INTRODUCING “GET TO KNOW YOUR NEIGHBORS”

We are all very fortunate to call Parkside at Mayfield Ranch home. But, Parkside at Mayfield Ranch is more than just a place to live; it is a vibrant community brimming with family-friendly neighborhoods, chock-full of fascinating, talented people. Our variety is what makes us so both unique and extraordinary. However, sometimes, we get so busy, we lose sight of how interesting and diverse we've become.

We believe that getting to know the people who live nearby

will help us create a sense of belonging and shared identity. We have created a column entitled, “Get to Know Your Neighbors” which we hope will strengthen connections, build trust in our wider community, and contribute to a happier neighborhood for everyone.

If you know of a person or a family that you believe is making Parkside at Mayfield Ranch a better place to live, please let us know. We would like to introduce them to your neighbors.

ROUND ROCK NEW NEIGHBORS

Round Rock New Neighbors is a non-profit social club for women with over 180 members from Round Rock and surrounding communities. Since 1978, RRNN has been active in providing women the opportunities to come together and meet new friends and neighbors. The name may fool you, but you do not have to be new to the area to join the fun. We have new members who have lived in Round Rock for many years. All women are welcome!

You are cordially invited to attend one of our monthly luncheons and coffees. To find out more about these events and who to contact, please visit our website at www.rnewneighbors.org

ALZHEIMER'S CAREGIVER SUPPORT GROUP

In Texas alone, roughly 1,270,000 caregivers provide an average of 20 hours a week of unpaid care for friends and loved ones. Caregiving is a demanding undertaking and results in high levels of stress. One core service of Alzheimer's Texas is to provide support to caregivers through volunteer facilitated support groups.

"These groups educate and inform participants about dementia and help caregivers develop methods and skills to solve problems," says Christian Wells, President of Alzheimer's Texas. "They encourage caregivers to maintain their own personal, physical and emotional health as well as providing peer guidance on how to care for the person with dementia."

At 7:00 pm on the third Tuesday of every month, caregivers in the Austin area can gather at Tarrytown Methodist to share their experiences in a safe, supportive environment. Meetings last about an hour and there is no charge to attend.

"We provide a safe, confidential space for caregivers to share what only other caregivers might understand," says Barbara Wiederaenders, facilitator at Tarrytown Methodist. "The mutual trust is precious and supportive."

TIPS FOR A KILLER GARAGE SALE

DRAW CUSTOMERS IN with effective product placement and display. Put the best, most visible items like furniture out front and center.

MAKE IT EASY FOR CUSTOMERS TO BROWSE AND BUY

- Display like items together
- Use easy-to-read price tags
- Provide written descriptions for unique items or even a story about where it came from
- Create room displays with furniture and décor
- Have a designated, easy to find cashier table
- Use larger signs to help customers navigate through your “shop.”

PRICE TO SELL

Don't base it on how much you paid for a thing 20 years ago, or how much it means to you. If you can't let it go for cheap, then you shouldn't be selling it at all.

OFFER FREE STUFF

If your primary goal is to rid your home of clutter, why not have a designated free pile of those items you really want to purge from your life.

CONSOLIDATE PRICING

Bag up those random craft supplies, hardware, holiday decorations or what have you and sell the whole lot for one low price.

KNOW WHAT CUSTOMERS WANT

Garage sale shoppers are different than retail shoppers. The majority are looking for daily-use items at a low cost. And some shoppers are looking for bargain supplies for their hobby or collection. The best-selling items are: Clothing in good condition, tools, furniture, games/toys/bicycles, books, small appliances, camping/fishing gear and sports equipment. Still, there are a few outliers who stop by because something unique caught their eye or they are looking for something that speaks to them aesthetically.
