SRMA & SRROA Annual Meetings & Elections

The Steiner Ranch Master Association (SRMA) and the Steiner Ranch Residential Owners' Association (SRROA) will hold their annual meetings and elections in April. Both boards consist entirely

of Steiner Ranch homeowners, who are elected by Steiner Ranch homeowners. All Steiner Ranch homeowners will receive Annual Meeting packets via mail in March. If you do not receive a packet, please contact the association office.

SRMA Annual Meeting & Election - April 17, 2018

The SRMA Annual Meeting & Election will take place on April 17, 2018 at 6:30 pm. Registration will begin at 6:00 pm at Towne Square Community Center.

The SRMA Board consists of seven board members who serve two-year terms. To guarantee participation throughout the SRMA community, one homeowner from five voting districts (see below) is represented on the board. The SRMA Board also consists of two members who serve At Large. At Large board members are elected from any of the five voting districts and all SRMA homeowners may vote for At Large candidates. To avoid electing an entirely new board every two- years, board member terms are staggered.

In April, SRMA homeowners from districts 2, 3, and 4 will elect members from their voting district. SRMA homeowners will also vote for 1 At Large candidate, regardless of their voting district. Newly elected board members will serve two-year terms, except for the elected district 4 seat. The newly elected district 4 board member will serve a one-year term, as the previously elected board member from that district did not complete their term, and one year remains to be served.

SRMA Voting Districts

District 1 – Beverly Ridge, The Casitas, The Fairways, Lakeview, UT Golf Community, The View

District 2 – Bellagio Estates, The Headlands, Longhorn Canyon, Majestic Oaks, The Estates at Westridge, The Hills at Westridge

District 3 – Canyon Glen, Parkside, River Heights Grove, River Heights Overlook, Shire Ridge, Towne Hollow

District 4 – Lakewood Hills, Las Brisas, Summer Vista, Savannah Point, Rio Mesa, Savannah

District 5 – Belcara, The Bluffs, Emerald Ridge, The Grove, Mediterra, Monterey, Palisades, Santaluz, Sierra Vista, Tierra Grande At Large – Homeowners from any voting district may run for an At Large seat

SRROA Annual Meeting & Election – April 19, 2018

The SRROA Annual Meeting & Election will take place on

(Continued on Page 7)

(Continued from Page 6)

April 19, 2018 at 6:30 pm. Registration will begin at 6:00 pm at Towne Square Community Center.

The SRROA will elect three members during this election.

SRROA neighborhoods include: Chaparral, The Summit at Eastridge, The Valley at Eastridge, Hancock Hill, Mesa North, Plateau, Rocky Ridge

SRMA & SRROA Candidate Information

Candidate bios and head shots will be posted on the Steiner Ranch HOA website for review. Only candidate bios and photos which pertain to a homeowner's voting district will be visible on the online voting website. Specific online voting information is included in homeowner Annual Meeting & Election packets.

Election results will be announced at the SRMA and SRROA annual meetings. Homeowners are encouraged to attend and to vote.

How To Vote

- 1. Attend the SRMA or SRROA Annual Meeting & Election and cast your ballot.
- 2. Vote online by visiting your specific voting district website. SRROA and SRMA district specific website information is included in homeowner annual meeting packets, which will be delivered via regular mail in March.
- 3. Vote by proxy. Proxies are included in the Annual Meeting packets which will be delivered via regular mail in March.

HOA Oak Wilt Policy Prohibits

Pruning Oaks February 1 - June 30

The Steiner Ranch Master Association (SRMA) and Steiner Ranch Residential Owners' Association (SRROA) each have oak wilt policies which residents are responsible for following. The policies specifically state oak tree pruning is prohibited from February 1 – June 30, as this is the period in which oaks are most at risk for infection. To view the policy, visit the Steiner Ranch HOA website and click 'FAQS' from the menu, then 'Oak Wilt Policy'.

Reduce The Chance For Spreading Oak Wilt

- Know When NOT to Prune No pruning/trimming oaks from February 1st through June 30th.
- Paint Always paint fresh oak wounds immediately after pruning with wound dressing or latex paint regardless of season.
- Sterilize Pruning Tools Clean all pruning tools with 10% bleach solution or Lysol between sites and trees.
- Properly Dispose of Red Oak Debris Debris from diseased red oaks should be immediately chipped or burned.

If uncertain about trimming, consult a Texas oak wilt certified arborist, an oak wilt specialist from a city, county or state government agency such as the Texas Forest Service or Texas AgriLife Extension Service, or visit texasoakwilt.org.

Only pay a \$5497 listing fee at closing.

Spring Green Waste Pick-Up

Texas Disposal Systems (TDS) will provide Steiner Ranch residents with a seasonal green waste collection pick-up (bagged leaves, brush, limbs and other yard waste) during the week of April 23rd.

Each resident may place up to 20 thirty gallon paper bags of green waste at their curbside on their designated trash pick-up day on April 23 – April 27.

**Please note: This will be the only green waste pick up this spring. Residents may schedule bulky waste, and bundle pick-ups twice per year by calling TDS. Bundle pick-ups include tree, shrub, and brush trimmings securely tied together, not exceeding 4 feet in length or 40 pounds. Call TDS at 512-329-1752 to schedule individual pick-ups.

Reminder: Aside from scheduled green waste pick-ups and individually scheduled bundle pick-ups, TDS will NOT pick up items/bags left outside of trash containers, unless bags are tagged with TDS trash tags. Tags are available for purchase, by check, at the HOA office for \$2.50 per bag. Additional trash/recycle carts may be ordered directly from TDS.

Golf Community Update

Submitted by Dick Clark, Chair Golf Community Committee

Pictured: Employees form the newly hired security company, Allied, at the Steiner Ranch Golf Community entrance gate.

Residents and visitors may not have noticed the changes yet but there is a new security company, Allied, manning the golf community gatehouse. Please take a moment to greet the new employees, and let the HOA know if there are any compliments or complaints.

The HOA Golf Community Committee strongly recommended the changes to the HOA Board as the first phase of a three-phase improvement.

The second phase is to purchase new security cameras to be placed at strategic areas at the gate house. This should be accomplished this next month. The phase also includes new striping and signage to slow the speed of vehicles passing thru the gates.

The third phase of the gatehouse upgrades is to install a new information databank with all Golf Community residents, Golf Club members, and frequent vendors information. The concept, used in other upscale communities with manned gates, is to provide a swift and secure method of allowing guests and new vendors to pass thru the visitor gate as conveniently as possible-while being certain that the guest is a preapproved invitee. Gatehouse attendant clipboards may be replaced with hand held computer devices. New "tags" may be issued to all member gate users. The gate may be modified to deter "piggy backing."

The Golf Community Committee reviewed the costs for the needed upgrades. The new gatehouse attendant contract is approximately the same as the old company contract. The security camera upgrades will be covered from the Golf Community reserves. The new information databank system will be an additional, but much needed improvement, and is anticipated to be covered this year under the existing budget amount using contingency funds.

The Golf Community Committee is also reviewing the annual budget, expenditures, a plan to reduce speeding, and an updated landscaping plan among other projects. The Committee meets every second Tuesday of the month at the UT Golf Club at 5:30 for an hour and a half. We are also looking for new volunteers. Also, visit us at https://www.utgchoa.com/.

STEWARDS OF THE TRAILS

→ We Thank You! ←

Volunteers and members of the HOA Trail Committee were able to accomplish major tasks at a recent monthly trail work day due to an amazing turn-out at their meet-up. Fourteen residents rerouted the intersection of Bright Sky Overlook and Lakewood Hills trails — a perpetual muddy section that had been problematic due to poor drainage near the creek crossing. The new rerouted section goes higher along the hillside and is on a better grade, so the trail should now drain faster and retain less water. In addition, volunteers built a fifteen-foot bridge across the creek and installed four new trail signs in the area. All in all, a very successful and productive work day!

With warmer temperatures approaching, spring should be a great time to check out the new section of the Bright Sky Overlook/ Lakewood Hills Trail. Thank you volunteers and members of the HOA Trail Committee!

Monthly trail work days are held on the fourth Sunday of each month. This month's work day will take place on Sunday, March 25th. Meet-up location and time vary each month. To learn more, visit the Steiner Ranch Trail Committee Facebook page for the most up to date information. You may also join the committee's newsletter by subscribing at: https://groups.google.com/forum/#!forum/steinertrails

Mailbox Replacement Door Update

Due to community mailbox break-ins, the SRMA Board of Directors approved replacing outgoing mailbox doors with solid door panels. Per the US Post Office and law enforcement, making this change will make it more difficult for thieves to break into community mailboxes. This is an ongoing project and implementation is contingent on scheduling with the Lakeway Post Office. To date, eight of the twenty two kiosk locations to be updated have been completed.

Unfortunately, there are not outgoing mail slots at all of the updated locations, although the Lakeway Post Office told the association that outgoing mail slots would be made available. Coordination has been challenging and the association is dependent of the Post Office. Until outgoing mail boxes are functional and installed, please consider dropping outgoing mail at Rio Mesa at the Rayo De Luna Lane kiosk location, or at the John Simpson Park mailbox. Mail may also be dropped off at Pak Mail at The Shops at Steiner Ranch, and there are mail drop slots next to the Four Points HEB. Thank you for your patience.

Greenbelt Reminders

Please remember and share with all family members the following:

- Greenbelts in Steiner Ranch are private property of the HOA. Cutting trees, constructing forts or fire pits, and any other activity which damages greenbelts is prohibited and may result in fines and penalties.
 - Fires are absolutely prohibited in Steiner Ranch greenbelts.
- Motorized vehicles are not allowed in greenbelts or trails as they pose a potential safety hazard to walkers and bikers. They also damage the trails, which the Trails Committee and other volunteers graciously maintain.

Should you observe someone vandalizing the greenbelts, please contact the Travis County Sherriff's Department.

Steiner Ranch Commercial Community Contact

The Steiner Ranch Commercial Community (SRCC) handles all community commercial property questions and complaints. To report commercial concerns, please contact Scott Selman, SRCC Manager with Five Star Community Management at 512-337-6535 or sselman@firestarcm.com. Steiner Ranch HOA management does not handle commercial issues.

Making Exterior Changes? Don't Forget To Obtain Architectural Approval First

Thinking about modifying your deck, adding a pool, or changing the color of your exterior trim? Steiner Ranch governing documents require the submission of plans and specifications for review and approval by the Architectural Committee (AC) before construction or installation begins. Improvements requiring approval include, but are not limited to, playscapes, pools, decks, patios, ponds, new siding or trim colors, planter boxes, arbors, walkways and sheds. Before making exterior changes to your home, please submit a Modification Application, which can be found on the HOA website under the 'Architectural' tab.

Scoop the Poop!

The HOA has received numerous complaints from residents about neighbors not picking up after their pets. Please – scoop the poop! Pet waste stations are conveniently located throughout the neighborhood and feature waste receptacle, bag dispenser

and environmentally friendly degradable bags.

Aside from frustrating neighbors, pet waste left on trails, sidewalks, streets, and grassy areas can end up in local waterways, leading to water quality problems. It can also cause pet and human health issues such as roundworms, giardia, salmonella and other viruses and parasites. So, the next time nature calls for Fido, please scoop the poop and help keep Steiner Ranch sidewalks, green spaces, and shoes clean.

Community Compliance Reminders

The HOA office would like to remind residents of the following Steiner Ranch rules:

- Trash containers are to be stored out of sight and should not be visible from the street.
 - Parking on the street overnight is not allowed.
- Items should not be left in driveways. This includes mulch bags, garden hoses, and sports equipment.
- Any alterations to the exterior of your property (front, back and sides) must be submitted to the HOA office for review and approval.

Thank you for abiding by these rules, which are part of Steiner Ranch governing documents.

Trash, Recycling & Bulky Waste Pick-Ups:

Texas Disposal Systems (TDS) is the residential waste services provider in Steiner Ranch. Services provided include weekly trash pick-up, every other week recycling pick-up, HOA scheduled spring and fall green waste pick-ups, curbside Christmas tree pick-up, and scheduled individual bulky waste pick-ups. Residents may schedule their individual, twice-yearly bulky waste/large item pick-ups, by contacting Texas Disposal Systems directly at 512-329-1752.

Nesting Season Approaches for Endangered Birds

Two endangered species of birds, the Black-Capped Vireo (BCV) and the Golden-Cheeked Warbler (GCW), will again be making their home in Steiner Ranch this spring. These songbirds are native to the area and their nesting seasons begin soon. Why is this important to know? Several of the trails established in Steiner Ranch go through the Balcones Canyonland Preserve (Powerline Hill and Eastridge trails) where many of the birds reside. The birds are especially sensitive to environmental changes during nesting season. The established trail rules were designed to minimize the effect humans have on the birds during this period. Though the Steiner Ranch Master Association (SRMA) has the right to install and maintain trails in the Preserve, violations of the following rules could force closure of the trails through the end of the nesting season.

GCW Nesting Season – March 1st through July 31st BCV Nesting Season – March 15th through August 31st

Please review the following trail rules before your next hike:

- 1. The trails are for Steiner Ranch residents, their guests, and persons with written authorization from Taylor Woodrow Communities/Steiner Ranch, Ltd. ONLY.
- 2. Trail hours will be from dawn until dusk. There will be no access of the trails allowed after dark.

- 3. Use of the trails is at your own risk.
- 4. Only use of designated trails is allowed. Leaving designated trails is prohibited.
 - 5. No motorized vehicles allowed.
 - 6. No horses allowed.
 - 7. No feeding animals.
- 8. Bikes are allowed only on Hike-and-Bike Trails. Bikes must yield to pedestrians.
 - 9. No loitering.
 - 10. No hunting.
 - 11. No cooking, fires, or smoking.
 - 12. No camping.
 - 13. All pets must be on a leash at all times.
 - 14. No littering or dumping allowed.
- 15. Do not disturb natural landscapes. Be cautious of plants and wildlife in their native habitat.

In addition to the rules above, the following apply only to the Permitted Trails in the Conservation Easement (Powerline Hill and Eastridge trails):

- 16. No picnicking.
- 17. No tape recordings of birdcalls or other wildlife.
- 18. Access permitted at trailhead access points only.

Keep Steiner Beautiful Clean Up Event

The Event Planning and Trail Committees have partnered to organize a Keep Steiner Beautiful Clean-Up event, scheduled to take place on Saturday, April 7, 2018 in Steiner Ranch. Visit the Steiner Ranch HOA Facebook to register so that we can arrange work teams and plan clean-up jobs.

The purpose of the event is to offer an opportunity to residents to help take care of the community by lending a hand - trash clean-up and general trail maintenance will be the focus of the event. This is a great opportunity for children and teens to volunteer in the community and provides an opportunity to earn service points. Please hold the date and sign up! Additional details will be posted soon on the HOA Events Facebook page and HOA website.

US Olympian Takes A Ride With The Steiner Ranch Interscholastic Mountain Bike Team!

Last month, US Olympian Howard Grotts visited and trained with the Steiner Ranch Interscholastic Mountain Bike team. The US Olympian and three-time Elite National Champion winner, rode the trails with team student athletes and took time for a Q&A session. Erik Enge, Steiner Ranch resident and team coach, said the team visit with Grotts "was amazing!"

Founded in 2016, the Steiner Ranch Interscholastic Mountain Bike Team is now in their second season. The team participated in this season's first race last month and received five podium finishes, with the middle school team winning 3rd place overall. In overall standings, the middle school team is placed 3rd overall and the high school team is 6th overall.

While team sign-ups are closed for the season, anyone interested in learning more about the Steiner Ranch Interscholastic Mountain Bike Team may visit: http://www.srmtb.org/

The Event Planning Committee hosted the third Steiner Ranch HOA Father Daughter Dance last month. This special event featured a catered dinner, music, dancing, an appearance by three well-known princesses, desserts, father/daughter caricature drawings, and a limousine ride! Approximately 160 dads and daughters attended this sweet event.

A big thank you to the volunteers of the Event Planning Committee for their time, hard work and dedication. Because of their efforts, many Steiner Ranch dads and little girls made life-long memories.

Brain Fitness Workshops: A Neurodevelopmental Series for Children

SESSIONS MEET AT 6:30PM @ BELLA MAR COMMUNITY CENTER

Lowering Anxiety - March 6

It's difficult for kids to learn when they are experiencing anxiety. But what can parents do to lower their child's anxiety—at school and at home—so they can be happier and reach their potential? In this workshop, you'll learn:

- How anxiety affects learning skills
- The root cause for chronic anxiety
- A fun activity to lower anxiety before and after school

Improving Reading Speed and Comprehension - April 10

Is your child bright but reading is a challenge for them? Is your child's teacher suggesting you get testing for dyslexia? Is it affecting their self-esteem? Join us to learn how movement affects brain development specifically for developing faster readers.

Susan Phariss performed a controlled study in a public school with kids who were struggling with reading. At the end of the 26 week study, the control group gained twelve words per minute, while the students in the study gained 37—triple the gain in reading speed. The program was all movement based—the kids didn't have to practice reading drills and they loved every minute of it because it was all fun!

Reducing Sensory Issues - May 8

If you are a smart parent who has a child suffering from Sensory Processing Disorder, you're going to want to come to this workshop. You'll finally get an explanation for the cause of it that makes sense, PLUS an effective solution!

If your child can't handle loud noises, bright lights, socks, clothing tags, or even change, you're going to love what you learn in this workshop. Parents will come away with a better understanding of why you don't want to just make compensations for it—you'll want to address the root cause.

About the Instructor: Susan Phariss

Susan Phariss is a Neurodevelopment Consultant, Primitive Reflex Specialist, engineer, and brain development expert. Susan has performed a controlled study in a public school helping kids overcome behavior and learning challenges using neurodevelopmental movements. She specializes in helping bright kids who struggle with learning and behavior challenges with her proven step-by-step process that stimulates higher brain function.
