Lake Travis Retired Physicians Host Authors of Rotary 3-D Limbs Project

Donna Gunn and Barker Keith of the Lakeway/Lake Travis Rotary Club will speak at a monthly luncheon meeting of the Lake Travis Retired Physicians on Wednesday, March 7, 11:15 a.m., Cafe Blue, Hill Country Galleria.

The pair co-authored a 3-D artificial limb project which they hope will help children worldwide.

"Many countries face a dire shortage of qualified prostheses for amputees. The 3-D Limbs Project helps to meet this need by providing 3-D printing technology, training and educational materials. Our goal is to enable amputees the opportunity to regain self-sufficiency," Gunn says.

In 2016, the first international trial of this project was in rural Tanzania, in cooperation with Baylor College of Medicine, Houston.

The meeting is open to area retired physicians and their guests. Luncheon reservations are required. Contact Dr. Bill Evans, 512-261-3536, or club organizer Pat Evans, patevans39@gmail.com. Inquiries from potential speakers are welcome.

Students Visit Baylor Scott & White Medical Center

Health and science students from Lake Travis High School and medical interventions and chemistry students from Vandegrift High School had the opportunity to get firsthand experience using Baylor Scott & White Medical Center - Lakeway's da Vinci Surgical System. They interacted with the robot, sitting in the controller seat usually occupied by the surgeon, and controlled the robotic arms while participating in a ring toss game. They also asked questions of the Baylor Scott & White Health and Intuitive Surgical team members on hand.

Exhibit Displays Winning Entry, Honorable Mentions in Lions Club Student Poster Contest

The artwork of Lake Travis Middle School eighth grade student Bella Hatch was prominently displayed at a recent exhibit at Baylor Scott & White Medical Center Lakeway. Her winning

entry in the Austin Lake Travis Lions Club Peace Poster Contest was shown alongside Hudson Bend Middle School students Vivian Heitkoetter, 7th grade and Victoria Rebber, 6th grade—each of whom received Honorable Mention.

For the past 30 years, Lions clubs around the world have sponsored the Lions International Peace Poster Contest in local schools and youth groups. The art contest for kids encourages young people worldwide to express their visions of peace.

For 2017-2018, each poster was judged on originality, artistic merit and portrayal of the contest theme, "The Future of Peace." In all, more than 120 posters will be displayed at the exhibit.

Lake Travis Lions Club member Linda Davis said she was impressed by the expression and creativity of the participating students from both Hudson Bend and Lake Travis middle schools.

"It is obvious that these young people have strong ideas about what peace means to them," said Davis. "I'm so proud that we were able to provide them with the opportunity to share their vision."

Lions Clubs International is the world's largest service club organization with more than 1.36 million members in more than 46,000 clubs in 210 countries and geographical areas around the world. In addition to its efforts toward conquering blindness, the organization has made a strong commitment to community service and helping youth throughout the world.

Lake Travis art teachers who served as contest coordinators for students included Lynne Johnson, Lake Travis Middle School; and Kristen Blauvelt and Robin Garcia, Hudson Bend Middle School.
