load up on immune-boosting foods such as red peppers, garlic, onions, ginger, green tea, mushrooms, turmeric, lemons, limes, and beets. These are powerful foods when used in combination with a healthy diet.

Wishing you the best in health!
