## Marketing vs. Listing

Don't be fooled! A 'For Sale' sign in your front yard is not a marketing plan and neither is making sure your home is listed on HAR. The difference between listing a home and marketing a home is critical to the overall success of selling it. As a successful real estate agent, I specialize in real estate marketing and will create a comprehensive customized plan with you to showcase your home.

Please feel free to call or email me anytime with questions.
