KK Bath Bombs: Dreaming Big *by Jackie Devine*

One of Fairfield's young residents has become one of our newest entrepreneurs. Kayden Griffin, a second-grade student at Keith Elementary, has founded a business with a significant online presence selling bath bombs.

Kayden's successful little endeavor, known as KK Bath Bombs, combines essential oils with bath salts, to create charming, effervescent, multi-sensory, pastel-colored hearts and balls that slowly dissolve and turn even ordinary baths into moments of tranquility and spa-like relaxation as they release delicate bubbles, soothing

oils, and delightful fragrances.

Kayden, a seven-year-old bundle of energy, often dreams of turning her ideas into a business. Never shying away from hard work, Kayden always searches for the next project to conquer. Even at her young age, she grasps the process of transforming dreams into reality.

Her journey began a few weeks ago. Lying in bed one night, while deep in thought, with her mind racing, she conceived the idea that making her own version of the popular bath bombs would be a perfect business project. Excited about the prospect of creating a product and selling them to others, Kayden planned her strategy and presented her idea to her mom, Heather.

Kayden planned to make the bath bombs in their kitchen and to share her product with her family and neighbors. Although she had already been using bath bombs for kids, she thought that making a variety of scents and shapes would be appealing to all ages. Impressed with Kayden's plan, her mother decided to help her daughter realize her vision.

After perfecting the recipe and making a start-up supply, Kayden and her mom designed the packaging and shared it through social media. The bath bombs became an instant hit because of their selection of fragrances, shapes, and colors—shades of pink, green, blue, purple, and yellow.

Satisfied customers seem to adore using the bath bombs and their effects: smooth and fragrant skin.

Kayden has been surprised and delighted by Fairfield's reaction to her bath bombs. She has been humbled by her community's response and thankful for customers ordering the bath bombs.

When she was told the number of orders received that first day, Kayden gushed, "I'm so happy, I could pinch myself!" Within the first twenty-four hours of launching her product, Kayden also received an invitation to set up a booth at the Aitken Farm & Ranch on March 31st.

In the evenings, Kayden prepares two batches of bath bombs with

help from her mom in packaging and delivering. Kayden has also created new designs for St. Patrick's Day, Easter, and Mother's Day. Samples of her products are posted on Facebook. She's always searching for new ways to improve and sell her bath bombs.

As part of her experience, Kayden is learning many valuable lessons. The money she makes will be put in a savings account for her education. She also is learning about budgeting, marketing, and money management: necessary skills for a successful business.

Kayden, her family and friends are thrilled about her success as a young entrepreneur, turning her ideas into reality and beginning her journey to achieve her own American dream.

Super Charged Senior Giving Others a Better Chance *by Jackie Devine*

Meet Carol Burgeson, a super-charged senior with swag! By swag, I mean Carol is very unique, someone special, a woman of substance! She's focused on stepping up the pace and living a life of purpose by choosing to participate rather than become a spectator.

Sailing through her golden years with steely determination, at eighty-six, Carol works 20 hours a week at The Living Legacy Center.

Plus, she volunteers one morning weekly at Reach Unlimited which offers daycare and job training for people who have special needs. One other afternoon each week, she teaches crafts, knitting, and journaling.

Carol, mother of eight, and certified teacher decided to enter the seminary at the age of 70. According to her, "That was no easy task, it entailed taking one year of Greek and one year of historical Hebrew. Today I use the skills I learned in seminary to minister to folks in need by networking the center's array of services and facilitating meditation, self-esteem silent retreats."

Fairfield residents may not be aware that The Center provides services to our community as well offering assistance to veterans, the elderly and people with special needs. Carol explained, "The Living Legacy Center provides professional leaders who guide people seeking satisfaction for a better quality of life. Its mission is to narrow the gap between the resources available and the people in need.

"Veterans, low on funds or who have no funds at all can receive legal help when applying for benefits such as aid from the Veteran's Association. The elderly needing help filling out their income tax,

finding an apartment, locating transportation, health care and things like that can call on us. And, we work with parents of adult children with special needs providing connections to legal specialists and home help professionals."

The brainchild of this impressive program is Carol's daughter Attorney Elizabeth Hilburn and Elizabeth's partner, Teresa Trull. Both have more than 20 years experience providing legal services to clients needing probate, wills, trust funds, guardianship, and services to veterans.

Elaborating, Carol explained, "Elizabeth's heart lies with people that are struggling not only with personal issues but the legal fees that accompany them. Her dilemma has always been that with a staff of eleven, providing services pro bono is difficult, even when the genuine need is apparent.

Elizabeth and Teresa, felt God calling them to offer their legal services to the cause. Many other caregivers were also led to help with other needs such as housing, medical, food, therapy and many services that these professional volunteers can give to people who need them in the Houston area.

So, together with the help of other like-minded folks, they created The Living Legacy Center, a 501 (c) (3) Charitable Organization."

Before they had a brick and mortar facility, The Living Legacy Center provided services to veterans online. After about a year in operation, the center moved to an actual physical location, where it offers counseling and classes, and its expanded services to the elderly and folks with special needs.

Currently, The Living Legacy Center has served over 100 people, either through referrals or by helping directly with unmet, immediate, and future needs. The call continues for individuals and organizations to join forces to provide a broader range of services.

The funding for The Living Legacy Center in the Houston area comes from generous people from businesses whose passion it is to help those who have unmet needs such as their spring gala.

On May 12th, from 6 p.m. to 11 p.m. at Hotel Zaza in Memorial City, The Center is spearheading The Legacy Canteen "You buy; we'll fly," a black tie, '40s, formal, or military dress gala. Johnny Lee &

In closing, I asked the eternal "summing up" question. Why are you here and what do you want to leave behind? Carol said, "I always answer that question with a joke. I'm here because I'm not all there!"

Sighing, she said, "I'm here to give others a better chance, a happier perspective, and a more satisfying experience of life through The Living Legacy Center and Special Needs Groups."

A Thank You Message From a True Champion *by Bradley Hooton*

This campaign was amazing. We did not get the Student of the Year Award, but I was not seeking for just a title. From the beginning, I hoped that my campaign would create a platform for people to feel comfortable sharing former or current cancer stories and seeking to shine a light on them.

Through that, we were able to receive a medical research grant in my Dad's name because of the total amount we raised. In just six weeks, Team Triumph raised a total of \$65,757!

Together, we will be able to say NO MORE to cancer!!! Thank you all for every-thing you have done!!

Sincerely,

Bradley Hooton

Pinewood Derby® in Fairfield

by Jackie Devine

Pinewood Derby® racing has been around since 1953. The first was held in Southern California at the Manhattan Beach Scout House, where Cubmaster Don Murphy introduced the idea to his pack.

Partnered with a parent or adult mentor, Cub Scouts work together, strengthening bonds and building confidence—and their own custom race cars! They begin by choosing a car design, then carve it out and detail it with paint, decals and other accessories, and perfect strategies to compete in their pack's own Pinewood Derby.

Fairfield's Pack 1533 held its derby March 3. Seventeen scouts including members from the Tigers, Wolves, Bears, and Webelos participated.

Not only did the derby give scouts, a beneficial learning experience centered on teamwork, ingenuity, and sportsmanship—it offered families, friends and the community a thrilling car racing and a fun-filled way to spend a Saturday afternoon.

A video showing all the winners can be viewed on Youtube at <https://www.youtube.com/watch?v=3zan9OWmbFA>

For more information regarding scout activities, please contact Scout Committee Chair Lisa Mueller [phone] 713.263.4723 or [e-mail] b24mueller@yahoo.com

Mid-year Meeting & the Greenheart Booth *by Melanie Vitovski*

It's been a busy month for our international teenagers on the Greenheart Exchange Program. They had their Mid-Year Meeting where they learned about growth mindset, communication, how to be a great friend, and perception versus reality. Many helped us volunteer running an educational booth for the program, and though we got rained out, they were all troopers with such a great attitude!

Trips to the rodeo, a self-defense class to teach them safety and prevention, an upcoming overnight trip to Galveston as an enrichment activity, and many other fun group activities help to keep them entertained and learning about our great state of Texas.

The exchange program is such a rewarding experience. Can you consider opening your heart and home to an international teenager?

We need host families like you. Volunteer host families provide room & board, occasional transportation, parental guidance, and the same love and emotional support they'd want for their own family member. Students are boys and girls age 15-18 who come

from nearly 60 different countries (so you can choose!), speak English, have their own spending money and health insurance. They are excited to learn about our way of life as a contributing member of their host family.

For more information, please contact Melanie Vitovski 281-213-2157 info@exchangestudentsintexas.org

Self Defense Classes For Women *by Melanie Vitovski*

On Saturday, March 3rd, Greenheart exchange students and some of their American friends gathered in Fairfield for a self-defense course based on Krav Maga and taught by Christy Lieder. Christy and her husband David Lieder founded All-Star Martial Arts in 2004 and Christy is qualified to teach both Tae Kwon Do and Krav Maga.

Though she's now retired and they've sold the business to their son, Kris, the mission remains close to Christy's heart, "My mission is to teach as many young girls as possible how to protect themselves. The world isn't getting any better."

Christy's eyes shine with unshed tears as she shares the stories of local girls whose lives were destroyed, simply because they didn't know the information she aims to teach them. She focuses heavily on prevention and teaching the girls how to avoid a situation, but is clear that not every situation is avoidable, so she also shows what to do if you find yourself facing the unimaginable.

Bridgeland sophomore, Adel Kuchyk from Ukraine says, "I could feel how seriously Ms. Christy takes this, and it helped me to take it seriously too. I understood that I have responsibility for my own safety and what I do with the information she taught us."

Cy Woods Junior, and an exchange student from Italy, Sofia Farnedi adds, "Such an important thing should be taught to everyone. I could tell that the teacher really loves and believes in what she does."

Maryn Gresell, Cy Ranch junior, Fairfield resident, and host sister to one of our exchange students has taken the class three times. "I always think it's inspiring and a good way to help myself and other girls feel better about our surroundings. I love the refresher every year, and she does a good job of teaching us important skills in a fun way without taking the seriousness out of it."

All-Star Martial Arts has offered several free self-defense classes for kids and teens in the community and continues to give back. They offer a full schedule of Tae Kwon Do (all ages) and Krav Maga (14+) classes. You can call them for additional information at 281-373-5425. April Yard of the Month by the Women's Club

After such a brutal winter, it is nice to see sunshine and warmer weather reviving our flowers, plants, and lawns. Our yards were so brutalized from the snows/freeze that we skipped March Yard of the Month to give residents time to recuperate and take care of the freeze damage.

This month we are featuring homes in the East section of Fairfield South Village, including Silver Lake, Silver Crest, Sterling Lake Estates, Travis Point, and Summer Gate.

The honors for April go to Cody and Lynn Blair who reside at 16817 W. Carmel Apple Trail, in the Silver Crest village. Their yard is very stately and compliments their beautiful home.

The flowerbeds have small, trimmed Ligustrum and Box Wood. Two beautiful Junipers accent the entrance to their front door. Their trees have been trimmed, allowing their home to stand out with style. An assortment of bright, colorful purple-faced and sunny yellow pansies welcome Spring. Congratulations to the Blair's!

Key Club April

In April the Key Clubbers will be going to the Texas Oklahoma Conference in Dallas on the 12–15th. Messiah Lutheran Church has their Butterfly Festival scheduled for April 22nd. It is a family affair to benefit our preschool Chrysalis. There are games and prizes as well as a Silent Auction. And of course the release of the butterflies. Our local Key Clubs always help with this to earn hours.

Christ the Redeemer

CHRIST the
REDEEMER
♦ Catholic Church ♦

Fair Ladies of Christ the Redeemer, or FLOC, is a faith and fellowship group for the women who live in Fairfield and Lakes of Fairhaven that attend Christ the Redeemer Catholic Church.

We generally meet once a month, usually at a member's home, or a local restaurant, and occasionally at Christ the Redeemer. Our meetings consist of food and drinks, prayer and fellowship! We occasionally have a speaker on topics that pertain to our faith, have fun craft nights, attend Christ the Redeemer events, try

out new restaurants, and we also "give back" to the community and the church with some sort of charity or donation activity several times a year.

Our main goals are:

- To bring the CtR women of these two neighborhoods together to make social connections with each other,
- To support one another,
- To surround ourselves with women who share a common faith.
- To bring those that are hesitant to attend CtR each weekend for Mass (due to the large size of the parish) back to Mass because there will be a friendly face in the crowd.

For more information, please contact Amy Wilkes at apw1974@juno.com, or search for our group on Facebook - Fair Ladies of Christ the Redeemer (FLOC) - and request to join our closed group. We look forward to meeting you at our next event!

FSA OPENING DAY: From Behind the Lens

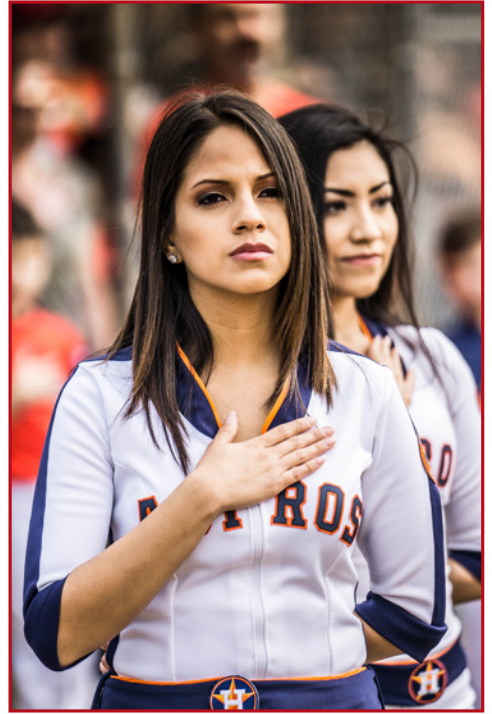

Photos by A1 Photography

For over a decade Fairfielders have been celebrating Baseball/Softball Opening Day much like the Big Leagues.

It all begins with a high-spirited, well-attended, fun-filled candy throwing parade that winds up Mason Road and ends at

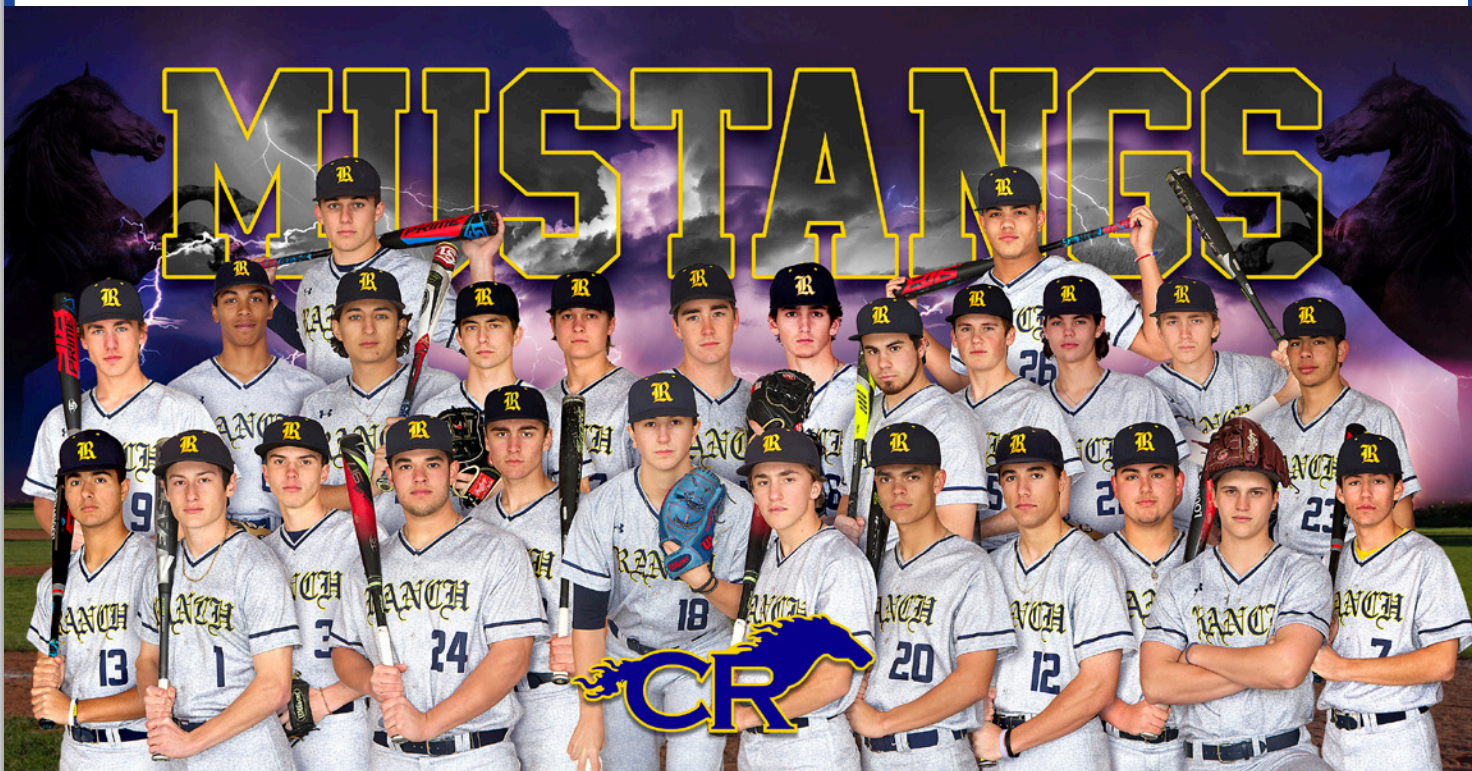

the ballpark. Patriotic fans belt out the National Anthem, and everyone eagerly awaits the first pitch of the season. With music, fun, and fellowship, it is easy to see why over a thousand people come out year after year.

Varsity Defending its District 17-6A Co-Championship

Submitted by Joel Weckerly, CFISD Director for Communications, photography by Coffman Photography

The Cypress Ranch High School varsity baseball team is looking to defend its District 17-6A co-championship in 2018. District play kicked off on Feb. 27 and concludes on April 27. The Mustangs concluded the 2017 season as Region III-6A quarterfinalists, and have their sights set on bigger fortunes in 2018.

The team came into the season ranked No. 1 in the Houston 6A Baseball Preseason Top 25, and had retained

the top spot through H6AB's Week 2 poll, released on March 5. The Mustangs are led by second-year coach and reigning 17-6A Co-Coach of the Year Corey Cephus, and the reigning 17-6A MVP in senior outfielder Colton Cowser. Returning all-district athletes include junior pitcher Matt Thompson, senior pitcher Ty Madden and senior pitcher Kyle Gough, senior outfielder Scotty Scott and senior shortstop Westley Schields.

Bridgeland High School Cosmetology Students Already Winners *by Darla Drake*

On February 9, 2018, CFISD held its first Cosmetology Competition that was held at Langham Creek High School. This fantastic event was a one-day opportunity for cosmetology students to enter projects/exhibits to showcase their acquired skills. CFISD utilized local industry

professionals as the judging panel.

Every student had the chance to compete for a 1st, 2nd, or 3rd place ribbon. Trophies were given for Best in Show for their corresponding category as well as an "Overall Best in Show" trophy was awarded to the CFISD High School that was selected.

The categories that students entered were Nail Art, Day or Evening Comb-Out, Fantasy Hair, Mini Salon-Innovation, Permanent Waving, Wet Set or Pin Curls, and Hair Braiding.

The CFISD Cosmetology competition is important to the Fairfield area for a variety of reasons. Bridgeland High School is Salyards Middle School's newest feeder school. Bridgeland has a state of the art Cosmetology department with hands-on training. This course can provide state licensure upon student's graduation and completion of the course. This is one of the many careers and technical education programs the district has to offer students. This viable course provides students with the tools needed to enter the workforce upon graduating.

During training students, under instructor supervision, offer services to the public. In all Cypress Fairbanks ISD High School Cosmetology Programs, an appointment is necessary. To obtain services, e-mail teachers at the closest campus for the price, services offered, hours and specials for super seniors. Some of the services offered include Hair Cuts, Cut and Style, Scalp Treatment, Hot Oil, Pedicure, Eyebrow Arching, Facial, Color, Hair Braiding, and Relaxers.

Darla Drake, the Cosmetology Instructor at Bridgeland High School and Cypress Park High School, says that she is ecstatic to be a part of the momentous opening of CFISD's two newest campuses and launching their cosmetology programs. Darla Drake is glad to be able to have the opportunity to impart knowledge to CFISD students and be a part of producing future cosmetology professionals.

by Jana Echols

Five Bengal Robotics coaches and their club will be going to the All-Earth Ecobot Competition on April 21st. They have practiced after school from 2:45 to about 4:15 every Thursday.

The All-Earth Ecobot Challenge is an innovative engineering competition that engages fourth through eighth-grade students in complex problem-solving while developing critical thinking skills and elevating their confidence in formulating solutions to real-world missions.

Salyards club revolves around STEM, STEM careers, peer collaboration and cooperation, and innovative thinking and problem-solving. Over 80 students participate in the club with 16 different teams of four working on the competition objectives which include robotic programming, engineering design of robot, and strategic use of time to score as many points as possible.

Importantly, there is a portion of the competition that tests the students' knowledge about the STEM careers and areas of science that the competition highlights.

Becoming a Therapeutic Foster Parent with Benchmark Family Services

There are Foster Parents, and then there are Professional Therapeutic Foster Parents. Professional Therapeutic Foster Parents understand that a child with a traumatic past needs consistency, nurturing, and above all, someone who will focus on the good and help work through the child's difficulties.

Teenage foster children are among the most underserved population in the foster care system, and Benchmark Family Services needs your help to change that. Fostering a teen is an opportunity that is unique, and can be truly rewarding if you are willing to accept the challenge. There is such great opportunity to instill character and values in their lives that they will be able to take with them as they are becoming an adult. They are in need of something stable in their life, and your home could be just what they need. Are you ready to accept the challenge?

In one month, our agency as a whole received 6,919 referrals for children in foster care who need a home. We were not able to accept and place 4,054 of those referrals because there wasn't a Benchmark home available for them. We currently serve over 2,300 youth across four states, and that number is growing. If you have what it takes to become a Professional Therapeutic Foster Parent, we need you! All that is required is the desire to help those in need, the tenacity to persevere, and to remember that it isn't about you... it's about the children. Help them work through their past and influence strong core values and other aspects of becoming a thriving member of the adult community; help make a difference!

Benchmark's mission is to work alongside referring agencies to provide stable and caring placements for youth in need of out-of-home care. We advocate for children by ensuring reasonable

opportunities for healthy physical, psychological and emotional growth and development in the most normal and least restrictive setting possible. To this end, Benchmark will provide and coordinate programs and services in cooperation with referring child welfare agencies. Benchmark is committed to the highest standards of childcare and professionalism.

At Benchmark Family Services, we pride ourselves on our customer service. We provide state of the art training to all of our foster families to prepare them to properly care for the children that will be in their home. We never want our families to feel like they are going through this alone; we understand how tough of a job this can be, and endless support is provided to all of our families 24/7. With Benchmark, you will have the support of a team of professional, caring staff who are working with your family and the children in your home every step of the way. By doing this, they will have the opportunity to understand not only the children and their needs, but your needs as a parent as well.

Our Houston office is located at 9800 Northwest Freeway, Suite 615. If you are interested in becoming a therapeutic foster parent or would like more information, please call our local office at (713) 995-5118.

Our other Texas locations include Austin, Corpus Christi, Dallas, League City, Longview, Lubbock, McAllen, and San Antonio. Fairfield Business Networking

The Fairfield Business Networking group gathered on Tuesday, February 20th at 6 p.m. at Yoko Japanese Kitchen in Cypress to exchange information with local business owners.

It was a social evening mixed with the exchange of essential information. Greg Wood discussed high-priority community involvement, such as the baseball parade and the 4th of July neighborhood event. He also introduced the idea of the benefits of sponsoring and donating to events and teams and how those activities can be used to grow businesses.

The group made introductions and exchanged business cards. In bringing the meeting to a close, Greg asked members to post their business cards on the <https://www.facebook.com/groups/FairfieldBN> feed, comment about their business, and tell the group something they have learned since they started up that has helped them!

Anyone can see the group and its members in Facebook FairfieldBN news feed, but only members see posts.

Houston, Texas (March 7, 2018) Nearly half the world's population is on the Internet. A few years ago, a social media marketing strategy could be done on the fly. As long as you were on there, you were doing more than your competitors were.

However, in 2018 your strategy can't just be about existence. Brands must be fully invested in their social media marketing strategies and must focus on engagement.

Perceptions Professional and Social Media Strategist, Chrissy Bernal, will show you how to not look like a newbie on social media. You'll learn: how to decide which platform/s to use, how to use the platforms, how to craft your marketing strategy, efficient ways to use your chosen platforms, and more!

Perceptions Professional Chrissy Bernal loves all things Creative and Communications related. As a Marketing, PR, Branding and Storytelling strategist, she helps individuals and businesses send their intended message and navigate the journey of being known. She's an Author, former Homeschool Mom, Twin Mom Special Needs Parent, Speaker, and Empowerment Enthusiast. Her children's book "Sienna's Locket" is available on Amazon or Barnes & Noble.

She received her BA in Mass Communications/Journalism from the University of Mary Hardin-Baylor. During her studies there, she played on the women's volleyball team. Chrissy finds it important to remain active in her community and to be an advocate for those unable to stand up for themselves.
